(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Department of Public works  
(Name of City Department)

Amount of the charges \$ 342.49

Charge relative to: Tall grass and weeds

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

Steps have been taken to obtain protected wildflower statues on the lawn. Property owners are in mid application process for protected statues and are still receiving information on complaint lawn care with Milwaukee County and have not been informed as to the statues of what can and cannot be on the property.
