To whom it may concern,

Please take this testimony into consideration before renewing BAY STREET PUB at 338 E BAY st. I reside at 2160 S Kinnickinnic ave APT 625, my bedroom/balcony/ and living room face this pub. In the two years I have resided here there has been numerous occasions where on closing time people in that establishment have shot at their guns. Stray bullets are a SERIOUS topic here in Milwaukee and I cannot tell you the amount of times I have spotted their clientele shooting their guns, I fear for my life that one day a bullet could hit our unit or neighbors facing that bar as a matter of fact ASK for surveillance of this past weekend which was a fight and blocking of roads. Shooting happened (there a numerous other instances that THE OWNER is aware this happened as he is there at closing time 2/17-2/18 and 2/24-2:25 there was customer brawl along with blocking roads being inconsiderate of coherent drivers who need to drive by.

I hope you receive more than one complaint on "SHOOTINGS" at this bar. I have only observed 6 shootings that I woke up and saw it happen from that establishment not random drive by.

5 shootings in 2022 and this recent shooting of a customer in a black car in February.

Please consider adding a police patrolling this bar or restrictions on weapons.

Best regards,

Roxana Jimenez
