Very well then!

I think this e-mail is sufficient. Laurie, please make it part of the file when created.

LRB — Please draft a repealer for the relevant provision of the Code.

Referral to PSH.

Thanks,

Jim

Morning Jim,

We've started working with DNS and are confident that you can sunset the EHB. If MHD needs to establish an appeal process, we would just mirror what DNS does. Any appeal of their orders simply goes to their Commissioner.

Do you need me to submit a formal memo requesting the sunset of the board?

V/r
Mike

That would work well.

Thank you.

Jim

Hi Jim,

I believe that requirement for the board is codified in MCO 75-40. We haven't had a board in a long time as far as I know.

We are actually in the process of reviewing this in conjunction with our DNS MOU. Within that MOU, the board is referenced as needed as well.

I think that we should keep it for the time being and once I meet with DNS in October we can decide if it is needed or not. Would that work?

Subject: Environmental Health Board

Greetings and Good Morning,

We're doing some regular clean-up of Board and Commissions and came across this one:

<https://milwaukee.legistar.com/DepartmentDetail.aspx?ID=2163&GUID=D24F933A-1426-4D23-A707-71137F1F67BE&Search=>

Our last update is some years ago and I wondered if:

1. It meets.
2. If it does, who are its current members.
3. If it does not, should it be kept on the books?

Thank you and, should you have questions, please just reach out.

Regards,

Jim
