Gentleman:

We are writing this letter in support of the Business Improvement District 10 Expansion for the fiscal year of 2016. Business Improvement District 10 Expansion will include an increase in membership in response to the need of the local business community.

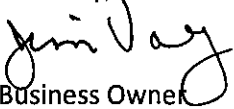

Created in 1993, the Business Improvement District 10 was originally intended to revitalize Avenues west business corridors in the 4th aldermanic district. Since that time, the Business Improvement District 10 has expanded its service area exponentially and works in an ever-growing boundary of streets between from Interstate 43 to Highway 41 and Interstate 94 to Highland Boulevard, which includes the 10th and 15th aldermanic districts.

We, the undersigned owners of real property used for commercial purposes and located in the proposed business improvement district, hereby petition the City of Milwaukee, pursuant to the provisions of Wis. Stats. § 66.1109 (2)(a), for the expansion a Business Improvement District #10 to the area shown in the attached Map.

This expansion is important and necessary to ensure that Business Improvement District 10 continues to provide its extremely high level of service.

I urge you to support this expansion as it comes before you for your consideration.

Sincerely,

Business Owner
