Bronzeville Streetscape - PHASE 2

This report requests the exclusive use of different manufacturers for amenities that will enhance the pedestrian experience and visual character along North Avenue between 7th St and MLK Dr:

- Benches
- Trash Receptacles
- Landscaping Planters

We are requesting the use of benches and trash receptacles as manufactured by Victor Stanley. Vertical concrete planters are to be manufactured by Wausau Tile. The use of these items preserves consistency with the vast majority of similar amenities used within the City of Milwaukee.

BENCHES

The City of Milwaukee is requesting benches of type CR-138 Classic Series Bench as manufactured by Victor Stanley, Inc. The benches will be six feet long with an intermediate arm to deter sleeping on benches. The benches will be finished in VS Bronze. Each bench is to have a custom plaque decal as manufactured by Victor Stanley, Inc. Plaque image shown below.
