2. The Articles of this Agreement entitled: MANAGEMENT RIGHTS and SUBORDINATE TO LEGISLATIVE AUTHORITY, are intended to recognize the rights of the City and the Chief Engineer, Fire, and their responsibilities to the public. These Articles do not grant to the Union or its members any rights that may provide the basis for a grievance under the provisions of the GRIEVANCE AND ARBITRATION PROCEDURE.
3. Obligations of the City under Chapter 65, Wisconsin Statutes, shall not constitute a grievance under the provisions aforementioned.
4. Interpretation, application, enforcement or administration of any matter involving the City pension systems, including the pension benefits provided by such systems and their administration, shall not constitute a grievance under the provisions above-mentioned.
5. Matters involving approval of medical (or dental) insurance claims filed by an employee, or medical (or dental) insurance claims filed by an employee on behalf of his/her dependents, shall not constitute a grievance under the aforementioned provisions.

6. All grievances and grievance appeals shall set forth the provisions of the Agreement under which the grievance was filed. All appeals of duly filed grievances not submitted by the Union or employee (hereinafter referred to as "member") within the time limit specified, shall be termed abandoned grievances and as such shall be considered as being resolved in favor of the City and not subject to further consideration under the provisions of the GRIEVANCE AND ARBITRATION PROCEDURE. By mutual agreement, the parties may waive any of the steps contained in this GRIEVANCE AND ARBITRATION PROCEDURE.
7. Grievances concerning life insurance or health insurance benefits, other than claims, shall be initiated at Step 4 of the Grievance Procedure and be reviewed by the City Labor Negotiator.
8. Matters appealable to the Fire and Police Commission (FPC) shall not constitute a grievance under the provisions above-mentioned. For matters filed on and after the execution date of the 2010-2011 Agreement, matters appealable to the FPC may, at the Union's option, either be appealed to the FPC or submitted to the grievance procedure including arbitration. If the matter is submitted to the grievance procedure and including arbitration, the matter may not be appealed to the FPC.

B. STEPS IN THE GRIEVANCE PROCEDURE

Step 1:

The aggrieved member shall reduce his/her grievance to writing on a provided numbered form and shall present such written grievance to his/her Union designated representative. The Union designated representative shall meet with the grievant; and if the grievant so desires and the Union designated representative so determines, the Union designated representative shall present the written grievance to the Deputy Chief, Fire, assigned to the Bureau of Construction and Maintenance in the Fire Department within ten (10) calendar

days of the occurrence of the incident leading to the grievance. Thereafter, the grievant, his/her Union designated representative, and the Deputy Chief, Fire, assigned to the Bureau of Construction and Maintenance in the Fire Department shall meet and discuss the grievance and shall make every effort to resolve the grievance. Following said meeting, the Deputy Chief, Fire, assigned to the Bureau of Construction and Maintenance in the Fire Department shall answer the grievance in writing, setting forth the reasons for his decision and submit same to the Union designated representative and the aggrieved within ten (10) calendar days of receipt of the written grievance.

Step 2:

If the grievance is not resolved in Step 1 above, the Union Grievance Committee Chairman may, within ten (10) calendar days of the receipt of the decision of the Deputy Chief, Fire, assigned to the Bureau of Construction and Maintenance in the Fire Department, appeal said decision to a Board of Investigation of not more than three designated by the Chief Engineer, Fire. Said appeal shall be in writing and shall be submitted to the individual in the Fire Department Administration designated by the Chief Engineer, Fire, and therein a request shall be made for a meeting with said Board of Investigation to consider the decision of the Deputy Chief, Fire, assigned to the Bureau of Construction and Maintenance in the Fire Department. The Board of Investigation and the Union Grievance Committee Chairman shall meet at a mutually agreeable time within twenty (20) calendar days of receipt of said written appeal to the Board of Investigation. The grievant shall be entitled to be present at such appeal meeting and shall have the right to be represented by the Union Grievance Committee Chairman and the parties shall discuss the Deputy Chief's decision in good faith and attempt to resolve the matter. Within fifteen (15) days of said meeting, the Board of Investigation shall, in writing, advise the Union Grievance Committee Chairman and the grievant of its determination with respect to the grievance,

setting forth the reasons for its decision.

Step 3:

If the grievance is not resolved in Step 2 above, the Chairman of the Union Grievance Committee may, within ten (10) calendar days of receipt of the answer from the Board of Investigation, appeal the grievance to the Chief Engineer, Fire. Such appeal shall be in writing; and therein a request should be made for a meeting with the Chief Engineer, Fire, the grievant, and the Chairman of the Union Grievance Committee. At the meeting, to be held at a mutually agreeable time within twenty (20) calendar days of receipt of said written appeal to the Chief Engineer, Fire, the parties shall discuss the grievance and the various answers and decisions in good faith in an attempt to resolve the grievance. Within fifteen (15) calendar days of such meeting, unless the time period is mutually extended by the parties, the Chief Engineer, Fire, shall in writing advise the Chairman of the Union Grievance Committee and the grievant as to the Chief's decision with respect to the grievance.

Step 4:

If the grievance does not involve a matter of Departmental discipline and is not resolved in Step 3, above, the Chairman of the Union Grievance Committee may, within ten (10) calendar days of receipt of the answer from the Chief Engineer, appeal the grievance to the City Labor Negotiator. Failure to appeal said answer within this prescribed period of time shall constitute settlement of the grievance. Such appeal shall be in writing and therein a request shall be made for a meeting between the City Labor Negotiator (or his/her designee), the grievant and the Chairman of the Union Grievance Committee. At the meeting, to be held at a mutually agreeable time, the parties shall discuss the grievance and the various answers and decisions in regard thereto in good faith in an attempt to resolve the grievance. Within twenty-five (25) calendar days of receipt of the written appeal to the grievance, unless the time period is mutually extended by the parties, the

City Labor Negotiator, shall, in writing, advise the Chairman of the Union Grievance Committee and the grievant as to the City Labor Negotiator's decision with respect to the grievance. If a Union grievance is not settled at the fourth step, the Union may proceed to final and binding arbitration as hereinafter provided.

II. GRIEVANCE ARBITRATION

- A. Final and binding arbitration may be initiated by serving upon the employer a notice in writing of an intent to proceed to final and binding arbitration within fifteen (15) calendar days of receipt of the third step answer. Said notice shall identify the grievance and the employee(s) involved.
- B. Unless the parties can, within seven (7) calendar days following the receipt of such written notice, agree upon the selection of an arbitrator, either party may in writing request the Wisconsin Employment Relations Commission to submit a list of five (5) arbitrators to both parties. The parties, by their respective attorneys, shall, within seven (7) calendar days of the receipt of said list, select the arbitrator by alternately striking names from said list until one name remains. Such person shall then become the arbitrator.
- C. The arbitrator so selected shall hold a hearing at a time and place convenient to the parties within fifteen (15) calendar days of notification of his/her selection, unless otherwise mutually agreed upon by the parties. The arbitrator shall take such evidence as in his/her judgment is appropriate to the dispute. Statements of positions may be made by the parties, and witnesses may be called.
- D. The arbitrator shall neither add to, detract from, nor modify the language of the Agreement in arriving at a determination of any issue presented that is proper for final and binding arbitration within the limitations expressed herein. The arbitrator shall have no authority to grant wage increases or wage decreases.
- E. The arbitrator shall expressly confine himself/herself to the precise issues submitted for arbitration and shall have no authority to determine any other issue

not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination.

- F. All expenses which may be involved in the arbitration proceedings shall be borne by the parties equally. However, the expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with such proceedings shall be borne by the party at whose request such witnesses or depositions are required.
- G. For the purpose of receiving testimony and evidence, the provisions of Section 788.06 and 788.07 of the Wisconsin Statutes shall apply. The arbitration award shall be reduced to writing and shall be subject to Sections 788.08 through and including 788.15 of the Wisconsin Statutes. All other sections and provisions of Chapter 788 are hereby expressly negated and of no force and effect in any arbitration under this Agreement.
- H. It is contemplated by the provisions of this Agreement that any arbitration award shall be issued by the arbitrator within sixty (60) calendar days after the notice of appointment unless the parties to this Agreement shall extend the period in writing by mutual consent.
- I. The arbitrator shall submit in writing his/her award to the parties.

a. Basic Plan

During the term of this Agreement, Basic Plan health insurance benefits shall be the same as the benefits provided in the 2007-2009 City/Union Agreement, except for the following changes in these benefits:

- (1) Every medical procedure that can be performed on an outpatient basis shall not be covered by these benefits when the procedure is performed on a hospital inpatient basis. Procedures that can be performed on an outpatient basis that are done on an inpatient basis in conjunction with other procedures requiring inpatient status, or any procedures performed on an inpatient basis that constitute a medically verifiable exception (as determined by the Utilization Review Contractor) to the requirement that it be performed on an outpatient basis, shall be covered.
- (2) A Utilization Review Case Management Program shall cover all elective procedures. Elective procedures subject to the UR/CM program shall include all treatments for mental health disorders and substance abuse and home health care services. The program is an independent review that assures each patient that the proposed hospitalization is necessary, based upon the medical condition of the patient, delivered in the most appropriate medical setting (inpatient or outpatient) and fair and equitably priced. Any elective procedure not submitted to the UR/CM program shall not be covered by these benefits. The UR/CM program administrator shall determine whether or not a procedure is elective. Within 48 hours of the hospital admission time for any urgent or emergency procedure performed on an employee, or his/her dependents,

the employee or adult responsible for him/her, shall be required to notify the designated UR/CM program representative of this fact by telephone in accordance with procedures established by the Employee Benefits Administrator for that purpose; provided however, that if bona fide medical circumstances applicable to the employee preclude compliance with the 48-hour notification requirement, UR/CM shall authorize a reasonable extension of this time limit consistent with such medical circumstances or the availability of an adult responsible for the employee. Following its review of an elective procedure contemplated for an employee, or his/her dependents, the UR/CM program will inform the employee of its determination in respect to approval or denial of the procedure.

- (3) The major medical deductible shall be \$100 per person, \$300 per family maximum on the Basic Plan.
- (4) Transplant Benefits
 - (a) Medically necessary human to human heart transplants shall be a covered benefit under the Basic Plan. The participant must obtain prior authorization from the Utilization Review Contractor and is subject to the terms and conditions of the Pre-Admission Review program set forth in subsection 1.a.(2) of this Article, above.
 - (b) The aggregate lifetime maximum benefit limit per participant for all organ or tissue transplant services for all covered transplant procedures is \$250,000. This aggregate lifetime maximum benefit limit applies to all benefits arising out of an organ or tissue transplant.
- (5) The existing per participant maximum aggregate allowance limitation during each calendar year on benefits providing outpatient services for alcoholism, drug abuse and nervous and mental disorders rendered in the

outpatient department of a hospital or in an Outpatient Treatment Facility or a physician's office, that are provided under the "Hospital Surgical-Medical Contract Base Coverage" part of the Basic Plan shall be two thousand dollars (\$2,000); all other provisions in respect to such benefits shall remain unchanged. Existing benefits provided under the "Major Medical Coverage" part of the Basic Plan for benefits that provide outpatient services for alcoholism, drug abuse and nervous and mental disorders rendered in the outpatient department of a hospital or in an Outpatient Treatment Facility shall remain unchanged, except the current maximum benefits provided under the "Major Medical Coverage" part of the Basic Plan for benefits for professional services for psychiatric care, including any type of nervous or mental care rendered to a participant without confinement, shall be increased from 80% of one thousand (\$1,000) dollars of charges to 80% of two thousand dollars (\$2,000) of charges.

(2) The City may offer to employees an Exclusive Provider Organization (EPO) Plan instead of or in addition to a Health Maintenance Organization (HMO) Plan. An EPO Plan offered by the City shall use a Southeastern Wisconsin network and shall only include in-network benefits. There shall be no coverage for services

obtained outside of the EPO Plan network. The benefits for employees enrolled in an EPO Plan offered by the City shall be the uniform benefits specified in the 1999-2000 City of Milwaukee's Request for Proposals from Health Maintenance Organizations. In the event that the City offers an EPO Plan instead of or in addition to an HMO Plan, any references to "Health Maintenance Organization" or "HMO" in this Agreement shall be understood to also refer to an "Exclusive Provider Organization", "EPO", or to a combination of Health Maintenance Organizations and Exclusive Provider Organizations.

- (3) Effective the first full month following the execution date of this Agreement, employees shall make the following co-payments:
- (a) An employee shall pay a \$10.00 office visit co-payment (OVCP) for all office or urgent care visits due to illness or injury, except as noted in subsections 1.b.(3)(b) and (c), hereunder.

 - (c) The OVCP shall be waived for on-going disease management office visits as determined by the plan.
 - (d) An employee shall pay a \$50.00 emergency room co-payment for each emergency room visit, except this co-payment shall be waived if admitted directly to the hospital from emergency room.

- c. Basic Dental Plan

Basic Dental Plan insurance benefits shall be the same as the benefits provided for in the DENTAL SERVICES GROUP CONTRACT FOR THE CITY OF MILWAUKEE, effective January 1, 1982, executed May 1, 1982. The dental insurance coverage for an eligible employee electing coverage under the Basic Dental Plan shall be in lieu of the coverage provided by a prepaid dental plan.
- d. Prepaid Dental Plans

Employees shall have the right to select coverage under a Prepaid Dental Plan (PDP) approved by the City in lieu of the coverage provided by the Basic Dental Plan. The benefits of the PDP Plan selected shall be as established by the provider of that PDP Plan.
- e. Provisions Applicable to All Plans:

4. **Cost of Coverage -- Dental Plan**

For calendar years 2010 and 2011, the City will contribute an amount up to \$13.00 per month for single enrollment and an amount up to \$37.50 per month for family enrollment towards meeting the subscriber cost of the dental plan. If the subscriber cost for single or family enrollment in the Dental Plan exceeds the maximum City contribution provided, the employee shall have the amount of such excess cost deducted from his/her paycheck on a monthly basis.

5. **Pro rata Credit for Half-time Employees**

The City's contribution for an eligible employee whose normal hours of work average 20 hours per week on a year-round basis in a position which is budgeted as half-time shall not exceed 50% of the maximum City contributions required under subsections 3. or 4. of this Article, above.

6. **Self-Administration Offset**

The per capita subscriber costs associated with the health or dental insurance coverage provided by each of the plans listed in subsection 1. above includes amounts allocable to the administrative costs of the carriers providing such coverage. If the City elects to self-administer the Basic Health Insurance Plan and/or the Basic Dental Plan, then

effective with the calendar month during which this election becomes effective, and so long as it continues in effect, the maximum City contributions provided in subsections 3., 4. and 5., above for employees covered by such a self-administered plan shall be reduced by an amount equal to 100% of the difference between the monthly administrative costs associated with such plan prior to the effective date it became self-administered and the monthly administrative costs associated with the plan when it is self-administered, capitated for each subscriber in the plans on the basis of single or family enrollment status. While in effect, this provision shall not increase an employee's payroll deductions required to meet the costs of his/her health/dental insurance benefits beyond the deductions that would be required under subsections 3., 4. and 5. of this Article if the provision were not in effect.

7. Non-duplication

- a. If more than one City employee is a member of the same family, as that term is defined in provisions of the Plans defined in subsection 1. of this Article, above, the coverage shall be limited to one family plan.
- b. In the event a program of health insurance is adopted by the Federal or State government and the City is required to, or elects to participate in it, benefits under the City Plan shall be coordinated with such systems but shall not operate to increase or diminish the extent of the coverage.
- c. A retiree shall be ineligible to receive the retiree health insurance benefits provided hereunder when receiving health insurance benefits from other employment or from the employment of the retiree's spouse.
- d. City health insurance cost contributions provided hereunder to a retiree shall be in lieu of any other City retiree health insurance contributions provided by ordinance, resolution or by other means, while a retiree is receiving the benefits hereunder.
- e. After any deductible is paid, the employee's share of the cost for claims made under the Major Medical co-insurance provisions shall not be less than 20%.

f. In the event an employee or eligible dependent becomes eligible for Medicare benefits prior to attaining age 65, the City will contribute an amount up to the City's maximum contribution provided in subsection 3.c., above, towards the cost of coverage for the City's Medicare Supplemental Plan.

8. Right of City to Select Carrier

It shall be the right of the City to select and, from time to time, to change any of its carriers that provide the benefits set forth in subsection 1. of this Article, above; at its sole option, the City shall have the right to provide any or all of these benefits on a self-insured basis and/or to self-administer them (in this circumstance the term "carrier" as used in this Article shall also mean self-insurer and/or self-administrator).

9. Employees on Leave of Absence, Layoff or Suspension

An employee in active service may elect to be covered by the benefits in subsections 1.a. or 1.b. of this Article, above, while on an authorized leave of absence, layoff or suspension. Individuals on an authorized leave of absence, layoff or suspension, shall pay 100% of the cost associated with their coverage. The rates for such coverage shall be determined by the City and may be adjusted from time to time. This provision shall be applicable only during the first twelve (12) months of an employee's authorized leave of absence.

10. There shall be a 270-day waiting period for pre-existing conditions for the benefits provided by the basic plan.

11. Effective Date

Except where specifically provided otherwise, the provisions of this Article shall be in force and effect beginning January 1, 2010, and ending December 31, 2011.

The term, "eight-hour work shift," as used herein, shall be defined as an amount equivalent to the employees biweekly base salary at the time of his/her retirement, as his/her biweekly base salary is defined and determined under the BASE SALARY provision of this Agreement, divided by ten.
2. Employees shall be eligible to receive this benefit only once during their lifetime.
3. Payments made under the provisions of this Article shall not be construed as being part of the employees' base salary and shall not be included in the computation of any fringe benefits enumerated in this Agreement.
4. Any payment made under the provisions of this Article shall not have any sum deducted for pension benefits nor shall such payments be included in any computation establishing pension benefits or payments.
5. Administration and control of the provisions of this Article shall be under the Chief Engineer, Fire.

SICK LEAVE

1. Definition: "Sick Leave" shall mean all necessary absence from duty because of illness, bodily injury, exclusion from employment because of exposure to contagious disease.
2. Eligibility to use sick leave with pay shall begin after completion of six months' active service, but sick leave credit shall be earned from date of appointment.
3. Full-Time employees shall earn sick leave with pay at the rate of one and one-quarter (1.25) working days for each month of active service or 4.6 working hours for each two (2) weeks of active service. Sick leave with pay earned by employees shall be credited to their sick leave accounts. Employees may utilize sick leave with pay credited to their accounts during periods of sick leave for the period of time they would have worked in accordance with the regularly scheduled hours of work as established under the HOURS OF WORK provision of this Agreement.
4. Regardless of the sick leave credit earned, the maximum amount of sick leave with pay which employees may utilize from their accounts for any one period of continuous sick leave shall not exceed 365 calendar days. Interruption of such period of sick leave shall only be considered if the employee resumes his/her regular duty.
5. Sick leave allowance which accumulates up to 120 working days shall be credited to an employee's "normal sick leave account" from which sick leave shall be granted with full pay. An employee who was in active service on January 1, 1985, shall retain the days earned to that date in an "old sick leave account" and accumulate sick leave from that date in a "normal sick leave account" as provided in 5. and 6. of this Article. An employee transferred into a position covered by this Agreement from another position in the Fire Department shall retain his/her sick leave earned until the date of transfer into a position covered by this Agreement in an "old sick leave account" and accumulate sick leave while in such position in accordance with the provisions in 5. and 6. of this Article.

6. Sick leave shall be charged first to the "normal sick leave account" and next to the "old sick leave account." When the balance in the "normal sick leave account" falls below 120 working days, additional days of unused sick leave shall be accumulated in the "normal sick leave account" until the balance again reaches 120 working days.
7. Effective upon implementation of a Long Term Disability Program, the maximum sick leave accrual for all employees shall be capped at 960 hours (120 work days).
8. As a condition of eligibility for receipt of sick leave benefits, employees must comply with the following requirements:
 - a. Employees requesting a sick leave must notify their immediate supervisor directly between 7:15 and 7:30 a.m. on the day of the shift for which they are requesting sick leave. Such notice must include the nature of the disability.
 - b. Employees shall be required to submit acceptable medical substantiation from a private physician or dentist for each instance of sick leave exceeding three (3) work days; under this circumstance, the City shall not be responsible for the payment of any fee charged by the physician or dentist.
 - c. An employee may be required by his/her supervisor to provide acceptable medical substantiation from a private physician or dentist for each absence, regardless of duration, if the employee's supervisor is informed or believes that the employee is misusing sick leave; under such circumstances, the City shall not be responsible for the payment of any fee charged by the physician or dentist.
 - d. Employees on sick leave shall not leave their residence on any scheduled on-duty date during such leave. If employees are required to leave their residences to visit a personal physician or Department physician or for any other justifiable reason, they shall notify or arrange to notify their immediate superior of their actual whereabouts prior to their leaving.
 - e. The Chief Engineer, Fire, reserves the right to order a Department representative or physician to investigate any case at any time and to further order appropriate treatment on the advice of the Department physician. The Department physician

has the authority to order an employee on sick leave to return to duty.

- f. An employee who is on sick leave as of Friday of one week and who has not returned to duty by the following Tuesday, shall report to the Headquarters Building at a time designated by the Chief Engineer, Fire, for the duration of such sick leave. If such employee is not ambulatory, has a conflicting medical appointment elsewhere at that time or is hospitalized, such employee shall telephone the Assistant Chief or Department Secretary to inform him/her of his/her condition.
 - g. Employees are not permitted to engage in any off-duty employment while on sick leave.
9. When acceptable medical substantiation from an employee's private physician or dentist is required, the failure of the employee to comply with this requirement shall permit the City to deny that employee the sick leave benefits provided hereunder until he/she is in compliance with such requirement.
10. Administration and control of sick leave benefits shall be under the Chief Engineer, Fire, who shall establish and maintain such rules and procedures that he deems necessary for this purpose.
11. Sick Leave Control Incentive Program
- a. The Sick Leave Control Incentive Program shall be in effect beginning Trimester 1, 2010, and ending at the end of Trimester 3, 2011. Nothing herein shall be construed as requiring the City to continue the program for time periods after Trimester 3, 2011.
 - b. The trimester periods for each calendar year are defined as follows:
 - Trimester 1 - Pay Period 1-9
 - Trimester 2 - Pay Period 10-18
 - Trimester 3 - Pay Period 19-26 or Pay Period 19-27, whichever is appropriate.
 - c. An employee shall be eligible for a trimester sick leave incentive benefit only if:

- (1) During the term of the trimester, the employee did not use any sick leave, did not receive injury pay (except in cases when the employee suffered a verifiable lost-time work related injury and returned to work for his/her next regularly scheduled work shift following the occurrence of the injury), was not on an unpaid leave of absence and was not suspended from duty for disciplinary reasons; and
 - (2) The employee was in active service for the full term of the trimester; and
 - (3) At the end of the trimester, the employee had an amount of earned and unused sick leave credit in his/her sick leave account of 12 days.
- d. In a trimester period set forth in subsection 10.a. and b., above, that an employee is eligible for a sick leave control incentive payment, he/she shall be entitled to receive the equivalent of one day's pay or one day off with pay. Within seven (7) calendar days from the date the employee receives notice that he/she is eligible for the sick leave incentive, the employee shall notify his/her supervisor whether the incentive will be taken in cash or compensatory time off. The incentive payment shall not have any sum deducted for pension benefits nor shall such payments be included in determining pension benefits or other fringe benefits. The cash shall be paid to the employee as soon as it is administratively practicable. An employee who elects a compensatory time off shall schedule the day off in accordance with the following provisions:

An employee receiving a special incentive leave shall earn one eight-hour day off with pay. Such day off with pay earned in Trimester 1 or 2 must be used by the employee in the remainder of the fiscal year. A day off with pay earned in Trimester 3 may be used any time in the following fiscal year. An employee may use such day off with pay on a date he/she has requested provided the employee gives his/her supervisor reasonable advance notice of the date requested and the date is determined available by the supervisor in accordance with the needs of the Department. The

processing of employee requests for time off earned under the sick leave incentive control program shall be on a first-come, first-served basis. Decisions by the employee's supervisor with respect to the availability of the date the employee has requested shall be final. For purposes of this Article, fiscal year shall be defined as Pay Periods 1 through 26 or 27, whichever is appropriate.

ARTICLE 19

INJURY PAY

Effective as soon as administratively practicable after the execution date of the 1997-1999 City/Union Agreement, injury pay shall be as described below. Prior to that date injury pay benefits shall be as stated in Article 19, Injury Pay, of the 1995-1996 City/Union Agreement.

1. When employees covered by this Agreement sustain injuries within the scope of their employment for which they are entitled to receive worker's compensation temporary disability benefits, as provided by Chapter 102 of the Wisconsin Statutes (Worker's Compensation Act), they may receive 80% of their base salary as "injury pay" instead of such worker's compensation benefits for the period of time they may be temporarily totally or temporarily partially disabled because of such injuries. Such injury pay shall not be granted for more than 365 calendar days for any one compensable injury or recurrence thereof. For an employee receiving eighty hours of injury pay in a pay period, the amount of injury pay shall be the net pay such employee would have received had he or she been working during such pay period, but not more than 80% of his or her base salary nor less than the minimum amount required by the Worker's Compensation Act. For purposes of this article, "net pay" is the employee's base salary minus the following, as determined by the City: (1) FICA withholding, (2) Medicare withholding and (3) the federal and state income tax withholding as prescribed by law for the pay period immediately prior to the pay period for which he or she is determined to be eligible for injury pay. For an employee receiving less than eighty hours of injury pay in a pay period, the injury pay shall be 80% of his or her base salary.
2. In providing injury pay as indicated in 1., above, the employee agrees to allow the City to make the applicable payroll adjustment to his or her biweekly paycheck and agrees to make no subsequent claim for said amount whatsoever. Such deduction shall be administered so as not to reduce employee pension benefits. For purposes of interpretation of the provisions of this Article, the term base salary as used herein shall

mean the employee's base salary pay rate in effect during the pay period he or she is receiving injury pay.

3. After "injury pay" benefits have been exhausted, employees shall have the option of accepting sick leave benefits or accepting Worker's Compensation temporary disability benefits. This option, which shall be in writing, may be terminated without prejudice to temporary total, or temporary partial, disability benefits under the Worker's Compensation Act thereafter, but such termination shall not be retroactive and any sick leave already used at the time of such termination of option shall not be restored to the employee.
4. Questions involving eligibility for injury pay shall be determined under the applicable law and the substantive and procedural rules of the Department of Industry, Labor and Human relations relative to Worker's Compensation and in the event of a dispute between the City and the employee relative to such eligibility, the Department of Industry, Labor and Human Relations and the courts upon the statutorily prescribed review thereof shall be the sole and final arbiters of such dispute.
5. As a condition of eligibility for receipt of such injury leave benefits, employees must comply with the following requirements:
 - a. Employees requesting injury leave must notify their immediate supervisor directly and no later than one hour before their shift begins. Such notice must include the nature of the disability. Employees returning from injury leave must notify their immediate supervisor directly and no later than one hour before their shift begins.
 - b. Employees shall be required to submit acceptable medical substantiation from a private physician or dentist for each instance of injury leave exceeding two (2) work days; under this circumstance, the City shall not be responsible for the payment of any fee charged by the physician or dentist.
 - c. An employee may be required by his or her Supervisor to provide acceptable medical substantiation from a private physician or dentist for each absence,

- regardless of duration, if the employee's supervisor is informed or believes that the employee is misusing injury leave; under such circumstances, the City shall not be responsible for the payment of any fee charged by the physician or dentist.
- d. Employees on injury leave shall not leave their residence on any scheduled On-Duty date during such leave. If employees are required to leave their residences to visit a personal physician or a Department physician or for any other justifiable reason, they shall notify or arrange to notify their immediate superior of their actual whereabouts prior to their leaving.
 - e. The Chief Engineer, Fire, reserves the right to order a Department representative or physician to investigate any case at any time and to further order appropriate treatment on the advice of the Department physician. The Department physician has the authority to order an employee on injury leave to return to duty.
 - f. An employee who is on injury leave as of Friday of one week and who has not returned to duty by the following Tuesday, shall report to the Headquarters Building on each Tuesday which is a normally scheduled On-Duty day, at the time designated by the Chief Engineer, Fire, for the duration of such injury leave. If such employee is not ambulatory, has a conflicting medical appointment elsewhere at that time or is hospitalized, such employee shall telephone the Assistant Chief or Department Secretary to inform of his/her condition.
 - g. Employees are not permitted to engage in any off-duty employment while on injury leave.
6. If the Internal Revenue Service (IRS) determines that the injury pay benefits provided hereunder are taxable as wages, then beginning with the effective date of such determination, the City will no longer require the applicable employee deductions from injury pay benefits provided for in subsections 1 and 2 of this Article, above.
 7. In all third-party claims or actions, the City shall not be limited in its recovery to the amount of temporary disability benefits which would otherwise have been payable under the Worker's Compensation Act, but shall instead be entitled to recover the amount of

injury pay received by the employee.

8. Administration and control of the provisions of this Article shall be under the Chief Engineer, Fire, who shall establish and maintain such rules and procedures that he deems necessary for this purpose.
9. An employee who has not successfully completed his/her initial probationary period with the City shall not be entitled to Injury Pay.

ARTICLE 20

VACATIONS

1. Definitions

The following definitions shall be used solely for the purpose of computing the current and prospective vacation benefits:

- a. **Anniversary Date:** The date an employee completes twelve (12) months of active service following appointment to the City of Milwaukee as a regular employee. After the completion of the first twelve (12) months of active service an employee's vacation anniversary date shall not change.
- b. **Active Service:** The time spent as a regular employee on the City of Milwaukee payroll including the performance of assigned duties for the City and paid time not worked. In order for paid time to count as active service for vacation purposes, such time, together with any authorized unpaid leaves of absence must be continuous from the date of appointment. Active service shall also include the time spent by an employee who takes a military leave. In the event of an employee's resignation, discharge or retirement from City employment, active service shall cease as of the employee's last day at work.
- c. **Years of Service:** The duration of time in active service.

2. Eligibility for vacation shall begin after the completion of twelve (12) months of active service following appointment. An employee whose service is expected to continue so as to complete a year's active service may, after six months of service and at the sole discretion of the Chief Engineer, Fire, be allowed to take vacation time within the year of appointment. However, if the employee leaves the service of the City before the completion of the initial 12-month period, that vacation shall be deemed unearned and payments made during the vacation shall be deducted upon termination of employment.

3. Employees shall earn vacation/personal days in the following manner:

- a. 3.7 hours per pay period for employees who have completed less than 4

- years' active service;
 - b. 5.3 hours per pay period for employees who have completed at least 4 but less than 9 years of active service;
 - c. 6.8 hours per pay period for employees who have completed at least 9 but less than 14 years of active service;
 - d. 8.4 hours per pay period for employees who have at least 14 but less than 21 years of active service;
 - e. 9.9 hours per pay period for employees who have completed at least 21 years of active service.
4. An employee on the payroll for at least eighty (80) hours in a pay period shall be allowed to accumulate vacation time at the rates specified in paragraph 6, above. An employee on the payroll less than eighty (80) hours in a pay period will earn vacation on a pro-rata basis. Hours on the payroll in excess of eighty (80) in a pay period shall not count toward vacation accrual.
5. The maximum amount of vacation an employee can maintain in his/her vacation account shall be as follows:
- a. 136 hours for employees who have completed less than 4 years of active service.
 - b. 176 hours for employees who have completed 4 years of active service but less than 9 years of active service.
 - c. 216 hours for employees who have completed 9 years of active service, but less than 14 years of active service.
 - d. 256 hours for employees who have completed 14 years of active service but less than 21 years of active service.
 - e. 296 hours for employees who have completed 21 years of active service.
6. Vacation time taken before the full amount has been earned shall be considered time owed the City until it is earned. Any employee who leaves the service of the City due to resignation, retirement, termination, discharge, layoff or death will have the

compensation for vacation time owed the City deducted from his/her final paycheck. In the event the employee's last pay check is for an amount less than the amount of compensation owed the City, a deduction shall also be made from the employee's next preceding pay check that covers the balance of compensation owed the City. Any employee who leaves the service of the City due to resignation, retirement, layoff or death or who takes military leave will be paid for earned vacation time that has accumulated. If an employee returns to duty prior to his/her next following anniversary date, any vacation time earned and taken hereunder shall be offset against the employee's earned vacation time for the calendar year in which that anniversary date falls. Discharged employees are not entitled to pay for accumulated vacation time.

7. An employee who works an average of 20 hours per week on a year-round basis in a position which is budgeted as halftime or more shall be eligible to earn, according to their years of service as provided above, vacation on a pro-rated basis.
8. The City shall make every reasonable effort to avoid changes in an employee's schedule of hours of work which would require an employee to work during a previously scheduled vacation period of five (5) days or more in duration.
9. The vacation time benefits computed under the provisions of this Article shall be the full and only vacation benefits that an employee covered by this Agreement shall be entitled to during calendar years 2010 and 2011.
10. Administration and control of the provisions of this Article, including the assignment and scheduling of vacation time, shall be under the Fire Chief.

3. The provisions of Subsections 1 and 2 of this Article shall not in any way abridge the City's right to schedule employees to work on aforesaid holidays.

4. Except as provided in Subsection 5 below, employees covered by this Agreement who perform work on any of the holidays listed in Subsection 1 of this Article shall receive an amount of paid time off equivalent to the amount of work performed on such holidays, provided that such amount of paid time off shall not exceed 8 hours for each such holiday worked. All such time off scheduled in the next calendar year shall count towards the maximum holiday hours of the calendar year in which it was earned.
8. Administration and control of the provisions of this Article shall be under the Fire Chief.

Such deduction shall be administered so as not to reduce employee pension benefits.

An employee who is a member of the Reserve or National Guard component of the Armed Forces of the United States and is ordered to an initial period of active duty for training of not less than three consecutive months shall make application for re-employment within 31 days after: (i) such employee's release from active duty from training after satisfactory service, or (ii) such employee's discharge from hospitalization incident to such active duty for training or one year after such employee's scheduled release from such training, whichever is earlier.
