- \$100 fee (check made payable to "City Treasurer").
Completed Application Form.
Autobiography or statement regarding the person, place, or event being honored.

Signature [Signature] Date 2/15/2018
Printed Name Andre' Carter

RE: Honorary Street Name Sign Application
Att: Mr. Ashanti Hamilton, *Alderman*
Milwaukee Common Council

Dear Mr. Ashanti Hamilton,

The purpose of this letter is designed to request permission to add CCA Campus to 35th street, from the boundaries between Villard and Rohr Streets. Dr. James and Andre Carter are the owners of Carter's Christian Academy, which is located at: 5268 N. 35th Street, Milwaukee, Wisconsin. The Carter's have been pillars of the Milwaukee community. As leaders, they are lauded in many circles as, entrepreneurs and trendsetters in the field of education. Their visionary leadership has an inspiring and inclusive leadership style, with strong emphasis on advocating and empowering our youth today, thus preparing them for future leadership positions in a global society tomorrow.

The Carter's have invested a lifetime commitment to making a difference in the lives of residents in zip codes; 53206 and 53209. Those investments include: Carter's Christian Academy Schools (CCA) site 1 and 2, Carter's International Academy, Carter's Christian Child Care Service, and the Trees of Righteousness International Church. An explanation of these community investments are listed below.

For the past twenty plus years, CCA served as many as 400 students daily, by providing a quality education. Many of these scholars **will be** first generation high school and/or college graduates. CCA faith-base curriculum reinforces positive value systems that are built and established on solid academic standards. This is apparently seen daily through lesson plans that are; life connecting, stimulating and relevant that empowers positive learning experience. Our goal at CCA is to train, teach and empower our youth to become astute leaders for the future. That commitment to academia is found in the words of our schools' mission statement. "*Carter's strive to see wisdom being developed as well as instilling in each child a love for God, learning and knowledge, using a strong Biblical foundation to assist them in developing Christian Characters that will enable them to handle the rigors of life with COURAGE!*"

Under Carter's directions, several socially refining entities have been incorporated here at CCA. These social entities further enhance and promote positive infrastructure and personal growth. These entities include; The Butterfly Club for teenage girls, Rites of Passage for boys, Thanksgiving Dinners, Christmas Baskets, Mad Hot Tap (the only choice school that participated in this event) sponsored by the Bradley Center, Inc., City-Wide Martin Luther King Writing-having received a Merit Award, City-wide Spelling Bees, Math Master Competitions, School Art Exhibits, Science Fairs, STEM, Robotics, and other social venues. Moreover, Dr. James and Andre Carter, were recognized as first participants in the Chaplaincy Program through the Salvation Army, and bestowed the honor of being in its first graduation class.

On a personal note, the Carter's have been recognized for their many contributions as servant leaders. This further demonstrates their humanitarian spirit extends far beyond the parameter of Milwaukee, but it is worldwide. Just to name a few of their commendations and awards;

They are recipients of the Presidents' Lifetime Achievement Award for their lifelong commitment to building a stronger nation through volunteer service.

There were appointed Ambassadors to United Nations an at large and other Intergovernmental body which gives the authority to appoint, promote, and honor individuals who have deployed their expertise for the advancement and blessing of Humanity.

They were recipients and awarded by the National Association for the Education of Young children, for recognizing criteria for high equality early childhood programs for 25 years.

Lastly, Dr. Carter is a Certified Speaker and Coach for the well-known author, John C. Maxwell.

As servant leaders, the Carters are also co-pastors of the Trees of Righteousness International Church, where they have demonstrated an unwavering passion committed to making a difference in the lives of their parishioners. This thriving spirit of excellence is exhibiting though numerous genres of Counseling Services as well as Community Advocacy. Indeed the Carter's are not novice, but stellar examples that personify righteousness, bearing the true spirit of servitude, selflessness and excellence!

The word "Excellence" is always synonymous with words such as, superior, excel, profound and powerful. What makes a person with the "spirit of excellence" so powerful is that, they have the capacity to face the unknown with confidence. Furthermore, they are able to connect to something that is larger than them. Charles Kendall Adams states, "*No one ever attains very eminent success by simply doing what is required of him; it is the amount and excellence of what is over and above the required that determines the greatness of ultimate distinction.*"

Therefore, let it be loudly affirmed, Dr. James and Andre Carter personify the spirit of excellence. It would be an honor for Dr. James and Andre Carter to be recognized for a CCA Campus at; 5200 block of 35th Street, the boundaries between Villard and Rohr Streets.

Carter's Christian Academy Incorporation (CCA) was established and founded in August of 2004 by Dr. James and Dr. Andre' Carter. They have a commitment to excellence in education and community service. CCA is an interdenominational Christian school serving North Milwaukee and surrounding communities. The school began with fifteen K4 and K5 students, and now offers classes for approximately 400 students from K4 through 10th grade. CCA has (3) three locations; Site 1 at 5268 N35th Street, Site 2 at 2004 N 33rd Street and Site 3 at 8864 North 76th Place. Carter's Christian Academy would not exist without their diverse and distinguished group of scholars, who help make the school a notable and respected part of the Milwaukee community.

Carter's Christian Academy is a non-profit (5013C) school that is accredited through AdvancED. CCA offers a diverse, positive and nurturing climate to all students. We serve some of the most delightful, motivated, gifted and challenged children from various ethnic backgrounds. A major part of our vision is to ensure that students have an opportunity to create lasting memories through quality learning experiences. We have partnered with The Robotics Program through UW Extension, Stem101 program theatergram through Concordia University, Ballroom dancing through Mad Hot program, Pearls for Girls Etiquette Program, SDC Job Readiness Project as well as implementing an expanding technology program. We have partnered with a licensed therapist who comes in weekly to listen and interact with students who are facing traumatic situations in their homes and lives. Presently, we are focused on being a data driven educational facility that uses the data collected to assist in meeting the academic needs of the students and families. Being a data driven school, has provided us with ability to

communicate with parents and students regarding academic grades, daily performance while offering support and strategies to help students improve. Data analysis is one of the things that distinguishes Carter Christian Academy School from other schools.

Our students and staff are a community of learners who work together as a team to make sure that the vision of CCA is realized in the life of the student population, parental body and staff. Our goal is that every teacher and child at Carter's is enriched by just being part of our school. Developing a sense of community begins each morning as the children enter the building and start their day of learning with prayer and a uplifting assembly. Many of our students utilize the resources of the Milwaukee Library located on the corner of 35th Street on a consistent basis. We also collaborate with them and schedule times for our classes to attend and enjoy adventures in learning and research projects.

Although the instructional state standards are quite demanding, CCA has continued to grow and maintain an educational facility where children can receive a quality holistic education. Choice school are consistently under strenuous Department of Public Instruction (DPI) demands and guidelines that must be met for continued operation. It is through our faith in God and untiring labor we have been able to improve student performance. Carter's Christian Academy is swiftly developing into an innovative international school that offers an education that prepares students for life, builds families and provides them with the tools needed to be outstanding members of our society, community and world.

Our future looks bright and our plans for the upcoming school years (2018-2019) include moving to our new building located directly across from the first site; 5249 N. 35th Street. We are also officially opening Carter's Christian Wellness Center located directly next door at 5246

N. 35th Street. The vision of a CCA Campus is rapidly becoming a reality and we endeavor to build our community as well as the lives of our students. CCA is a perfect example of children from different walks of life growing together, learning together, working together while accepting and embracing people from all economic backgrounds and cultures.

Chaplaincy Program

MR. CARTER

MRS. CARTER

The Salvation Army is committed to provide emotional and spiritual care/support to those that have been affected by an incident where the Milwaukee Police Department determines the need. Situations happen that challenge individuals, families and communities that require care and support. For these reasons, The Salvation Army Chaplaincy Program (TSACP) was developed. Citizens, police officers and members of all beliefs working together to build relationships with people to foster safe neighborhoods.

President Barack Obama

2016

Awarded

THE WHITE HOUSE

WASHINGTON

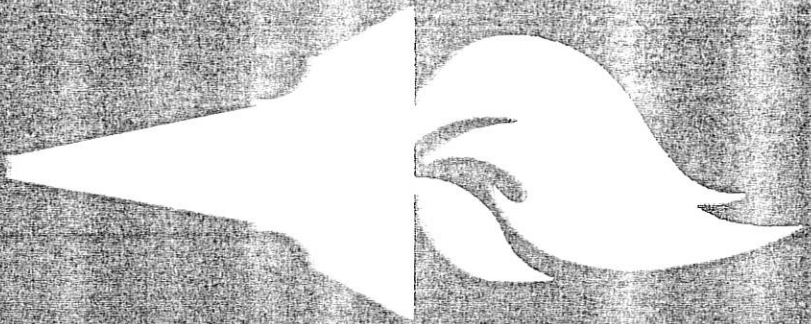

Congratulations on receiving the President's Volunteer Service Award, and thank you for helping to address the most pressing needs in your community and our country.

In my Inaugural Address, I stated that we need a new era of responsibility—a recognition on the part of every American that we have duties to ourselves, our Nation, and the world. These are duties that we do not grudgingly accept, but rather seize gladly, firm in the knowledge that there is nothing so satisfying to the spirit than giving our all to a difficult task. Your volunteer service demonstrates the kind of commitment to your community that moves America a step closer to its great promise.

Our Nation faces the most challenging economic crisis in a lifetime. We will only renew America if we all work together. Individuals, the private sector, and government must combine efforts to make real and lasting change so that each person has the opportunity to fulfill his or her potential.

While government can open more opportunities for us to serve our communities, it is up to each of us to seize those opportunities. Thank you for your devotion to service and for doing all you can to shape a better tomorrow for our great Nation.
