RE: Audit of Department of Public Works Parking Structure Cash Controls

Dear Mr. Matson:

The Department of Public Works (DPW) would like to thank the auditors of the Comptroller's office for conducting a thorough, professional study of cash controls at the City's four public parking garages. In response to meetings between your staff, DPW staff and the City's parking management vendor, ImPark, DPW has undertaken changes to ameliorate the concerns expressed by the auditors.

All audit recommendations were discussed with the Comptroller's Office, agreed to and implemented by April 1, 2014. In response to recommendation number four, documentation from the vendor has been forwarded to the audit staff earlier today.

Very truly yours,

Ghassan Korban
Commissioner of Public Works
