To the Public Works Committee

Subject: Common Council Resolution File Number 090130

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 090130, granting a special privilege to Priya Corporation to construct and maintain a monitoring well for the premises at 1233 West Layton Avenue.

The applicant, under the direction of the Wisconsin Department of Natural Resources, is conducting an environmental remediation of its property at 1233 West Layton Avenue. As part of the environmental remediation, that applicant is requesting permission to install and maintain a monitoring well in the median of West Layton Avenue in order to determine the extent of any contamination that may be located within the public right-of-way. The monitoring well, which has been installed, is flush with the surrounding grass.

We are not aware that the presence of said monitoring well will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said monitoring well to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
