

November 28, 2006

To The Honorable, the Common Council

Subject: Shut down and Cover Traffic Control Signal
West Keefe Avenue (Vacated) and
North 27th Street

Dear Council Members:

Following the cessation of most activities at the Tower Automotive facility on North 27th Street, the traffic control signal at the intersection of West Keefe Avenue (Vacated) and North 27th Street is no longer warranted. The continued operation of the traffic control signal results in a waste of electrical energy, fuel, and maintenance personnel hours, and causes unnecessary delay for pedestrians and vehicles.

We have, therefore, prepared the attached resolution authorizing the Commissioner of Public Works to direct the shut down and covering of the traffic control signal at West Keefe Avenue (Vacated) and North 27th Street.

Respectfully submitted,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
