Good evening,

I have a complaint with the 12step club over the weekend the same 12step member who drives a hunter green four door suv truck sat outside the 12step for 20-30min playing music loud. Leaving and coming back up to the 12step to sell members cigarettes and when he is waiting on them he sits and let his music play. I have called the police more then once about this individual and it's still the same on going stuff. There's been no real set times with either rather it's meetings or events.

Good morning,

I'm a resident of street and I have somethings I would like express about the 12step club located at 4102 w. Townsend ave. One of the first things is theirs been members especially since it's been getting warm. There's members yelling down the street holding literally whole conversation, members are parking on the Grass on the side of the 12 step garage, food is definitely being sold, members who drive commercial vehicles are blocking the alley and putting hazard lights on a way of saying I'll be back. Loitering outside in groups and sitting outside with obnoxious loud music. I watch a member replay a song literally 4 times chilling outside in his car before walking into the 12step.
