Accident

Description of Incident:

On 2.11.2025, it was 5:45am I noticed a parking enforcer sitting outside my car and I went outside to see what was wrong because I noticed the parking enforcer @ 5:25am. When I walked outside the parking enforcer left and I walked toward my car and that's when I noticed my car had been damaged. This was at 5:50am. I stopped another plow-truck driver and showed the driver my damages and she reported the incident to the supervisor that was on-call and gave me the city number to report the accident from the point. I did a report online and the app.

THANK YOU
