CITY OF MILWAUKEE  
13 NOV 27 PM 4:29  
CITY CLERK'S OFFICE

I am appealing the decision of the denial due to the flooding of my basement had been no fault of mine. It was said that the city does have a regular cleaning schedule but on the particular day in October when my basement flooded I contacted the city of Milwaukee three times before the problem was fixed. I personally called my plumber out four different times that week in which I we found that there was no problem of our own. On the first call in which the city came out they representative from the city came to my door and advised me that the problem had been fixed in which at that time I went into my basement and notice that the water was starting to fill even more than before. The water included sewage, feces, dirt and just filth. I ran outside and advised the city representative my basement was started to flood even more he advised me that they unclogged the wrong drain. They followed up by unclogging a new drain in which that drain was wrong as well, now my basement was ruined. It took a third call and my plumber coming out again to inform me that the drains were still clogged and it was no problem of mine but the city's for it to be resolved in the mean time I had just been released from the hospital I had a new infant and my house smelled of dangerous fumes. My basement flooding was no fault of mine and the city had a chance to correct it and made it worst before it got better. In that time I and all five of my children's belongings were ruined including furniture, clothes, refrigerators, shoe, and a lot of more of things. I am a single parent and it took me years to acquire my belongings now I and my children are without and everything is completely ruined. For these reasons I need a reconsideration and very prompt attention to this matter. My children and I have nothing not even coats, I have no clothes to wear to work this is just not ok.

To file a claim against the City a claimant must comply with Section 893.80(1), Wis. Stats., a copy of which is printed at the bottom of this instruction sheet. Generally the statute requires the claimant to submit to the City Clerk:

1. A document stating the circumstances of the claim which must be signed by the claimant, or his/her agent or attorney. This document should be filed within 120 days of the event.
2. A document stating the address of the claimant and a statement of the relief sought. If money damages are sought, a specific sum must be stated.

*(The above information may be combined in a single document.)*

The following information should also be submitted to allow the City to promptly act on your claim:

1. Proof of the amount of the claim by means of either itemized receipts or two itemized estimates.
2. A phone number where the claimant can be reached during business hours as well as the claimant's e-mail address, if any.
3. As detailed a description of the incident as possible, including the date, time and place.

All information should be submitted to:

**City Clerk**  
**ATTN: CLAIMS**  
**200 E. Wells St., Room 205**  
**Milwaukee, WI 53202-3567**

### ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

(1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employee of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
