The term of this Lease shall be extended automatically for one (1) additional five (5)-year period (the "Extended Term") under the same terms and conditions unless either party shall deliver to the other party a written notice of termination within one hundred eighty (180) days prior to expiration of the Initial Term. 3. Use of the Property. Tenant shall use the Property for the handling and storage of shipping containers, chassis and related equipment, and for the operation of a container loading and unloading facility. The Property may also be used for storing, packaging and delivery of non-hazardous dry commodities. B) Property to be Vacated Clear of all Materials. Tenant shall vacate the Property free and clear of all materials and equipment and of all improvements in accordance with Paragraph 14. In the event that Tenant fails to vacate the Property in the prescribed state of clearance, as determined by City, after ten (10) days' written notice to Tenant, City shall have the option to have such clearance and clean-up conducted as in its reasonable judgment is necessary in order to bring the Property to the prescribed state of clearance and to assess the costs of such action against Tenant.

6. Default. The occurrence of one or more of the following events shall be considered events of default under the terms of this Lease:

A) Tenant shall be adjudged a bankrupt, or a decree or order, approving as properly filed, a petition or answer asking reorganization of Tenant under Federal Bankruptcy Laws as now or hereafter amended, or under the laws of this State, shall be entered, and any such decree, judgment or order shall not have been vacated, stayed or set aside within sixty (60) days from the date of the entry or granting thereof; or

If default shall be made in any covenants, agreements, conditions or undertakings herein contained, to be observed and performed by Tenant, which cannot with due diligence be cured within a period of ten (10) days, and if notice thereof in writing shall have been given to Tenant, and if Tenant prior to the expiration of said ten (10) days from and after the giving of such notice, commences to eliminate the cause of such default and proceeds diligently and with dispatch to take all steps and do all work required to cure such default and thereafter does so cure such default, then City shall not have the right to declare the term of the Lease as ended; however, that the curing of any default in such manner shall not be construed to limit or restrict the right of City to declare this Lease ended and terminated, and to enforce all of City's rights and remedies hereunder for any other default not so cured.

9. Assignment and Subleasing. Tenant shall not assign or sublet the Property or any portion thereof, nor allow the same to be used or occupied by any other person or for any other use than herein specified, without the prior written consent of City. For purposes of this Paragraph, the transfer of any majority interest in any corporation or partnership shall be deemed to be an assignment of this Lease. In the event City consents to any sublease or assignment, the same shall not constitute a release of Tenant from the full performance of Tenant's obligations under this Lease. Further, in the event of any such sublease or assignment, Tenant shall reimburse City for all reasonable attorneys' fees in connection with reviewing and/or drafting any appropriate documents to effect such transfer of Tenant's interests. Further, Tenant shall pay to City as Additional Rent under this Lease, 50% of any profit, rental or other compensation received in excess of the rental specified in Paragraph 2 of this Lease by Tenant as a consequence of any assignment or sublease hereunder.

Upon written demand, Tenant shall provide City full, complete and accurate copies of the insurance policies required by this Lease. Once in every three (3)-

year period during the term of this Lease, City shall review the extent and limits of the insurance coverage required herein. After said review, should City determine an increase in the extent and/or limits of insurance coverage is required, Tenant shall be so notified in writing and Tenant shall cause such increases to be placed in effect within thirty (30) days of receiving such notice. Tenant shall furnish, upon City's request, plans, specifications, drawings and/or renderings of any proposed alterations, additions, buildings or improvements.

On or before the date of the expiration or earlier termination of this Lease, Tenant shall remove all trade fixtures and any other alterations, additions, buildings or improvements installed by Tenant within the Premises; and, upon such removal, Tenant shall restore the Premises to a condition substantially similar to that condition when received by Tenant. However, notwithstanding the aforesaid, upon City's written election, such alterations, additions, buildings and improvements shall revert to City and shall remain within the Property. In no event shall City

have any right to any of Tenant's trade fixtures; and, except as otherwise set forth in this Lease, Tenant may remove such trade fixtures upon the termination of this Lease, provided Tenant repairs any damage caused by such removal.

14. Destruction. If the Property are damaged in whole or in part by casualty so as to render the Property untenable, and if the damages cannot be repaired within one hundred eighty (180) days from the date of said casualty, this Lease shall terminate as of the date of such casualty. If the damages can be repaired within said one hundred eighty (180) days, and City does not elect within sixty (60) days after the date of such casualty to repair same, then either party may terminate this Lease by written notice served upon the other. In the event of any such termination, the parties shall have no further obligations to the other, except for those obligations accrued through the effective date of such termination; and, upon such termination, Tenant shall immediately surrender possession of the Property to City. Should City elect to make such repairs, this Lease shall remain in full force and effect, and City shall proceed with all due diligence to repair and restore the Property to a condition substantially similar to that condition which existed prior to such casualty. In the event the repair and restoration of the Property extends beyond one hundred eighty (180) days after the date of such casualty due to causes beyond the control of City, this Lease shall remain in full force and effect, and City shall not be liable therefor; but City shall continue to complete such repairs and restoration with all due diligence. 17. Environmental Compliance and Obligations.

A) Compliance with Environmental Regulations. Tenant shall fully comply with all statutes, regulations, or other applicable requirements imposed by any federal, state, or municipal agency with respect to the environmental condition of the Property and/or with respect to any activities or operations that Tenant may conduct upon the Property (hereinafter referred to as "Environmental Requirements"). or invitees, or any other person without the prior written consent of the City. Any request by Tenant for such consent by the City shall be in writing and shall demonstrate to the reasonable satisfaction of the City that such "hazardous material" or "hazardous substances" is necessary to the conduct of the business of Tenant and will be stored, used, and disposed of in a manner that complies with all applicable Environmental Requirements. Any such investigation and/or remediation shall be performed by and under the direction of a qualified environmental consulting or engineering firm approved by City in advance of the commencement of the work. Tenant agrees to allow entry upon the Property by the City, or agents, contractors or employees of the City for purposes of conducting environmental audits and/or other tests for the purpose of determining the impact of Tenant's presence and/or activities or operations upon or with respect to the Property upon the environmental condition thereof. In the event that Tenant performs any such environmental audit and/or test on its own behalf, it shall promptly provide to the City full and complete copies of any results and/or reports that are generated in connection with the above activities.

D) Survival of Obligations. Tenant's obligations with respect to the environmental condition of the Property (as more fully set forth in subparagraphs (A) through (C) above) shall survive the expiration or termination of this Lease.

18. Liens. Tenant shall not mortgage or otherwise encumber or allow to be encumbered its interest herein without obtaining the prior written consent of City. Should Tenant cause any

mortgage, lien or other encumbrance (hereinafter singularly or collectively referred to as “Encumbrance”) to be filed, against the Property, Tenant shall dismiss or bond against same within fifteen (15) days after the filing thereof. If Tenant fails to remove said Encumbrance within said fifteen (15) days, City shall have the absolute right to remove said Encumbrance by whatever measures City shall deem convenient including, without limitation, payment of such Encumbrance, in which event Tenant shall reimburse City, as Additional Rent, all costs expended by City, including reasonable attorney’s fees, in removing said Encumbrance. All of the aforesaid rights of City shall be in addition to any remedies which either City or Tenant may have available to them at law or in equity.

19. Time of the Essence. It is expressly understood and agreed to by the parties hereto that time is of the essence for each term and provision of this Lease.

20. Waiver. One or more waivers by any party of any covenant or condition of this Lease shall not be construed as a waiver of a subsequent breach of the same or of any other covenant or condition. The consent or approval given by any party with respect to any act by the other party requiring such consent or approval shall not be deemed to waive or render unnecessary further consent or approval of any subsequent similar act by such party.

21. Sole Agreement and Amendment. This shall be binding upon the parties hereto and their respective successors and assigns, and may not be modified orally or in any other manner other than by agreement, in writing, signed by each of the parties to this Lease. Each person signing this Lease warrants that this is the full, entire and complete agreement between the parties; that the terms of this Lease supersede and nullify any and all prior discussion, negotiations or agreements between the parties and/or any of the parties’ respective officers, employees or agents relating in any manner to the subject matter of this Lease; and that no promise or inducement not expressed in this Lease has been made or exists to cause or influence each such person to execute this Lease. Each person signing this Lease warrants their ability to bind the party on whose behalf each signs.
