Deborah and Michael,

Thank you for your time and your response.

I'm happy to hear about the access to the trail and the bonus gazebo I think it would all look nice.

I didn't mark down the date for the meeting so I'm not sure if I missed it or not, but either way I would approve. I'm looking forward to getting a couple bikes and taking the family on a little bike ride. I do live close enough that I wouldn't need the parking but it is nice to know if people that live further away can come and use the trail.

I look forward to the possibility of having a market/pharmacy Walmart in the area, I think it would definitely be better than a super walmart, I think a smaller neater market version would actually help the value of the area go up.

Now how soon can my wife apply for a position at this store? :)

Again thank you,

Paul Roeber
