3.0 Statement of Work

- 3.1 **Services to be provided by Contractor:** During the term of this Agreement, the Contractor agrees to provide hazardous materials response system services to Level A releases through the use of designated Type I, Type II, and Type III Hazardous Materials Teams making up four (4) Taskforce areas throughout the State of Wisconsin as described in Exhibit C, attached hereto and incorporated by reference herein. This Agreement does not include response to Type IV incidents which are locally defined and handled by the authority having jurisdiction.

Contractor's response activities under this Agreement shall be limited to emergency operations relating to hazardous materials incidents, reporting and documentation of activities arising from hazardous materials releases/incidents which threaten life, property and/or the environment. Contractor shall not provide under this Agreement any services with respect to the sampling, testing, analysis, treatment, removal, remediation, recovery, packaging, monitoring, transportation, movement of hazardous materials, cleanup, storage and disposal of hazardous materials except as these may be reasonably necessary and incidental to preventing a release or threat of release of a hazardous material or in stabilizing the emergency response incident, as determined by the Contractor.

Contractor shall establish safety perimeters at or near sites and vessels. Contractor shall not be required to locate underground utilities, ensure appropriate traffic control services, conduct hydrological investigations and analysis, or provide testing, removal, and disposal of underground storage tanks at or near the emergency response incident to which the Contractor is dispatched.

The Division and Contractor make no representations to third parties with regard to the ultimate outcome of the services to be provided under this Agreement, but Contractor shall respond to the best of its abilities, subject to the terms of this Agreement.

- 3.2 **Performance Conditions:** Contractor acknowledges that prior to undertaking any emergency response activity under this Agreement, Contractor shall receive written approval from the Division to proceed with response activities. A Contractor that has previously been providing services under a regional hazardous materials response system agreement with the Division is considered to have received written approval to proceed with response activities. Division approval shall be conditioned upon the Contractor demonstrating to the Division that its employees, equipment and vehicles meet or exceed applicable regulatory requirements.
- 3.3 **Personnel:** Contractor shall provide an adequate number of trained, medically monitored, competent, and supervised personnel as established by the Division and as is reasonably necessary to operate within the safety levels of the Wisconsin Hazardous Materials Response System. Contractor shall meet the standards under 29 CFR 1910.120 and/or 29 CFR 1910.134(f), NFPA 471, 472 and 1582, IS 700, ICS 100, 200, 300 and 400, and Wisconsin Firefighter 1 certification.
- 3.4 **Vehicles and Equipment:** Contractor shall limit its activities to that which can be safely accomplished within the technical limitations of the available vehicles and equipment. Contractor may use equipment and vehicles provided by the Division for Contractor's local use, except as follows. Contractor agrees that in the event of multiple responses, said equipment that is already not committed to a prior response shall be used on a priority basis to respond to a hazardous materials release. Contractor shall provide the Division with a current listing of its equipment assets including the manufacturer, date of purchase, and calibration requirements within 30 days after this Agreement is fully executed and annually thereafter.
- 3.5 **Vehicles and Equipment Use Limitations:** This Agreement in no way limits the Contractor from responding with Division-provided vehicles, equipment, and supplies under local authority, mutual aid agreements, or other contracts under local authority.
- 3.6 **Response Procedures and Limitations:** Contractor recognizes that its obligations under this Agreement are paramount to the State of Wisconsin. Contractor agrees that if local fire response obligations in Contractor's own jurisdiction create limits or unavailable resources, Contractor will seek aid from local jurisdictions to assist in local fire response obligations in Contractor's own jurisdiction.

Contractor's obligation to provide services hereunder shall arise, with respect to specific response actions, upon receipt of an emergency response request pursuant to mutually approved Standard Operating Guidelines provided in Subsection 3.8. These guidelines will be maintained in a mutual aid support system that will be used to assess readiness.

- 3.7 **Right of Refusal:** If, on occasion, a response under this Agreement would

temporarily place a verifiable undue burden on the Contractor because Contractor's resources are otherwise inadequate or unavailable and mutual aid is unavailable for a hazardous materials response within the State, then, if notice has been provided to the Division, the Contractor may decline a request for hazardous materials response system services.

- 3.8 **Standard Operating Guidelines:** Contractor and Division agree that hazardous materials response system operations will be conducted in accordance with Wisconsin Hazardous Materials Response System Operations Plan, and "Call Out Procedure" that will be mutually approved by the parties to this Agreement.
- 3.9 **Mutual Aid Box Alarm System (MABAS):** Contractor is highly encouraged to participate in the MABAS-WI program. At a minimum and absent MABAS-WI participation, Contractor will be qualified and credentialed under all NIMS standards for hazardous materials.
- 3.10 **Standardized Equipment Reports:** In order to prepare, plan, and respond to the dangers of emergencies involving Level A releases, the Division shall require standardized equipment purchases and inventory for the Wisconsin Hazardous Materials Response System. Contractor shall update, on an annual basis, the Standardized Equipment Report that provides a current inventory of all hazardous materials equipment assets including but not limited to the manufacturer, date of purchase, and calibration requirements. The Contractor will input equipment inventory on the Division's secure ImageTrend Elite website, <https://wisconsinfire.imagetrendelite.com/elite/organizationwisconsinfire/> or equivalent. The annual Equipment Inventory shall be updated after January 1, or when new equipment is added during the calendar year. Failure to submit timely Equipment Inventory may result in the withholding of quarterly Annual Allocation payments provided for under this Agreement.
- 3.11 **Operating Expenditure Reports:** In order to prepare, plan, and respond to the dangers of emergencies involving Level A releases, the Division shall collect standardized operating expenditure information from Contractor including but not limited to wages and stipend costs. Contractor shall provide the Division, on a quarterly basis, with an Operating Expenditure Report that provides a current listing of its hazardous materials team's operating expenditures on an electronic spreadsheet developed by the Division. The Division will input Contractor's operating expenditures on the Division's secure WebEOC website located at wi.webeocasp.com, or equivalent. The quarterly Operating Expenditure Reports shall be provided to the Division no later than thirty (30) days after the end of each quarter. Failure to submit timely Operating Expenditure Reports may result in the withholding of quarterly payments under this Agreement until such report is received.

- 3.12 **Hazardous Materials Incident Reporting:** To prepare, plan, and respond to the dangers of emergencies involving Level A releases, the Division shall collect accurate, actual, and standardized hazardous materials assist and response data. Further, Contractor shall report all hazardous materials incidents (local/county or State) on the Division's secure ImageTrend Elite website, <https://wisconsinfire.imagetrendelite.com/elite/organizationwisconsinfire/> or equivalent. The Hazardous Materials Incident Report shall be completed and submitted no later than five (5) business days after the end of the incident. Failure to submit timely Hazardous Materials Incident Reports may result in the withholding of quarterly payments under this Agreement until such report is submitted.
- 3.13 **Wisconsin Hazardous Materials Response System Member Rosters:** Under Subsection 5.11, members of the Wisconsin Hazardous Materials Response System are considered state employees for worker's compensation purposes. It is paramount that the Division has a current listing of all members in order to ensure coverage. Contractor shall provide the Division, on a quarterly basis, with a current listing of its members on an electronic spreadsheet developed by the Division. Failure to submit timely member rosters may result in the withholding of quarterly payments under this Agreement.

4.0 Advisory Committee

- 4.1 There are currently four agreements establishing separate Wisconsin hazardous materials taskforces. Section 4 of each such agreement authorizes the creation of a committee that will advise the Division on matters relating to the exercise of the Division's discretion.
- 4.2 The committee shall be advisory only.
- 4.3 Committee membership shall be made up of two representatives from each type of team (Type 1, Type 2 and Type 3) and one at-large representative.
- 4.4 Membership may be drawn from any of the contractors of any of the four taskforces.
- 4.5 The members of the advisory committee shall be appointed by the Board of Directors of the Wisconsin State Fire Chiefs Association.

5.0 Contractor Annual Allocation, Reimbursement, and Grants

There are two types of Contractor funding under this Agreement: (1) Annual Allocation based on the Type I, Type II or Type III Level A release capabilities provided by Contractor and (2) Team Response Costs. Each of these is discussed below.

5.1 **Annual Allocation and Quarterly Payments:** As provided under Wis. Stat. § 323.70(2) of the Wisconsin Statutes, Contractor will be subsidized annually for each fiscal year, commencing on 7/1/2025 and ending on June 30, 2027 under this Agreement for its approved annual allocation as described in "Exhibit B", attached, and incorporated by reference. The payments shall be made to Contractor on a quarterly basis, with the first payment to be made at the end of the first quarter, if all required quarterly reports have been submitted for the quarter at issue and if the Agreement has not been terminated or canceled with respect to the Contractor. If the Agreement has been terminated or canceled with respect to the Contractor prior to the end of the Agreement, payment of annual allocations will be made pursuant to Section 8.8. Funding amounts will be based by Type I, Type II, and Type III Hazardous Materials Team designation. The Annual Allocation is intended to cover direct and indirect costs necessary to ensure the proper number of trained personnel per shift depending on the type of response, a stipend per response system member as well as baseline, maintenance, and exit physicals for each response system member. Quarterly Annual Allocation payments to Contractor shall be made from the appropriation account under Wis. Stat. § 20.465(3)(dd) of the Wisconsin Statutes.

5.1.1 Funds allocated under Subsection 5.1 of this Agreement shall supplement existing, budgeted monies of the Contractor to provide the services specified herein and may not be used to replace, decrease, or release for alternative purposes the existing, budgeted monies of or provided to the Contractor.

Further, funds allocated under Subsection 5.1 of this Agreement shall not be used by Contractor to supplement, offset, replace, decrease, or release any budgetary obligations for other municipal departments not directly connected to this Agreement.

5.2 **Southeast Wisconsin Hazardous Materials Taskforce Response Costs and Reimbursement:**

5.2.1 Pursuant to Wis. Stat. § 323.70(3) of the Wisconsin Statutes and as set forth in this Section 5.2.1, Contractor shall be reimbursed for reasonable and necessary response costs and expenses incurred in responding to an emergency involving a Level A release or potential Level A release pursuant to this Agreement.

Taskforce response costs may include, but are not limited to:

(1) Reimbursement for use of Vehicle(s) and Apparatus: Contractor shall be reimbursed for the approved use of its vehicles and equipment at FEMA-established rates.

(2) Personnel Expenses: Contractor's team response personnel expenses which are approved and authorized under this Agreement are reimbursable at the rates described as follows:

- a) For full-time fire departments, at the actual cost of personnel expenses.
- b) For part-time and volunteer fire departments or team personnel, at the average over-time hourly rates for the three geographically nearest full-time fire departments.

Team response personnel expenses shall be billed to the nearest one-fourth (1/4) hour work period. Personnel expenses may reflect replacement personnel costs and indirect charges/costs for wage, fringe, death, and duty disability retirement benefits.

(3) Emergency Expenses: Contractor's necessary and reasonable emergency expenses related to services rendered under this Agreement are reimbursable. All such expenses must be based on actual expenditures and fully documented by the Contractor. The Division reserves the right to deny any reimbursement of unjustifiable Contractor expenditures.

5.2.2 If the Division determines that an emergency requiring a response per this Agreement existed, the Division will issue reimbursement for response costs to Contractor within 60 days after receiving a complete application for reimbursement from Contractor on a form prescribed by the Division, but only if the completed application is received by the Division within 45 days after the conclusion of deployment for a response under this Agreement.

5.3 **Training Costs**: In addition to the Annual Allocation, funding may be available to Contractor through the Division's training and equipment grants. Applications shall be made via "E-Grants" and will be available to Contractor based upon established criteria. The Division makes no representations that funding will be available to any or all parties.

5.4 **Duty Disability Premium Increases**: The Division shall reimburse Contractor for costs incurred by Contractor for any increase in contributions for duty disability premiums as set forth in Wis. Stat. § 323.70(3m) for employees who received duty disability benefits because of an injury incurred while performing duties as a member of the Southeast Wisconsin Hazardous Materials Taskforce while engaging in a response to a Level A emergency under this Agreement.

5.5 **Standard Equipment Purchases and Cache**: The Division intends to standardize equipment purchases for the Wisconsin Hazardous Materials Response System.

Contractor shall provide the Division with a current listing of its equipment assets including the manufacturer, date of purchase, and calibration requirements. The Division will develop a standardized equipment list including vendor information.

Contractor may make equipment purchase requests to the Division by submitting an "E-Grants" request with supporting documentation. The Division makes no representations that funding will be available to all parties.

The Division intends to develop and maintain an equipment cache. When developed, Contractor may borrow specific equipment from the equipment cache in the event of an equipment failure requiring repair of Contractor's equipment.

- 5.6 **Minimum Appropriation:** The Division has requested in its State Fiscal Years 2025-2027 budget a sum to cover the annual allocation for those fiscal years as described in "Exhibit B" to this Agreement. If at least that amount is appropriated, then that amount shall be the minimum amount payable annually to response teams, with any additional amounts that might be appropriated payable pro rata to the response teams as part of the annual allocation. The minimum contract annual allocation does not, however, include Contractor's response costs as specified in Subsection 5.2 of this Agreement.
- 5.7 **Full Payment and Release:** The Division's reimbursement(s) shall be full payment for work performed or services rendered and for all labor, materials, supplies, equipment, and incidentals necessary to complete the work authorized under this Agreement. Acceptance of payment by the Contractor shall operate as a release of the Division of all claims by Contractor for reimbursement of its response costs.
- 5.8 **Approval:** Contractor, when acting under this Agreement, may not participate in an emergency response to a Level A release without following the Division-approved "Call Out Procedure." Contractor agrees to make reasonable and good faith efforts to minimize costs.
- 5.9 **Retirement System Status and Tax Payments:** Contractor and its employees are not entitled under this Agreement to Division contribution to any retirement benefit or other benefit offered by Contractor or the State. Contractor shall be responsible for payment/withholding of any applicable federal, Social Security and State taxes.
- 5.10 **Worker's Compensation:** A member of the Southeast Wisconsin Hazardous Materials Taskforce who is acting under the scope of this Agreement is an employee of the State for purposes of worker's compensation under § 323.70(5) of the Wisconsin Statutes. For all other purposes, the member remains Contractor's employee.
- 5.11 **Payment of Contractor's Obligations:** Contractor agrees to make payment

promptly, as just, due, and payable to all persons furnishing services, equipment or supplies to Contractor. If Contractor fails, neglects, or refuses to pay any such claims as they become due and for which the Division may be held liable, the proper officer(s) representing the Division, after ascertaining that the claims are just, due and payable, may, but shall not be required to, pay the claim and charge the amount of the payment against funds due to Contractor under this Agreement. The payment of claims in this manner shall not relieve Contractor of any duty with respect to any unpaid claims.

- 5.12 **Dual Payment:** Contractor shall not be compensated for work performed under this Agreement by any state agency or person(s) responsible for causing a hazardous materials emergency except as approved and authorized under this Agreement.
- 5.13 **Taskforce Members:** Members of the Southeast Wisconsin Hazardous Materials Taskforce are firefighters and therefore are considered protective occupation employees.

8.0 Standard Contract Terms, Conditions and Requirements

- 8.1 Disclosure of Independence and Relationship:** Contractor certifies that no relationship exists between its membership in the Hazardous Materials Response System, the State, or the Division that interferes with fair competition or is a conflict

of interest, and no relationship exists between the Contractor and its employees and another person or organization that constitutes a conflict of interest with respect to a state contract.

Contractor agrees as part of this Agreement that, during performance of this Agreement, it will neither provide contractual services nor enter into any agreement to provide services to a person or organization that is regulated or funded by the Wisconsin Department of Military Affairs or has interests that are adverse to the Department.

The Department of Administration may waive the provisions of the previous two paragraphs, in writing, if those activities of the Contractor will not be adverse to the interests of the State.

- 8.2 **Dual Employment:** Section 16.417 of the Wisconsin Statutes prohibits an individual who is a state employee or who is retained as a consultant full-time by a state agency from being retained as a consultant by the same or another agency where the individual receives more than \$12,000 as compensation. - (3) Any license or certification required by law or regulation to be held by the Contractor to provide the services required by this Agreement is for any reason denied, revoked, or not renewed.
- (4) Failure of Contractor to comply with the terms, conditions, and specifications of the Agreement.

Any termination of the Agreement shall be without prejudice to any obligations or liabilities of either party already accrued prior to such termination, except as provided elsewhere in the Agreement.

8.9 **Cancellation:** The continuation of payments under this Agreement beyond the limits of the funds already available is contingent upon the future availability of funds to support such payments. The State of Wisconsin reserves the right to immediately cancel any contract in whole or in part without penalty due to non-appropriation of funds. Upon cancellation, response costs and expenses incurred up to that date will be reimbursed to the extent of recovery from the Responsible Party and any appropriated amounts available and a prorated amount of annual allocations will be made to the extent funds have been appropriated.

8.10 **Prime Contractor and Minority Business Subcontractors:** In the event Contractor subcontracts for supplies and/or services, any subcontractor must abide by all terms and conditions of the Agreement. - 1.0 GUARANTEED DELIVERY:** Failure of the Contractor to adhere to delivery schedules as specified or to promptly replace rejected materials shall render the Contractor liable for all costs in excess of the contract price when alternate procurement is necessary. Excess costs shall include the administrative costs.
- 2.0 APPLICABLE LAW AND COMPLIANCE:** This contract shall be governed under the laws of the State of Wisconsin. The contractor shall at all times comply with and observe all federal and state laws, local laws, ordinances, and regulations which are in effect during the period of this contract and which in any manner affect the work or its conduct. The State of Wisconsin reserves the right to cancel this contract if the contractor fails to follow the requirements of Wis. Stat. § 77.66, and related statutes regarding certification for collection of sales and use tax. The State of Wisconsin also reserves the right to cancel this contract with any federally debarred contractor or a contractor that is presently identified on the list of parties excluded from federal procurement and non-procurement contracts.
- 3.0 ANTITRUST ASSIGNMENT:** The contractor and the State of Wisconsin recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the State of Wisconsin (purchaser). Therefore, the Contractor hereby assigns to the State of Wisconsin any and all claims for such overcharges as to goods, materials or services purchased in connection with this contract.
- 4.0 ASSIGNMENT:** No right or duty in whole or in part of the contractor under this contract may be assigned or delegated without the prior written consent of the State of Wisconsin.
- 5.0 NONDISCRIMINATION:** In connection with the performance of work under this contract, the contractor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in Wis. Stat. §. 51.01(5), sexual orientation as defined in Wis. Stat. § 111.32(13m) or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. 5.1 The contractor agrees to post in conspicuous places, available for employees and applicants for employment, a notice to be provided by the contracting state agency that sets forth the provisions of the State of Wisconsin's nondiscrimination law.

5.2 Failure to comply with the conditions of this clause may result in the contractor's becoming declared an "ineligible" contractor, termination of the contract, or withholding of payment.

5.3 Pursuant to s. 16.75(10p), Wis. Stats., contractor agrees it is not, and will not for the duration of the contract, engage in a prohibited boycott of the State of Israel as defined in s. 20.931(1)(b). 6.0 CANCELLATION: The State of Wisconsin reserves the right to cancel any contract in whole or in part without penalty due to non-appropriation of funds or for failure of the contractor to comply with terms, conditions, and specifications of this contract.

7.0 VENDOR TAX DELINQUENCY: Vendors who have a delinquent Wisconsin tax liability may have their payments offset by the State of Wisconsin.

8.0 PUBLIC RECORDS ACCESS: Pursuant to Wis. Stat. §19.36 (3), all records of the contractor that are produced or collected under this contract are subject to disclosure pursuant to a public records request. Upon receipt of notice from the State of Wisconsin of a public records request for records produced or collected under this contract, the contractor shall promptly provide the requested records to the contracting agency. Contractor agrees to contact the State promptly upon receiving a request for information under the public records law and comply with the State's instructions on how to respond to the request. The contractor, following

- 9.0 DISCLOSURE:** If a state public official (Wis. Stat. § 19.42), a member of a state public official's immediate family, or any organization in which a state public official or a member of the official's immediate family owns or controls a ten percent (10%) interest, is a party to this agreement, and if this agreement involves payment of more than three thousand dollars (\$3,000) within a twelve (12) month period, this contract is voidable by the state unless appropriate disclosure is made according to Wis. Stat. § 19.45(6), before signing the contract. Disclosure must be made to the State of Wisconsin Ethics Board, 44 East Mifflin Street, Suite 601, Madison, Wisconsin 53703 (Telephone 608-266-8123).
