The Licenses Committee of the Common Council,

I was writing in regards to the decision made on my food dealers license. I understand that an incident has come up from my past and it ultimately was the reason for your objection. At the time of this incident I was only 17 years old, two years into high school and quite honestly failing terribly. At that point in my life I was simply becoming a product of my environment. I've gone on to graduate high school with a 3.5 GPA, I went to MATC for culinary arts where I developed my passion for cooking and have since worked in some of the finest restaurants in the state. I have taken accountability for my actions as well as the necessary steps to move in the right direction. I'm a 27 year old father of 4, one of which I have full custody of. I'd like to be a good example of a man for my children and a pillar of my community.

The people in the community need to see that with a little hard work your dreams can become the reality and I could be the example. I grew up 4 blocks away from *Wright Way Kitchen* and worked very hard to get everything ready for our Grand Opening. After almost a year of renovations, inspections and other hiccups we are at the finish line. We spoke briefly about *Wright Way Kitchen* and what my plans were during our walkthrough of the restaurant with the owner. I am hopeful that you will consider the time that has passed and the growth I've undergone since. I truly believe this would be a great space for the community and a big step forward in building the rest of my life and my future. I look forward to shaking your hand at our Grand Opening.

Please feel free to reach out to me if you have any questions, comments or concerns,
Thank You.
