SUBJECT: 8<sup>TH</sup> ALDERMANIC DISTRICT FILE #051009  
INSTALL NO PARKING ON THE SOUTH SIDE  
OF WEST BURNHAM STREET FROM  
SOUTH 23<sup>RD</sup> STREET TO A POINT 40 FEET WEST

Dear Alderman Donovan:

During field observations at the intersection of West Burnham Street and South 23<sup>rd</sup> Street, our Engineering staff found that northbound motorists on South 23<sup>rd</sup> Street have a difficult time seeing traffic traveling eastbound on West Burnham Street when vehicles park close to the corner. We therefore, in the interest of public safety, recommend the installation of this restriction to increase sight visibility at the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Honorable James N. Witkowiak

SUBJECT: 12<sup>TH</sup> ALDERMANIC – FILE #051009  
REMOVE NO PARKING ON THE WEST SIDE OF  
SOUTH 2<sup>ND</sup> STREET FROM WEST BRUCE STREET  
TO A POINT 135 FEET SOUTH

Dear Alderman Witkowiak:

This is in response to a request we received from Mr. Dave Panic, a local business owner, to provide additional on-street parking in this area.

Our Traffic Engineering staff has investigated this request and found that additional parking could be restored in this area and still allow traffic flow by repealing the above-captioned parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Dear Alderman Donovan:

This is in response to your request on behalf of local residents to install the above-captioned parking restriction.

Our Traffic Engineering staff forwarded this request to the Environmental Services Operations Division to see if there would be a snow plowing concern if this restriction was installed. Very truly yours,
