File Number 041266

To the Honorable, the Common Council

Dear Council Members:

The Deferred Assessment Board has requested a review for the maximum annual household income allowed under this program. The maximum was last changed in 1995, and adjusted for inflation. \$20,000 should be the maximum.

As Secretary of the Deferred Assessment Board, I recommend the adoption of the attached ordinance.

Respectfully submitted,

Jeffrey J. Mantes  
Commissioner of Public Works
