**Mayor Barrett's 2017 Executive Budget Address**  
September 26, 2016

Good Morning,

Thank you Mr. President, members of the Council, City Attorney Langley, Comptroller Matson, Treasurer Coggs, members of the cabinet and members of the public. It is a pleasure to be here this morning as I present my 2017 Executive Budget.

We all know Milwaukee faces big challenges and at the same time, asked to tackle these challenges with significant limitations.

We have neighborhoods where private sector development is booming. On the flip side, we have neighborhoods where violence is far too frequent, vacant homes are common, jobs and hope are lacking. These disparities and the frustrations that go along with them are unacceptable.

My budget is designed to advance our work to serve our residents in ways that are respectful and fair. This budget moves us forward using approaches that are sound, programs that have demonstrated success, and new initiatives that address safety and success for everyone in Milwaukee.

The 2017 tax levy budget totals \$263 million. That is an increase of \$7 million over 2016. The proposed tax rate will increase seven cents. The average home will see an increase of \$26.40 in city taxes. The 2017 municipal service fees will increase by \$10.86 for the typical homeowner.

The recent Public Policy Forum report made it clear, the State of Wisconsin is no longer the partner it once was, the state has decreased financial support for Milwaukee. It has restricted our financial options and paid less and less attention to our pressing needs.

We know the challenges that exist in this community. We have an obligation to provide essential city services. We have a big role in the health of our neighborhoods and we must make important difference in the lives of every resident.

Let us begin by looking back. As the Public Policy Forum reported in 2009, the city faced an unmanageable situation, daunting expenses, aging infrastructure and little hope for growth in revenue.

Now look what has changed seven years later. The Forum says our financial condition and outlook have improved significantly and the improvements we have made are evidence of effective financial management.

It is important to pay close attention to how we made these improvements and it is absolutely essential we manage our long term obligations. Chicago is in a fiscal crisis because it has failed to do so.

To avoid similar problems in Milwaukee, we work to keep current within our expenses and avoid passing costs to future generations. With your help, that is exactly what we have done. In 2010, the city faced its first employer pension contribution in 15 years, a contribution of \$47.9 million. We knew this would grow. It would have been easy to kick the can down the road and pretend the situation would resolve itself.

Instead, we worked collaboratively to develop responsible changes to the pension funding formula, eliminated positions in the 2010 budget, reduced expenditures and implemented furlough days. And we included the entire contribution amount without resorting to pension obligation borrowing.

We faced big cuts in state aid, and still, we have consistently met our obligations making the full contribution without pension borrowing and without passing obligations on to future taxpayers.

We were also faced with city health care expenditures rising 5% to 9% per year, putting us on a course that would have destabilized the city budget. We made thoughtful changes. We switched from an insured plan to a self-funded plan saving \$6 million a year. With the help of our employees, we modified premiums and other cost sharing features, while maintaining very fair coverage and a broad provider network. Our wellness program is helping employees and generating cost reductions at a rate of \$2 million a year.

It has paid off. Amazingly, we will be spending \$25 million less on health care this year than we did in 2011.

As daunting as the triple whammy of increased pension obligations, rising health care costs and cuts in state aid were, we as a city never lost sight of the need to address the day-to-day concerns of our residents.

For example, over the last three years, we have increased funding for core infrastructure by nearly 85% addressing a backlog in street and sewer replacements.

We continue to make progress on our comprehensive library replacement plan. Two new neighborhood libraries have been constructed and a third has undergone substantial renovation. Two additional neighborhood library projects, Mill Road and Forest Home, are on the way.

Of course, we have faced unexpected demands, like the City Hall Foundation project, that have pushed our new debt authorizations to a level we simply cannot maintain.

Challenges remain and the two biggest fiscal challenges are city debt and pensions. Long term obligations must always have our attention. Remember, regardless of how low the interest rate is, we always have to pay back the principal. We, as a city, should aim for a levy supported debt target of \$75 million by 2021.

But here is a big problem. Unless the State of Wisconsin increases its commitment to shared revenue, or provides local governments with more control over revenue options, we will be forced to make additional reductions to personnel and city services.

Take a look at the Police Department's budget. In the last 12 years, I have increased the Police budget every year. This year alone, we will be spending \$127 million more than we did in 2004 for the Police Department and its pension. In sharp contrast, the State of Wisconsin has slashed state shared revenue and expenditure restraint funds by \$12 million per year. Our investment has gone up \$127 million the state investment has gone down \$12 million.

Don't forget ACT 176, the state's gift to slumlords. That recent law cut fees for chronic building code violators by millions of dollars.

Think of the expectation of city government. We fight crime and put out fires, rush to medical emergencies, pave the streets and enforce safety requirements, promote public health and add to the quality of life to everyone. We are a partner in community development in resolving the foreclosure crisis, in promoting business growth, and in preparing our children for success. There are even more demands for public safety, for city services and for a growing population that is now above 600,000 people.

The Police Department budget in this 2017 budget is \$302 million. That is more than our entire property tax levy. I want our friends in Madison to hear that, the Police Department's budget is \$302 million more than our entire property tax levy. In fact, for several years, it has been more than we receive annually in shared revenue. Despite the fiscal challenge, we are proud that we have maintained our commitment to a well staffed police department.

More than 165 new police officers will be in our Policy Academy in 2017. New officers will be on the job filling the positions of officers we anticipate will retire. My budget maintains sworn strength at 1,888 police officers. We give the Police Department the resources it needs to reduce crime by thorough crime analysis, data driven deployment and community engagement.

For every one of us, the recent increase in violence is unacceptable. I understand that courts and police cannot be our only answer to public safety. We must have a balanced approach.

The Office of Violence Prevention is now at full staff with individuals with experience, credibility, and vision. They share my belief that a healthy neighborhood is safe and full of hope, where opportunity is real. With that priority, our work will focus on youth development and violence prevention.

In 2014, Alderwoman Coggs pushed for trauma informed care. Thank you, alderwoman that was an important step to dealing with the challenges in our neighborhoods.

My budget funds work to break the cycle of trauma impacting so many children and families in our community and plans are underway to expand this initiative to District 5 starting in January. My goal is to see this approach reach children and families in every district in our city.

Last week we announced a remarkable grant to the Office of Violence Prevention to use a trauma informed approach to structural and community violence. It is designed to assist high risk youth and families and promote resilience and equity. We will use this grant to address the impacts of violence and to prevent violence through community engagement. This five year, \$5 million grant is one of the largest ever received by the City of Milwaukee Health Department.

Since my days in Congress, I have worked aggressively to reduce lead poisoning among children. Through a comprehensive approach, the City of Milwaukee Health Department reports that children with elevated blood lead levels have been reduced 70% since 2003 and we have increased the number of children tested by 66%.

We know that lead paint in older homes is still the leading cause of lead poisoning in children. I am proud of the results we have seen from the more than \$50 million in lead abatement funding since 2005. There is more work to be done. My 2017 budget devotes nearly \$11 million to lead issues. It includes \$4.3 million in funding to add more homes to the 17,000 we have already made lead paint safe.

To address lead in drinking water, this budget starts a commitment to full removal of lead service lines. We will use \$5.2 million in 2016 and 2017 to remove lead lines at 385 licensed day care facilities. The 2017 budget also provides funding to replace approximately 300 existing residential lines when they leak or fail.

Today, I am asking you, as part of the solution, to support ordinance changes that mandate full lead service line replacement. These new changes will ensure low and fixed income homeowners do not have to choose between replacing their line and keeping the lights on. My proposal is to keep the owner's cost of replacing customer lines to less than \$20 a month. Please join me as we advocate for fair funding for lead lateral removals at both the state and federal level.

You have to understand how serious this is and how expensive this is. Given the enormity of the challenge, we need partners at every level. To put this in perspective, the work to replace lead laterals in 70,000 homes will cost, in today's dollars, \$770 million.

Every contract for lead service line removal will include resident preference provisions. I have started discussions with the local trades and our workforce partners to use this work as an opportunity to train Milwaukeeans and put them on a career path.

For years, we have recognized the need for jobs in the central city. That is why we have invested in the Menomonee Valley, the Brewery, Reed Street Yards, and Century City, just to name a few.

Events over the last six weeks spotlight what we have known all along. The need for jobs is dramatic. Fortunately, our investments in Century City are beginning to pay off.

Over the weekend, you may have seen the Rev Group announce it will be assembling its prototypes as it competes for an enormous post office contract to build delivery vehicles. This work will be done right at Century City.

There is more, I have wonderful news to share. Remember Talgo? Late last week, Los Angeles Metro awarded a very large contract to Talgo, the train manufacturer, to overhaul train cars for its system. Talgo told the Los Angeles Metro that it will do this work, tens of millions of dollars, to refurbish rail cars at Milwaukee Century City. This is more than a positive Milwaukee business story. It is more than simply good news for the dozens of workers who will be rebuilding and refurbishing train cars. This is an affirmation of Century City as a location for manufacturing.

I want to thank President Hamilton, Aldermen Murphy, Witkowski, Alderwoman Coggs and former Alderman Willie Hines and Willie Wade and all our partners who have championed bringing jobs to Century City.

Starting about six years ago, using its state of the art technology, Talgo built four high speed trains at Century City using Milwaukee workers. The Talgo saga has its share of disappointment. Shortly after Governor Walker was first elected, the State of Wisconsin broke its contract with Talgo leaving state taxpayers with nothing except for a bill of approximately \$40 to \$50 million.

As hard as the Governor worked to kill this project, we worked even harder to build a solid relationship with the company and that has paid off.

Talgo could have undertaken the new Los Angeles work almost anywhere in the country. Yet it chose Milwaukee. Despite the hard feelings between Talgo and the state, the company recognizes its Milwaukee location is a great place to manufacture.

Century City is a place where talented workers are available. My budgets, including this one, have ensured companies can move right into excellent facilities and my Administration will be a reliable partner. I am looking forward to working with Alderman Rainey, Century's City's new alderman, and all of you as we continue to invest and attract jobs to this critically important corridor. We must ensure that jobs created by the city benefit people who live in the city.

Let us talk about our Strong Neighborhoods Program. We are joined today by many members of Common Ground who put a lot of work into this effort and I appreciate all the work that you have done. Our Strong Neighborhoods Program has yielded impressive numbers. Through our demolition and deconstruction programs, we are not just eliminating blight, we are creating safer and stronger neighborhoods and creating jobs for residents. Last year alone 248 residents were employed and received hands-on training.

Local contractors are also working on projects funded through the city's compliance loan program, which allows homeowners to make property improvements with no interest loans to avoid losing their homes through foreclosure. I am increasing funding for this important initiative by 60% in this year's budget.

Here is more good news, we have sold 369 tax foreclosed properties so far this year, homes and business sites that are now returned to productive use. That is ahead of last year's very strong sales pace.

My budget includes funding for a total of 52 fire cadets and 40 police aides. The expanded program increases diversity and creates career opportunities for young people. Both departments have worked hard at implementing recruiting strategies that ensure new hires more closely match the demographics of city residents.

The Fire Department continues to beat the national standards for response times. The department has modified the FOCUS program to provide more proactive and community oriented interactions.

The new community risk reduction program will visit each home and business every five years to install smoke detectors and provide public education about fires.

The department has taken another proactive step with the mobile integrated health program. This initiative addresses the health needs of residents before they require emergency care. It provides a valuable service to residents and allows for better use of emergency services.

Through the most recent contract settlement in the Fire Department, we have gained efficiencies and productivity by implementing a 53 hour work week.

The budget requires us to ask more of our employees and they deserve a lot of praise for their hard work, continued innovation, creative problem solving, and dedication to residents.

With limited resource, we must continue to challenge ourselves to ensure city government is run efficiently. My budget streamlines IT operations and improves these services.

At the end of day, good budgeting takes a good team. I am grateful for the leadership of Mark Nicolini. He is a treasure to this city. His expertise and sage advice help us create a budget each year that addresses our needs in a balanced and strategic way.

We spend months crafting the city's annual budget, reviewing new ideas and evaluating multiple alternatives. This budget is really the product of years of work. We plan carefully and deploy our limited resources in the most effective ways possible. We address important needs, and at the same time, we make sure we are on a sustainable fiscal path.

You, the members of the Common Council, have been a consistent and valued partner and I appreciate that. We know that there is a lot of discord in other levels of government but we have worked effectively and I look forward to work effectively again. You have a record of both responsibly reviewing my budget and maintaining financial prudence.

President Hamilton, Finance and Personnel Chair Coggs, and all the Council members I look forward to working with you in the coming weeks to finalize Milwaukee's 2017 city budget.

Thank you very much.

C. CAPITAL IMPROVEMENTS FUNDS									
1. BUDGETS FOR CAPITAL IMPROVEMENTS									
<p>These accounts may be credited with amounts received or receivable from assessments levied, contributions, grants, and loans in aid from other Governmental Units. Sales of remnant parcels of property or other receipts which are considered an abatement of project costs and amounts so received or receivable shall be deemed to be appropriated for the particular purpose of the project account to which said amounts are credited and are available for disbursement for said purposes, providing such receipts and disbursements have the approval of the Finance and Personnel Committee of the Common Council.</p> <p>Various Common Council Resolutions such as C.C. Resolution 88-1665 adopted December 20, 1988 commonly referred to as the Capital Guidelines; CC Resolution 66-1893-E, (Grant and Aids Guidelines) adopted February 5, 1982, CC Resolution 72-982 (Land Acquisition Policy) adopted February 23, 1973 and CC Resolution 73-1365 (Industrial Land Bank Revolving Fund) adopted January 15, 1974 set forth the various procedures and controls applicable to the Capital Program of the City of Milwaukee. In adopting this budget it is the intent of the Common Council that such requirements and subsequent revisions thereto will be followed.</p> <p>In the case of Expressway and Urban Aid Reimbursable Capital Improvement Accounts, because of timing uncertainties and their reimbursable nature, it is the intent of the Common Council to provide expenditure authority on an as-needed revenue offset basis by appropriate resolution, rather than to include amounts for such projects in the Budget.</p>									
SPECIAL CAPITAL PROJECTS OR PURPOSES									
Capital Grant and Aids Program expenditures shall be made only after adoption of a Common Council resolution adopted in accordance with Common Council Resolution File Number 66-1893 as amended February 25, 1982.

### **III. CLARIFICATION OF INTENT**

#### **Employee Fringe Benefits**

Employee fringe benefit costs are allocated to operating and capital budgets on an estimated basis for informational purposes only. Such estimated expenditures are 100% appropriation offset for operating budgets and 100% revenue offset for the capital budget to avoid any impact on the city's tax levy. Actual fringe benefit costs, such as health care benefits, life insurance, and pensions, are budgeted separately in non-departmental accounts, which are funded from the property tax levy.

The amount included in each departmental (or budgetary control unit) operating budget on the line entitled "Estimated Employee Fringe Benefits" is subject to adjustment by unilateral action of the City Comptroller, during the budget year, if the actual rate charged against salaries paid is at variance with the estimated rate used in calculating the budgeted amount.

#### **Departmental Salary Appropriations**

Department net salary and wage appropriations reflect current wage rates and expenditures and are limited to these amounts. Funding of future salary increases is provided in the Wages Supplement Fund.

#### **Footnotes**

Section 18-06-12 of the Milwaukee City Charter states that the adoption of the budget shall be the authority for the expenditure by a department for the purposes therein provided and of the amounts assigned to the department thereby and no further action by the Common Council shall be necessary to authorize any department to make such expenditures. The City Attorney has advised that footnotes contained in the line item budget are informational only and not controlling over expenditures unless a corresponding resolution specifying the footnote's intent is also adopted by the Common Council.
