(Expires 6/13/2018)

The applicant stated the shooting last year was due to a robbery and he was brought inside until the ambulance arrived. She added the shooting this year occurred after bar close when a man on a bicycle attempted to sell a bottle of liquor to patrons leaving the premises, a fight ensued, and the guy was shot in self-defense. She added that she hired an armed security guard and she uses the ID scanner every night, so identification information is available if there is an issue. She stated that she broke her arm in March and has not been at the premises due to her injury. She stated that there are now lights in the parking lot and the security guard checks the lot to make sure all cars are gone after the premises is closed. She stated that people go outside and sit in their cars, but she doesn't know what they're doing because she does not go outside and watch the customers in their cars. She added that she does not want drug activity at her premises. She stated that she has been in business since 2002 and has had very few issues. She stated that a security guard shot someone in self-defense. She stated security use to be intermitted because of cost, but now she has security every night regardless of the amount of patrons. She stated her patrons are blue collar working class people during the daytime and it is quiet until 10:30 PM or 11 PM. She added that she is unaware of who was doing the shooting, so she does not know if they're regulars or not. She stated she is aware the issues have increased in the last couple of years. She stated that she is going to add more cameras outside and inside and have a DVR that can record from the cameras. She apologized for any issues that have arisen from the premises. She stated patrons love her place because it is a home away from home. She stated she asked the bartender to file charges against the person who beat him up, but he refused, which is why the incident was not brought up to Ald. Bohl. She added she has made some mistakes and times are changing. She stated people are being threatened by guns and she wants to prove she can turn her business around because she doesn't want to lose it. She added that her son is not a drug dealer.

Cpt. Boris Turcinovic stated the establishment is beyond the control of the applicant and her son is letting her down. He added that there have been two shootings in the last calendar year. Nicholas McVey 7924 W Appleton Ave stated in the past year he has witnessed shootings at least four times, drug trafficking at least a couple dozen times, and someone get abducted in the parking lot. He added that he's called 911 after each incident. He added that a patron urinated in front of his home and he called the police regarding the incident. He added that patrons parked in his parking lot and he contacted the applicant and her son regarding the issues.

Patrick McVey 7924 W Appleton Ave Apt 1A stated he agrees with the previous speaker. He added on July 26th the bouncer offered to sell him drugs. He stated that he believes people are being overserved and driving drunk.

Mark Schmidt 8048 W Potomac Ave stated he agrees with the previous speaker and his backyard is in line with the parking lot. He stated he was outside during the shooting in June and is concerned about the gun play. He added there has been an increase in violence and noise in the neighborhood.

Nia Walters 8015 W Potomac Ave stated she heard gunshots three nights in a row and called Assistant Chief Harpole. She added people are doubling parking and sitting outside in the summer and there did not used to be these types of problems. She stated at bar close patrons are milling around outside the premises and motorcycles are being revved.

Ald. Rainey asked about the clientele and who is doing the shootings.

Ald. Bohl stated there have been drug concerns at the premises for years. He added

that the concerns have been evident for a while and the applicant has been in contact with his office. He stated that the applicant never mentioned the beating inside the premises. He added that the applicant is present in the daytime, but not the nighttime. He added that the applicant's son may have been involved in some of the drug issues. He stated that the applicant is a nice person, but he is unsure that the applicant grasps the severity of the issues and the gravity of the situation. He added that these problems have not occurred overnight. He added that he does not have confidence in the applicant's ability to adequately manage the premises and is concerned about the safety of neighborhood residents.

Motion relating to the revocation of the Cigarette and Tobacco license of Jason Jones, agent for Villard Groceries & More, LLC, for the premises at 3520 W. Villard Avenue doing business as "Villard Ave Groceries & More" in the 1st aldermanic district.

Sponsors: THE CHAIR

Individuals present on behalf of the City:
Atty. Patrick Leigl stated this is the third time the licensee has appeared before the committee for this issue. He stated the licensee is cloaking the store with a new name and the owner Mr. Perry is still involved. The premises had its tobacco license revoked in November 2017 and now there is just a different business name. He added that Mr. Perry currently owns the premises and owned the premises at the time of the previous revocation. He stated the licensee was also employed at the location at the time of the previous revocation. He added there are numerous complaints going back to July 2016. He stated unlawful sale of tobacco has continued at this location.
PO Donald Krenzien stated he works with confidential informants for narcotics investigations. He stated he used a confidential informant was used to purchase single cigarettes from the premises on three occasions. He added that a camera was used for the first buy and the informant purchased single cigarettes from a black male and a black female employee of the premises. He stated that he was unaware if the licensee was aware that the employees were selling single cigarettes.
President Hamilton stated the same people involved in the previous revocation are still involved in the business. He added that it is the same activity and the same operators as last time. He stated there is loitering and other nuisance activity occurring at the

premises. He added neighborhood residents and neighboring businesses need relief from the loitering and nuisance activity occurring at the premises.

Lt. Warren Allen stated he has received complaints from businesses and residents of the area. He added there have been complaints about loitering and double parking and businesses are leaving the area because of the nuisance activity. He stated CLOs deal with complaints and calls for service for the premises. He stated MPD has been receiving, responding, and investigating complaints since 2015.

Individuals present on behalf of the licensee:

The licensee was present.

Atty. James Toran asked PO Krenzien if a body camera was used during the controlled buys. He asked if the sales were from the employees' personal cigarettes and if the licensee was aware the employees were selling single cigarettes. He stated the licensee took the business over in December 2017 after the previous owner's license was revoked. He stated that the licensee kept the previous employees. He added that the employees who sold the single cigarettes have since been terminated, and new employees have been hired. He stated there is no place to park so people have to double park. He added that the licensee is taking the steps he needs including firing old employees and installing security cameras. He stated the licensee has only had the business for 5 months and does not condone the actions of the former employees, but takes responsibility for their actions. He stated there has been no attempt to sit down and talk with the licensee about his business practices. He added the licensee is willing to work with the police and run a good business. He recommends a warning letter or suspension.

Ald. Kovac moved for revocation based on the revocation complaint, police testimony, and aldermanic testimony. (Prevailed 5-0)
