File Number 061098

To the Honorable, the Common Council

Dear Council Members:

Please find attached a "Title Only" resolution for authorizing the City Comptroller to transfer funds to undertake surface distress survey and roughness testing of pavements and retain additional consultant services to provide enhancements to the existing Pavement Management Administration System to be introduced at the next Common Council Meeting. It is our intent to insert the body of the resolution in this jacket prior to the meeting of the Public Work Committee of January 3, 2007.

Respectfully submitted,

Special Deputy Commissioner  
of Public Works
