Dear Jim,

I am pleased to recommend the re-appointment of Mr. Nicholas Roesler to the Safety & Civic Commission position for 2020. It has been a pleasure working with Nicholas and I have come to know him as a valuable asset to the department. He is honest, committed, and hard working.

A Milwaukee native, his knowledge in office operations and in criminal and safety issues in Milwaukee with a 20 years track record in the Department of Corrections for the State of Wisconsin is a huge advantage to the department.

Nicholas has truly used his skills, talents, and abilities to ensure the "safety and wellbeing" of the citizens of Milwaukee. Along with his talents, skills, and years of experience, he is truly a team player who works to ensure that the City of Milwaukee has safe sustainable safety goals for the future.

Therefore, I confidently recommend Mr. Nicholas Roesler's re-appointment to the Safety & Civic Commission for 2020. While now in better health and as a dedicated and knowledgeable employee I know that he will continue to get the job done!
