Dear Sir/Madam,

(Claim number: 13451647)

I am writing to file a claim against the City of Milwaukee to cover the cost of repairing the damage that was done to my 2007 Honda accord, due to a city owned tree falling on top of it. This incident occurred on March 17, 2023. My car was parked by a tree on the city street located near my home at 4758 N 46th St. Milwaukee, WI 53218. I came outside of my home and noticed some of the larger branches fell from the tree, causing extensive damage to the windshield, hood, roof, and the fender on the driver's side.

I am enclosing three estimates for the cost to repair the damages done to the car, and the cost to repair the windshield. The estimates range from \$290 (windshield repair) to \$3260 (car repair). Thank you for your assistance on this matter. I look forward to hearing from you as I am eager to have the repairs done to my vehicle as soon as possible.

Sincerely,

Duwone Ellis
