| DEPARTMENT OF PUBLIC WORKS – OPERATIONS DIVISION | -\$534,983 | -\$34,983 | -\$0.002 |

AMENDMENT INTENT

The intent of this amendment is to eliminate the \$500,000 in capital funding provided in the 2007 Proposed Budget for implementation of the "Sustainable Boulevard Plan" by the Department of Public Works – Operations Division, Forestry Section. The amendment would also return boulevard maintenance to the 2006 service level. It is also the intent of this amendment to eliminate position authority, salary funding and FTEs for one Urban Forestry District Manager position and 2 Urban Forestry Manager positions in the Department of Public Works-Operations Division, Forestry Section.

OVERVIEW

- In recent years, DPW-Operations Division, Forestry Section, has made a number of changes to the City's boulevard maintenance program in conjunction with funding reductions in adopted City budgets. The number and area of flower beds planted has been reduced, the mix of flower types planted has been modified and a policy of installing bed-only irrigation systems has been implemented.
- 2. The 2007 Proposed Budget calls for DPW's Forestry Section to begin implementation of a "Sustainable Boulevard Plan" in 2007. This plan is based on the *2006 Boulevard Plan* completed by DPW in May, 2006.
- 3. Under the Sustainable Boulevard Plan, all boulevard segments in the City will be classified as either "landmark," "gateway" or "connecting" boulevards. Irrigated flower beds will be maintained on landmark and gateway segments, while flower beds on connecting boulevards will be eliminated and replaced by grass and trees. On all 3 types of boulevards, "signature beds" with large, raised planting areas and dramatic plantings will be developed at key intersections.
- 4. The Sustainable Boulevard Plan also calls for fully automating the boulevard irrigation systems and for introducing rain garden elements on certain boulevard segments.
- 5. If approved, the Sustainable Boulevard Plan will be implemented over a 3-year period, with \$500,000 in capital funding being appropriated for this purpose each year. For 2007, these capital funds will be used for contracted installation of automated irrigation equipment (about \$260,000), salaries for 20 Urban Forestry Laborers (Seasonal) to assist in removal of plant material from flower beds being eliminated (\$140,000) and fringe benefits, topsoil, grass seed and other expenses relating to the re-ordering of boulevard flower beds (\$100,000).
- 6. From a personnel perspective, implementation of the Sustainable Boulevard Plan in 2007 is reflected in a shift in the funding of 20 of the Forestry Section's 40 Urban Forestry Laborer (Seasonal) positions (4.5 FTEs) from operating funds to capital. This shift is largely responsible for the small reduction in Forestry's O&M-funded personnel expenses for 2007.

- 7. The 2007 Proposed Budget includes position authority and funding for 3 Urban Forestry District Manager (SG 11) positions and 9 Urban Forestry Manager (SG 7) positions. The same number of positions was funded in the 2006 Budget.
- 8. One Urban Forestry District Manager and 3 Urban Forestry Managers are assigned to each of Forestry's 3 districts (Central, South and North).
- 9. The Urban Forestry District Manager position is responsible for directing and administering all functions in his or her district, including the planting and maintenance of boulevards, street trees, tot lots and other municipal properties. Specific duties include fiscal management, personnel administration, work scheduling, code enforcement, responding to citizen complaints and requests, and long-range planning.
- 10. The Urban Forestry Manager works under the direction of the Urban Forestry District Manager in administering activities relating to the planting and maintenance of street trees and City-maintained landscaped areas, including boulevard medians and tot lots. The Urban Forestry Manager is also part of the City's snow and ice control program and participates in planning and design activities relating to the planting of street trees and boulevard landscaping.

<u>IMPACT</u>

- 1. This amendment eliminates \$500,000 in capital funding for first-year implementation of the Sustainable Boulevard Plan. Since the amendment reduces the City's borrowing, it also trims \$12,500 from the City's 2007 debt service funding, for a total savings of \$512,500.
- 2. This amendment provides \$150,000 in O&M funding to restore boulevard maintenance to the 2006 service level. These funds will allow the shifting of 4.5 FTEs of Urban Forestry Laborer (Seasonal) positions from the capital improvements budget back to the O&M budget.
- 3. This amendment also eliminates position authority, funding, direct labor hours and FTEs for one Urban Forestry District Manager position and 2 Urban Forestry Manager positions in the Department of Public Works-Operations Division, Forestry Section, for a savings of \$172,483.
- 4. Since one of the 3 Urban Forestry District Manager positions will become vacant upon the retirement of the incumbent on November 9, 2006, this amendment will not require a lay-off of an Urban Forestry District Manager. However, because only one of the 9 Urban Forestry Manager positions is currently vacant, the amendment will require the laying-off of one Urban Forestry Manager.
- 5. The net budgetary impact of this amendment is a reduction of the 2007 Budget by \$534,983:

| Eliminate Sustainable Boulevard Plan | -\$512,500 |
|---|------------|
| Restore O&M funding for boulevard maintenance | \$150,000 |
| Eliminated 3 management positions | -\$172,483 |
| TOTAL BUDGETARY IMPACT | \$534,983 |

However, the tax levy impact of this amendment is a decrease of \$22,483 (\$150,000 in additional O&M funding for boulevards minus the \$172,483 savings from eliminating 3 positions). The tax rate impact of these changes is -\$0.002 per \$1,000 assessed valuation.

|--|---------------|--------------------|--------------------------------|
| DPW-Operations Division Sanitation Section | \$0.00 | \$0.00 | \$0.00 |

AMENDMENT INTENT

Eliminate the Curbside Recycling Cart Set-out Program with funding from the Recycling Efficiency Grant (\$130,000).

OVERVIEW

- 1. The State of Wisconsin's Recycling Efficiency Incentive Grant rewards Responsible Units that have made efforts to improve the efficiency of their recycling programs. For 2007, DPW anticipates receiving \$226,840 from this grant (File #060164).
- 2. Under the 2007 Proposed Budget, the Summer Curbside Recycling Cart Set Out Program will continue. Beginning In 2006, residents in certain areas of the City who receive curbside solid waste collection were required to bring their recycling carts to the curb between April and November. It was anticipated the program would result in annual savings of approximately \$150,000.

As the data below shows, the program has not generated the anticipated savings. DPW projects that when the program ends on November 10th;the net savings will be approximately \$87,110.

| Dates | 1 | Projected to November 10 th |
|--|------------|--|
| | (Actual) | |
| Estimated Labor Fleet Savings | \$117,857 | \$150,000 |
| Lost recycling revenue/land fill savings | (\$22,004) | (\$27,975) |
| Cost of extra missed collections | (\$27,434) | (\$34,915) |
| Net Savings | \$68,419 | \$87,110 |

- According to DPW, funding from the Recycling Efficiency Grant can be used to eliminate the 2007 Summer Curbside Recycling Cart Set Out Program. However, this would be a one-time use of the grant and other sources of funds will have to be found to continue the Program's elimination in 2008 and beyond.
- 4. Use of the Recycling Efficiency Grant to eliminate the 2007 Summer Curbside Recycling Cart Set Out Program funding will not be available to allow DPW to use a portion of the Grant (\$100,000) along with \$50,000 from the City's recycling contract to award a contract for the creation, production, and delivery of a recycling educational and promotional campaign. The campaign hopes to increase awareness and drive

greater participation in the City's curbside recycling program in general and to also develop and carry out creative and non-traditional approaches to communicate the recycling message to residents in the central city.

5. On July 12, 2006, the Common Council approved a resolution (File #060270) authorizing the Department of Public Works to issue an RFP for the provision of outreach, educational, and promotional services to increase participation in the City of Milwaukee's recycling program. In addition to an amendment to the restore the 3 Driver Worker positions eliminated in 2006, the Common Council will have to pass a resolution rescinding File #060270. The file (File #060625) to award the recycling outreach contract is currently being held (action taken on October 31, 2006) in the Public Works Committee.

IMPACT

- 1. The amendment eliminates the Curbside Recycling Cart Set-out Program with funding from the Recycling Efficiency Grant (\$130,000).
- 2. If the amendment is adopted, funding will not be available in 2007 for a recycling educational and promotional campaign.

| DEPARTMENT | BUDGET IMPACT | TAX LEVY IMPACT | TAX RATE IMPACT PER \$1,000 |
|--|---------------|--------------------|--------------------------------|
| DPW-Operations Division Sanitation Section | \$+62,000 | \$+62,000 | \$+0.002 |

AMENDMENT INTENT

To restore funding for 5 Auxiliary Sanitation Inspector positions to full-time status.

OVERVIEW

- 1. In 2006, DPW used 5 of 12 auxiliary Sanitation Inspector positions for the entire year.
- 2. One Sanitation Inspector was promoted to Sanitation Supervisor in June. There are currently four Sanitation Inspectors working for the Division with one Inspector assigned to DPW's north area, two assigned to DPW's central area and one assigned to DPW's south area.
- 3. Under the 2007 Proposed Budget, 4 auxiliary Sanitation Inspector positions will be funded for 9 months.
- 4. As a result of this reduction, there will be a reduction in the number of citations issued for sidewalk snow removal, carts not shoveled out and other sanitation related issues (debris on property, carts not returned to storage location, carts contaminated, etc).

IMPACT

The amendment restores FTE's and funding of \$62,000 for 5 full-time auxiliary Sanitation Inspector positions.

The budget effect of this amendment is +\$62,000.

The tax levy effect of this amendment is +\$62,000.

| DPW-Operations Division Sanitation Section | \$-3,720 | \$-3,720 | \$0.00 |

AMENDMENT INTENT

Eliminate \$3,720 for meteorological forecasts provided by Murray & Trettel, Inc.

OVERVIEW

In 2007, Murray & Trettel, Inc. will receive \$3,720 for providing meteorological forecasts, including a storm's projected path, to the Department of Public Works. The service Murray Trettel, Inc. provides includes notifying DPW personnel in the middle of the night of an approaching storm.

IMPACT

The amendment eliminates \$3,720 for meteorological forecasts provided by Murray Trettel. If this amendment is adopted, the start of a snow and ice control operation could be delayed because DPW did not receive timely information about an approaching storm

|-------------------------|---------------|--------------------|--------------------------------|
| DPW-Operations Division | \$-125,750 | \$-125,750 | \$-0.005 |

AMENDMENT INTENT

To reduce the number of new carts to be purchased by 2,500 from 22,500 to 20,000.

OVERVIEW

The 2007 Proposed Budget includes \$1,135,000 to purchase 22,500 garbage and recycling carts. DPW intends to have an outside vendor to do extensive repairs to 2,500 carts in 2007. In addition, the 2007 Proposed Budget continues funding for 2 Cart Maintenance Technician positions to do minor cart repair.

The table below shows the total number of carts placed each year since 2001.

| Year | # of Carts Purchased | # of Carts Placed |
|--------|----------------------|-------------------|
| 2001 | 25,000 | 17,572 |
| 2002 | 15,000 | 25,190 |
| 2003 | 15,000 | 18,020 |
| 2004* | 25,000 | 26,800 |
| 2005 | 25,000 | 23,500 |
| 2006** | 25,000 | 17,742*** |

^{*} includes 5,000 carts purchased with funding from the Common Council Contingent Fund

Based on citywide data the table below shows the reasons for cart replacements. Nearly half of the carts replaced are replaced because the carts are missing or stolen.

| REASONS FOR REPLACING CARTS | | | | |
|-----------------------------|------------|--|--|--|
| Reason | Percentage | | | |
| Additional Cart | 12% | | | |
| Broken | 15% | | | |
| Burnt | 1% | | | |
| Missing/Stolen | 51% | | | |
| New Start | 2% | | | |
| Worn Out | 19% | | | |

^{**} includes 5,000 purchased with one-time funding State of Wisconsin's Recycling Efficiency Incentive Grant
***Through 9/30/06

IMPACT

- 1. The amendment reduces the number of carts purchased from the proposed 22,500 to 20,000.
- 2. If the amendment is adopted DPW indicates it will run out of carts in 2007 and will request funding from the Common Council Contingent Fund to meet the 2007 demand for carts.

| DPW-Operations Division Sanitation Section | \$+46,000 | \$+46,000 | \$+0.002 |

AMENDMENT INTENT

Restore funding of \$46,000 for the collection of dead animals on private property.

OVERVIEW

- 1. Currently, citizens may request the DPW to remove dead animals from private property.
- 2. Beginning January 1, 2007, this service is proposed to be eliminated.
- 3. Under the proposal, DPW will remove dead animals only from the public right of way.
- 4. DPW annually collects 2,400 dead animals.
- 5. The estimated savings from this change in service is approximately \$46,000.

<u>IMPACT</u>

This amendment restores \$46,000 in funding to the 2007 DPW Sanitation Section's Other Operating Services account for the pickup of dead animals on private property.

AMENDMENT INTENT

To allocate \$295,000 in CDBG reprogramming funding in 2007 for the Neighborhood Weekend Clean-Up Box Program. (The amendment does not restore O & M funding to provide boxes outside the CDBG area.)

OVERVIEW

The 2007 Proposed Budget does not include funding for DPW's Weekend Box Program. The 2006 Budget included \$295,000 in Community Development Block Grant funding and \$40,000 in O & M funding for the program.

Under this program, DPW provides large roll-off dumpsters (boxes) for weekend neighborhood cleanups. The program is available April through October and approximately 85% of the boxes are placed in the CDBG area. The table below shows the number of boxes provided and tons collected from 1998 through 2006.

| Years | Boxes Provided | Tons Collected |
|-------|-------------------|-------------------|
| 1998 | 2,109 | 4,609 |
| 1999 | 2,008 | 3,942 |
| 2000 | 1,922 | 3,482 |
| 2001 | 1,910 | 4,435 |
| 2002 | 1,522 | 3,722 |

| 15 | W.HINES | 278 | <u> </u> | 18.5% | | |
| | | 1218 | 283 | | | |

IMPACT

- 1. Utilizing \$295,000 in CDBG reprogramming funds, this amendment restores funding for the Weekend Box program in CDBG area.
- 2. The amendment provides funding for equipment, operating expenses, salaries, and fringe benefits for two Operations Driver/Worker positions.
- 3. The amendment does not restore O & M funding to provide boxes outside the CDBG area.

|--|---------------|--------------------|--------------------------------|
| DPW-Operations Division Sanitation Section | \$0.00 | \$0.00 | \$0.00 |

AMENDMENT INTENT

To restore the Neighborhood Weekend Clean-Up Box Program and reduce the Damages and Claims SPA by equivalent amount of funding. (The amendment does not restore O & M funding to provide boxes outside the CDBG area.)

OVERVIEW

- 1. The Damages and Claims SPA provides for payment of general liability judgments against the city. The 2007 Proposed Budget provides \$3.875 million for the Damages and Claims Account. This amount is \$2,000,000 greater than the amount provided in the 2006 budget due to the potential exposure of the *Alexander* judgment now on appeal. The proposed funding for 2007 is otherwise based on the average of previous years and consideration of current legal trends.
- 2. The 2007 Proposed Budget does not include funding for DPW's Weekend Box Program. The 2006 Budget included \$295,000 in Community Development Block Grant funding and \$40,000 in O & M funding for the program for areas outside of the CDBG area.

Under this program, DPW provides large roll-off dumpsters (boxes) for weekend neighborhood cleanups. The program is available April through October and approximately 85% of the boxes are placed in the CDBG area. The table below shows the number of boxes provided and tons collected from 1998 through 2006.

| Years | Boxes Provided | Tons Collected |
|-------|-------------------|-------------------|
| 1998 | 2,109 | 4,609 |
| 1999 | 2,008 | 3,942 |
| 2000 | 1,922 | 3,482 |
| 2001 | 1,910 | 4,435 |
| 2002 | 1,522 | 3,722 |
| 2003 | 1,600 | 5,200 |
| 2004 | 1,620 | 6,980 |
| 2005 | 1,400 | 4,390 |
| 2006 | 1,501 | 3,600 |

The table on page 2 shows the number of weekend boxes placed in each Aldermanic District and the number of boxes of placed in the CDBG area and outside the CDBG area.

| | | 1218 | 283 | |

IMPACT

- 1. By shifting \$295,000 from the Damages & Claims SPA, this amendment restores funding for the Weekend Box program in CDBG area.
- 2. The amendment provides funding for equipment, operating expenses, salaries, and fringe benefits for two Operations Driver/Worker positions.
- 3. The amendment does not restore O & M funding to provide boxes outside the CDBG area.

| DEPARTMENT | BUDGET IMPACT | TAX LEVY IMPACT | TAX RATE IMPACT PER \$1,000 |
|------------------------------|------------------|--------------------|--------------------------------|
| DNS - Vacant Lot Maintenance | -\$ 59,674 | -\$ 59,674 | |
| DPW- Vacant Lot Maintenance | <u>-\$11,500</u> | <u>-\$11,500</u> | |
| Total | -\$71,174 | -\$71,174 | -\$0.003 |

AMENDMENT INTENT – This amendment reduces the Vacant Lot Maintenance SPAs by 10%. The SPA was separated into two SPAs: one provides \$115,000 in funding for DPW-Sanitation to clean up garbage on vacant and private lots and one provides \$596,735 in funding for DNS to perform all other vacant lot maintenance activities. Both SPAs are reduced by 10%. The total reduction is \$71,174.

OVERVIEW

- 1. The Vacant Lot Maintenance SPA was established in 2006 to pay for the tax-levy supported costs of maintenance for city owned vacant lots. This service had been funded as a grant by CDBG. Federal guidelines stipulate that grant funds can only be used for maintenance activities following the acquisition of property for a maximum of three years. DNS provided general maintenance, through private contractors, on vacant lots for grass cutting and snow removal, fencing, posting, grading and seeding, and tree removal.
- 2. The 2006 Proposed Budget funded the SPA at \$811,735, and through an amendment, the funding was reduced by \$100,000 to \$711,735 for vacant lot maintenance. CDBG provided \$218,755 in funding for maintenance of vacant lots only for the first three years of acquisition in 2006.
- 3. In 2007 the Vacant Lot Maintenance SPA will be split. DNS will provide general maintenance on vacant lots, through private contractors, \$596,735 in funding. DPW-Sanitation will be responsible for all nuisance garbage abatement on vacant lots that are referred by DNS, through \$115,000 in funding in a separate SPA. The \$115,000 reduced the DNS-Vacant Lot Maintenance SPA for clean-up. (In addition, DPW-Sanitation's Other Operating Services account was increased by a \$217,500 transfer from DNS's Community Sanitation Fund for removal of nuisance litter on private property.)
- 4. As explained by DNS Commissioner Marty Collins, in a letter dated October 16, 2006, "the intent of the change was to reduce the amount of time where re-inspection of clean-up orders show non-compliance . . . (DPW) will then abate them either through the use of city forces or by use of private contractors. One advantage of this is that DPW will be able to assess each case and determine, based on the availability of their staff daily and the nature of the problems, how to best proceed with the fastest available option." 78% of the orders are complied with by the re-inspection date; 22% of the cases will be referred to DPW. Their goal is to abate the litter condition in an average of 3 days from the date that DNS transfers the case.
- 5. In 2007, CDBG will continue to provide \$218,755 in funding for maintenance of those vacant lots that have been acquired within the last three years.
- 6. If funding is decreased by 10%, DNS indicates that the estimated breakdown of costs for activities in the DNS Vacant Lot Maintenance SPA include:

| | '06 | '0 7 | Amended |
|--|------------|-------------|-------------|
| Activity | Funding | Proposed | '07 Funding |
| Grass cutting | \$240,00 | \$240,00 | \$210,000 |
| Snow Removal | 150,000 | 150,000 | 150,000 |
| Grading & Seeding | 66,735 | 66,735 | 66,735 |
| Tree pruning, planting and removal | 50,000 | 50,000 | 50,000 |
| Clean-up, posting, barricading, fencing* | 150,000 | 35,000 | 5,326 |
| Tire disposal | 5,000 | 5,000 | 5,000 |
| Taxes, special assessments | 50,000 | 50,000 | 50,000 |
| Total | \$711,735 | \$596,735 | \$537,061 |

^{*} In 2007, DPW-Sanitation is responsible for clean-up.

7. If 10% of the funding is reduced, DPW will have \$11,500 less to respond to clean-up referrals. DNS states that activities associated with grass cutting will eliminate 1 cutting in spring, for \$30,000, and reduce posting, barricading and fencing to only emergencies, \$29,674. There is a possibility that this reduction will violate city code if the grass reaches 9 inches or higher. There are approximately 3,000 to 3,1000 vacant lots requiring maintenance, with a 10% annual turnover. In 2006 aldermanic and citizen complaints increased.

IMPACT

- 1. This amendment reduces the funding for two Vacant Lot Maintenance SPAs by \$71,174, 10%. The DNS SPA will be reduced by \$59,674, from \$596,735 to \$537,061 and DPW SPA will be reduced by \$11,500, from \$115,000 to \$103,500.
- 2. The impact will decrease the budget and tax levy by \$71,174. The tax rate will decrease by \$0.003 per \$1,000.

<u>AMENDMENT INTENT</u> – This amendment reduces the Vacant Lot Maintenance SPAs by 15%. The SPA was separated into two SPAs: one provides \$115,000 in funding for DPW-Sanitation to clean up garbage on vacant and private lots and one provides \$596,735 in funding for DNS to perform all other vacant lot maintenance activities. Both SPAs are reduced by 15%. The total reduction is \$106,760.

OVERVIEW

- The Vacant Lot Maintenance SPA was established in 2006 to pay for the tax-levy supported costs of maintenance for city owned vacant lots. This service had been funded as a grant by CDBG. Federal guidelines stipulate that grant funds can only be used for maintenance activities following the acquisition of property for a maximum of three years. DNS provided general maintenance, through private contractors, on vacant lots for grass cutting and snow removal, fencing, posting, grading and seeding, and tree removal.
- 2. The 2006 Proposed Budget funded the SPA at \$811,735, and through an amendment, the funding was reduced by \$100,000 to \$711,735 for vacant lot maintenance. CDBG provided \$218,755 in funding for maintenance of vacant lots only for the first three years of acquisition in 2006.
- 3. In 2007 the Vacant Lot Maintenance SPA will be split. DNS will provide general maintenance on vacant lots, through private contractors, \$596,735 in funding. DPW-Sanitation will be responsible for all nuisance garbage abatement on vacant lots that are referred by DNS, through \$115,000 in funding in a separate SPA. The \$115,000 reduced the DNS-Vacant Lot Maintenance SPA for clean-up. (In addition, DPW-Sanitation's Other Operating Services account was increased by a \$217,500 transfer from DNS's Community Sanitation Fund for removal of nuisance litter on private property.)
- 4. As explained by DNS Commissioner Marty Collins, in a letter dated October 16, 2006, "the intent of the change was to reduce the amount of time where re-inspection of clean-up orders show non-compliance... (DPW) will then abate them either through the use of city forces or by use of private contractors. One advantage of this is that DPW will be able to assess each case and determine, based on the availability of their staff daily and the nature of the problems, how to best proceed with the fastest available option."

 78% of the orders are complied with by the re-inspection date; 22% of the cases will be referred to DPW. Their goal is to abate the litter condition in an average of 3 days from the date that DNS transfers the case.
- 5. In 2007, CDBG will continue to provide \$218,755 in funding for maintenance of those vacant lots that have been acquired within the last three years.
- 6. If funding is decreased by 15%, DNS indicates that the estimated breakdown of costs for activities in the DNS Vacant Lot Maintenance SPA include:

| | '06 | '0 7 | Amended '07 |
|--|------------|-------------|-------------|
| Activity | Funding | Proposed | Funding |
| Grass cutting | \$240,00 | \$240,00 | \$180,000 |
| Snow Removal | 150,000 | 150,000 | 150,000 |
| Grading & Seeding | 66,735 | 66,735 | 66,735 |
| Tree pruning, planting and removal | 50,000 | 50,000 | 50,000 |
| Clean-up, posting, barricading, fencing* | 150,000 | 35,000 | 5,490 |
| Tire disposal | 5,000 | 5,000 | 5,000 |
| Taxes, special assessments | 50,000 | 50,000 | 50,000 |
| Total | \$711,735 | \$596,735 | \$507,225 |

^{*} In 2007, DPW-Sanitation is responsible for clean-up.

7. If 15% of the funding is reduced, DPW will have \$17,250 less to respond to clean-up referrals. DNS states that activities associated with grass cutting will eliminate 2 cuttings in spring, for \$60,000, and reduce \$29,510 from posting, barricading and fencing to emergencies. There is a likelihood that the reduction in grass cutting will violate city code when the grass reaches 9 inches or higher. There are approximately 3,000 to 3,1000 vacant lots requiring maintenance, with a 10% annual turnover. In 2006 aldermanic and citizen complaints increased.

IMPACT

- 1. This amendment reduces the funding for two Vacant Lot Maintenance SPAs by \$106,750, 15%. The DNS SPA will be reduced by \$89,510, from \$596,735 to \$507,225 and DPW SPA will be reduced by \$17,250, from \$115,000 to \$97,750.
- 2. The impact will decrease the budget and tax levy by \$106,750. The tax rate will decrease by \$0.004 per \$1,000.

AMENDMENT INTENT

Footnote the \$906,500 in capital funding to upgrade the South 35th Street to indicate that no funds may be expended for this purpose without prior Common Council approval.

OVERVIEW

1. The \$906,500 in funding included in the 2007 Proposed Budget to upgrade the South 35th Street Facility is to allow the consolidation of Sanitation and Forestry operations at the site. Once the upgrades are completed, Forestry's south office (2024 W. Holt) will be sold. Funding is based on the estimated cost of implementing recommendations made by a consultant's citywide study of the DPW Operations Division's facilities.

The consultant's recommendations for the South 35th Street facility include the following:

- Create four entrance/exits to the site, one from Lincoln Avenue by the main building, one from Hayes into the Forestry Storage Area, one from Hayes to the salt storage area and one from the cul-de-sac on Hayes into the combined storage area. The propose of these recommendations is to isolate functions on the site and minimize conflicts between operations.
- If possible, renovate/or reuse the Water building for all office and personnel functions for the area.
- Create a new employee parking area at the rear side of the Administration building.
- Construct a Forestry vehicle storage building.
- Demolish the existing Sanitation administration building at 35th Street
- Obtain an easement from the Lincoln garage site to the new parking area to allow Sanitation vehicles to travel from the Transfer station to the parking area without entering a public roadway.
- Move the Forestry storage shop and areas to the West side of the South 35th Street site.
- Upgrade the existing salt shed to a soils shed.
- Construct a plow blade storage building.
- Construct a barrier wall to hide the Forestry material storage.
- Add a bulk water sales point at this site.
- 2. The implementation of the consultant's recommendations will be considered as part of the design and architectural phase of the project.

<u>IMPACT</u>

This amendment has no fiscal impact. (Passage of a companion resolution is necessary to implement the footnote.)

| Wages Supplement Fund SPA | \$-1,200,000 | \$-1,200,000 | \$-0.044 |

<u>AMENDMENT INTENT</u> – To eliminate funding for a cost of living and step increases for all management employees and elected officials.

OVERVIEW

- 1. The 2007 Proposed Budget provides \$9,720,000 for the Wages Supplement SPA, a decrease of \$425,000, -4%, from the \$10,145,000 provided in the 2006 Budget.
- 2. This account funds anticipated wage and fringe benefit shortages resulting from negotiated collective bargaining agreements. In many circumstances, settlements are achieved after the budget has been prepared or adopted which results in shortages in departmental wage and salary accounts late in the year.
- 3. The following chart indicates the annual adjustment of salary from 1991 through 2006.

Salary Adjustments - Various Categories of City Employees, 1991 - 2006

- * Those management salary grade pay steps that exceed \$50,000 annually as of Pay Period 26, 2001, remained at 2001 rates for Pay Periods 1 16, 2002. Effective Pay Period 17, 2002, the 3.0% increase for 2002 was applied to all earning over \$50,000, except for elected officials; their increase were delayed until Pay Period 1, 2003.
- ** Effective Pay Period 1, 2004, those management employees in salary grade 11 and above, and all elected officials, were frozen at 2003 rates of pay for calendar year 2004.
- *** Effective Pay Period 1, 2005, an additional 2.5% adjustment was added to the base salary of all management employees in salary grade 11 and above, and all elected officials (excluding the Mayor and Common Council members) to restore pay equity with employees at salary grade 10 and below. However, there was no retroactivity for employees of salary grade 11 and above in terms of receiving a retroactive amount equal to the frozen amount from 2004.
- ** Effective Pay Period 1, 2004, those management employees earning at least \$90,000 and entitled to a step increase in 2006, did not receive a step increase in 2006.

EFFECT

The budget effect of this amendment is \$-1,200,000

The tax levy effect of this amendment is \$-1,200,000

AMENDMENT INTENT

Increase the personnel cost adjustment by 10% for all city departments except the Police Department and the Fire Department

<u>OVERVIEW</u>

This amendment increases the "Personnel Cost Adjustment" by 10% in all city departments, except the Fire and Police Departments.

The "Personnel Cost Adjustment" is a deduction from the salary accounts from each department based upon an estimation and projection of the number of vacancies for the upcoming year. These projections are based upon historical vacancy data in the department.

In addition to the budget and the tax levy effect of this amendment, the practical effect in the various departments in 2007 will be to hold open vacant positions for a longer period of time.

EFFECT

The budget effect of this amendment is \$-381,816.

The tax levy effect of this amendment is \$-381,816.

OTHER INFORMATION

The fiscal effects of this amendment include both salary and fringe benefits adjustments.

The Police and Fire Departments are exempted from the provisions of this amendment.

AMENDMENT INTENT

Increase the personnel cost adjustment by 5% for all city departments except the Police Department and the Fire Department

OVERVIEW

This amendment increases the "Personnel Cost Adjustment" by 5% in all city departments. except the Fire and Police Departments.

The "Personnel Cost Adjustment" is a deduction from the salary accounts from each department based upon an estimation and projection of the number of vacancies for the upcoming year. These projections are based upon historical vacancy data in the department.

In addition to the budget and the tax levy effect of this amendment, the practical effect in the various departments in 2007 will be to hold open vacant positions for a longer period of time.

EFFECT

The budget effect of this amendment is \$-190,907.

The tax levy effect of this amendment is \$-190,907.

OTHER INFORMATION

The fiscal effects of this amendment include both salary and fringe benefits adjustments.

The Police and Fire Departments are exempted from the provisions of this amendment.

| Capital Improvements Budget: Housing Trust Fund | \$+5,000,000 | \$+0 | \$+0.000 |

AMENDMENT INTENT

This amendment provides \$5 million in general obligation borrowing authority for a Housing Trust Fund. Note: It is assumed that borrowing for this program will not take place until Fall 2007 at the earliest and future debt service is expected to be paid from revenues outlined in the Housing Trust Fund ordinance..

OVERVIEW

One financing recommendation proposed by the Housing Trust fund Task Force and approved by the Common Council provides for the City of Milwaukee to issue up to \$5 million general obligation authority for start up costs.

This amendment provides for the following:

- \$5 million in general obligation borrowing authority for a Housing Trust Fund start up costs with a footnote that the funds are to be expended pursuant to an agreement between DOA and DPW.
- Borrowing will not take place until at least Fall 2007.
- Future debt service is expected to be paid from revenues outlined in the Housing Trust Fund ordinance.
- Revises the Subtotal Grants and Aids Projects (3) referenced on page 580.1 in the proposed budget to accommodate the intent of this amendment

IMPACT

By adopting this amendment, the budget increases by \$+5,000,000 but neither the property tax levy nor the tax rate is impacted.

|------------------------------|---------------|--------------------|--------------------------------|
| Borrowing Authorizations-MPS | \$0.00 | \$0.00 | \$0.00 |

AMENDMENT INTENT

Increase Borrowing Authorizations for Milwaukee Public Schools ADA Compliance Program.

OVERVIEW

- The American with Disabilities Act provides comprehensive civil rights protections to individuals with disabilities. Under this law, MPS must make facilities accessible to students, employees and the public with disabilities, requiring alterations to existing facilities, as well as compliance in new construction.
- 2. The amendment increases borrowing authorizations for Milwaukee Public Schools ADA Compliance Program by \$2 million.

IMPACT

- 1. The amendment has no budget effect.
- 2. The amendment has no tax levy impact.
- 3. Debt service associated with this borrowing will be paid by MPS.

AMENDMENT INTENT

To reduce the funding for the Common Council Contingent Fund by \$250,000.

OVERVIEW

This amendment will reduce the funding for the Common Council Contingent Fund by \$250,000.

City Contingent Fund spending has been authorized since 1874, when the state legislature enacted a new charter for the City of Milwaukee. Currently, the fund is authorized by Section 18-04-4 of the Milwaukee City Charter and state statute. The Contingent Fund provides for unanticipated needs by enabling transfer of funds into existing or new accounts. Other applications of the funds may be for emergency uses or for purposes for which no express provisions are made in the Budget. Unspent funds revert to the Tax Stabilization Fund. Contingent Fund appropriation requires a 3/4 vote of the Common Council.

Discretionary Contingent Fund Expenditures

Although the Contingent Fund guidelines allow expenditures for discretionary items, these expenditures have been reduced in recent years compared to the period prior to 1992. In 2005, \$10,686 for discretionary items was expended This discretionary expenditure was to replace funds from various minor contribution accounts that reverted to the Tax Stabilization Fund.

Non-Discretionary Contingent Fund Expenditures

In 2005, the Common Council approved **\$4,989,314** in non-discretionary Contingent Fund Expenditures. The following major (+\$100,000) expenditures were approved in 2005:

Supplement Worker's Compensation - \$800,000

Supplement Various Departments Fuel Accounts - \$2,300,000

Snow and Ice Control Operations - \$800,000

Remission of Taxes- \$500,000

EFFECT

The budget effect of this amendment is \$-250,000.

The tax levy effect of this amendment is \$-250,000.

OTHER INFORMATION

The 2007 proposed budget provides \$5,500,000 for the Contingent Fund, the same amount as provided in the 2006 Budget. The 2006 Budget for the Contingent Fund was increased by 10% from 2005. This increase of \$500,000 was to compensate for additional risk related to uncertainty in the energy market, especially as this uncertainty applies to the price of natural gas for heating and the current volatility in gasoline prices. The volatility in the cost of energy is expected to continue in 2007.

In addition to volatile energy costs, the unpredictability of weather could expose the 2007 Contingent Fund to appropriations for snow and ice control. Contingent Fund expenditures for Snow & Ice Control were needed in 1990, 1993 – 1996, 1999 and 2000 and 2005.
