Notary Public, Milwaukee County, Wisconsin
My Commission Expires April 10, 2011

Notice is hereby given that an ordinance that will be introduced at the February 5, 2008 meeting of the Milwaukee Common Council, the essence of which is as follows:

Resolution reconsidering Common Council File No. 070964, being a resolution permitting a minor modification to the Detailed Planned Development known as Downer Avenue Redevelopment, Phase 1, on land located at 2574-2590 North Downer Avenue, in the 3rd Aldermanic District.

Whereas, Section 295-907-2(i) of the Milwaukee Code of Ordinances permits minor modifications to planned developments after approval of the Common Council; and

Whereas, The General Planned Development (GPD) known as Downer Avenue Redevelopment, on land located generally on the East Side of North Downer Avenue and South of East Park Place and land located generally on the

West Side of North Downer Avenue and the East Side of North Stowell Avenue, North of East Webster Place, was approved by the Common Council on February 27, 2007, under File No. 060705, which established a master plan; zoning, including height and building setbacks, and design standards for future development of certain properties along Downer Avenue; and

Whereas, The Detailed Planned Development (DPD) known as Downer Avenue Redevelopment, Phase 1, was approved by the Common Council on May 30, 2007, under File No. 070034; and

Whereas, The property that is the subject of the GPD and DPD is also located within the Downer Avenue local historic district and requires the approval of a Certificate of Appropriateness (COA) by the Historic Preservation Commission (HPC) for new construction; and

Whereas, On May 14, 2007, the HPC approved a COA and the HPC staff issued the COA on June 29, 2007; and

Whereas, On November 9, 2007, the Common Council in File No. 070964 approved a minor modification to the DPD that reflected, generally, the building footprint being moved slightly west and south, additional chamfering of the northeast corner of the building, elimination of basement-level parking (and slight reduction in overall parking spaces), and the retention of green

space and a tree at 2574-2590 North Downer Avenue; and

Whereas, Department of City Development (DCD) staff recommends that the Common Council, after reconsideration by means of this file, and after public hearing, re-affirm and ratify the minor modification to the DPD as reflected by the plans that were included in File No. 070964 (being the same plans that are included in this Common Council File); now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Common Council's adoption of File No. 070964 is approved, re-affirmed and ratified; and, be it

Further Resolved, That the modifications:

1. Are consistent with the spirit and intent of the GPD and previously approved DPD.
2. Will not change the general character of the GPD or DPD.
3. Will not cause a substantial relocation of principal or accessory structures.
4. Will not cause a substantial relocation or reduction of parking, loading or recreation areas. The original DPD called for 134 parking spaces - 29 of which would be public. The modified DPD calls for 118 parking spaces - 29 of which will be public. This is not a substantial reduction in overall spaces and the public spaces remain the same.

5. Will not cause a substantial relocation of traffic facilities.

6. Will not increase the land coverage of buildings and parking areas. The modified DPD reduces the land coverage of building area.

7. Will not increase the gross floor area of buildings or the number of dwelling units.

8. Will not reduce the amount of approved open space, landscaping or screening. The modified DPD will increase and preserve open space, including a lawn area with tree; and, be it

Further Resolved, That the minor modifications are again approved and are approved in accordance with the Milwaukee Code of Ordinances, Section 295-907-2(i).
