Schedule: www.milwaukee.gov/FamilyFlicks21477.htm

Other Tips

Go to the Milwaukee Kickers site at www.mksc.org and pick a soccer league to be a fan of!
Follow their games and cheer them on at various soccer fields throughout Milwaukee.

Play a version of the popular game Apples to Apples in a library. Have a friend name a concept (e.g. adventure, snobbery, inedible) and split up through the library to find a book that suits the concept. Reconvene at a reading table to discuss your loot and assign a winner. Do it all over again with new categories. Remember, libraries are quiet places. Write book titles down when possible to save staff from reshelving. Be a good guest and see how many great reads you can discover with this game!
