120.17 School district clerk; duties. The school district clerk of a common or union high school district shall:

* * * * *

(8)(a) Annually on or before November 6, deliver to the clerk of each municipality having territory within the school district a certified statement showing that proportion of the amount of taxes voted and not before reported, and that proportion of the amount of tax to be collected in such year, if any, for the annual payment of any loan to be assessed on that part of the school district territory lying within the municipality. Such proportion shall be determined from the full values certified to the school district clerk under s. 121.06(2)

* * * * *

(c) If an order of school district reorganization under Ch. 117 is effective after January 1 and before July 1 of any year, the school district clerks of the

school districts affected shall prepare the statement under par. (a) based on the equalized valuation of the school districts as altered by the order and related to the equalized valuation of the year upon which the tax levy is required to be made. If the school district clerk has filed such statement prior to the effective date of the order, the clerk shall file a corrected certification which shall be accepted by the clerks of the municipalities affected and acted upon by them as provided in par. (a). Failure of the school district clerk to file a corrected certification of the levy based on the equalized valuation of each of the municipalities or portions thereof within the school district shall be corrected by the school district clerk by an appropriate adjustment in the levy certified in the following year.

Note: Under s. 120.44 the officers of a unified school district have the powers and duties of a common school district.
