I Shekela M. Perry car stolen on Feb 5th 1:00am 2008. The car was found Feb 5th 2008 on Palmer and Brown Street. The officer who found my car was officer R. Fischer now when I was on the phone with the officer he told me that the only thing that was missing was two rims from the passenger's side all the speakers from the back dash speaker's from the door and speaker's and amp from the trunk. Now when I was talking to him he said that everything else was still in the car. The items that was in the car was my computer, my clothing my shoes title and resigation. The estimates for the computer at least \$4,500 now the receipts were stolen to. The estimate for the clothing was at least \$500 dollars. Now when me and my mother went down to the towing place & the young man took me to the back to get my items out I found out that everything was gone from the papers, and the receipts. So I went back in to make my complaint and investigation form and here I am writing you all. The number I can be reached at is (414) 263-6560 Thank you
