To the Honorable, the Common Council

Dear Council Member:

Attached is a resolution accepting a sewer and water easement document, SE-2500A & WE- 672A with Metz Holdings Inc. The easement is located over a portion of vacated North 10th Street and over a portion of vacated West Somers Street within the boundaries of Metz Holdings Inc. property. As part of the vacation, the city required an easement to maintain an existing combined sewer and water main located within the limits of the vacated area.

The easement has been executed by Metz Holdings Inc. and approved as to contents by the City Engineer.

We recommend adoption of resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes, P.E
Commissioner of Public Works
