This report is written by Police Officer David NOVAK, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 03/24/2016 at 8:30pm officers observed Milestone bar with patrons inside and security outside. The officer knew that there was no valid license for Milestone bar because the old license had expired and the applicant had not been approved for a new license yet. The officer found two bartenders serving alcohol. Neither bartender had a Class D operators license. One of the bartenders stated that Robert BOSTON was in charge but he was at the liquor store. BOSTON then walked in the bar. He stated he knew there was no license but he opened up because it was Milestones night to host a dart league. He stated that if he did not open, the new owners would be banned from belonging to the league. BOSTON was issued a citation for operating an unlicensed premise.

Regarding BOSTON:

Charge: Distribute Alcohol at Unlicensed Premise
Finding: Guilty
Sentence: Fined \$3,234.00
Date: 07/25/2016
Case: 16020606

2. On 04/09/16 at 3:01 am, Milwaukee police were dispatched to 2978 N Mother Simpson Way, Good Times Bar, for uncooperative staff members during a Shooting investigation. An officer attempted to talk with the bartender, identified as Robert Boston, who was not cooperating with

the officer. A tavern check was conducted and officers checked the 2nd floor for patrons and observed a running generator. Police verified that a generator was running power to an electrical cord that ran downstairs into the bar's electrical box on the 1st floor. An officer turned off the generator due to the fumes and opened several windows to attempt to vent the fumes. Upon doing so, all of the electricity for the building immediately shut off. When police asked Boston why there was a generator running, Boston stated "The city shut the power off on 04/07/16 due to a water main break on the street outside". When asked further about it, Boston changed his story stating the electricity was off due to a lapse of payment on the electrical bill. It was later learned that WE Energies took out the electrical meter and the power lines were literally cut on the exterior electrical pole. Officers also found the raw sewage coming from a drain in the basement. There was a pair of rubber boots on the stairs leading back up to the bar which had dry sewage on them. At approximately 4:00 am, Police made contact with the licensee Agnes Boone regarding the tavern check and informed her of the violations and health code issues inside her tavern. Boone stated she was aware that the generator was running power to the entire building and that due to a lapse in bill payment; the electricity was shut off some time earlier in the week. She stated she didn't know what the issue was if the "inspector's already cleared the bar to be open." Officers informed her that the bar was cleared prior to the electricity and sewage issues. A police supervisor was on scene and ordered that the bar close until further notice and Boston was advised he may not operate. Boston stated that he did not care if police instructed the bar to be closed because, "I've got mouths to feed and if my lawyer says I can be open when I call him. I'm going to open." Photos were taken of all issues, including the licenses.

PA-33E Narrative

This report is written by PO Russell MACRAE assigned to District 5-LATE POWER SHIFT (Tavern Car).

On 03-24-16 at approximately 08:30pm, PO Jose RIVERA and I (SQ#5469) were on routine patrol in the 900 block of W Chambers Street. As we approached Mother Simpson Way I observed "Milestone Bar" with loud music, lights on inside, and numerous people inside the bar including a security person outside the front door.

On 03-03-16, I received an email from PO Laurel LAMMERS of the District 5 - Community Prosecution Unit stating that the licensee of "Milestone Bar" identified, as Laron S. WILLIAMS was not planning on re-newing her Class B -Tav License and that it was set to officially expire on 03-09-16. PO LAMMERS further stated that she was in contact with the City Attorney Nick DeSiato as well and the MPD License Investigation Unit whom stated that the City of Milwaukee had not approved the new licensee applicant for "Milestone Bar" Agnes D BOONE. The earliest that BOONE is permitted to be heard on the matter would be at the Common Council meeting on 03-29-16. This meaning that no one is permitted to be on the premises nor allowed to have patrons of any kind inside the bar before 03-29-16 due to no Class B Licensee approved for the location.

Upon walking inside the tavern, I observed patrons playing darts, and drinking alcohol at the bar. I counted approximately 28 persons inside the bar. There were patrons paying money for drinks as well as being served drinks. I walked over a man whom I observed take money and serve a beer to a patron. This bartender was identified by WI-DL as Ray A. EVANS (b/m 12-02-62). I asked EVANS who was in charge in the bar. EVANS stated, "Rob is." Rob being identified as Robert L. BOSTON (b/m, 12-19-68) the former bartender/manager during last licensee. I asked EVANS if he had a bartending license, he stated "No, but Rob does.. he just ran to the liquor store to pick some things up." I then observed a female bartending as well who was identified by WI-DL as Linda A WILLIAMS (b/f, 02-19-70). I asked WILLIAMS if she had a bartending license, she stated "yes, but it's at home." I informed both EVANS and WILLIAMS to stop serving alcohol.

At that time BOSTON walked into the bar and we walked into the employee room to speak on this situation. BOSTON stated that he was aware that no one was allowed on the premises until there was a new licensee for the bar. BOSTON stated that the reason people were in the bar was due to the city-wide dart/pool league that "Milestone Bar" is a part of. All of the bars that participate take turns to host a "Sponsor Night" at their bar. March 24th happened to be the night that "Milestone Bar" was assigned to host. BOSTON stated that he attempted to reschedule "Milestone Bar's" night, however the league stated that it was impossible to accomplish at this point in the end of the league season. The league informed BOSTON that if he did not host his assigned night that "Milestone Bar" would not participate in the league anymore, thus preventing the future applicants for the premises. BOSTON stated that he "invested a lot of money in the league and I don't want it to go to waste for the next licensees who would swoop in and take my place in the league."

I made contact with the league secretary identified by WI-DL as Tracy Y. HARRIS (b/f, 11-28-68). HARRIS stated that she was unaware that there was a license issue with the bar. HARRIS further stated that she did not want the dart/pool league itself to be responsible for the potential license violation issued for "Milestone Bar". At that time a man identified as Andre L. ELLIS (b/m, 08-13-60) approached me and stated that he was the "Community Liaison" for the surrounding area and wanted to know what the issue was. I explained the circumstances to ELLIS regarding the lack of a licensee and the inability for patrons to be on premises. ELLIS then stated that he was connected with Alderwoman Milele COGGS and that there should be a special exception to the rules for the night. I informed BOSTON, HARRIS, and ELLIS that without a licensee there are no exceptions.

At approximately 09:00pm, Sgt. Robert CRAWLEY (SQ#5414) arrived on-scene. Sgt CRAWLEY took 9 photos of the patrons inside the bar as well as the posted licenses on the wall. Citations were issued to BOSTON, EVANS, and WILLIAMS regarding and citations were mailed to their listed addresses.

PA-33E Narrative

This report is written by PO David LETTEER, assigned to District 5, late power shift, Tavern Squad.

On Friday November 11th, 2016 a 9:58 p.m. PO Jeffrey KRUEGER and PO Michael DRISCOLL, Sq. 5462 were sent to the location of 508 W. Center St., Throttle Twisters Bar, to check for a crime scene, regarding an Armed Robbery, for the primary squad, Sq. 5290, PO Gregory MEYER and PO Lucas POLZIN.

Upon arrival they observed the bar was closed and there were drops of blood on the sidewalk in front of the bar, which led them to the address of 534 W. Center St. Both addresses are located in the city and county of Milwaukee.

As DRISCOLL and KRUEGER were checking the scene, Elonzo MANNING Jr., (b/m 11-03-73) arrived at the scene to inform DRISCOLL that he was the bartender at Twisters Inn, who was the only bartender working the bar when this incident happened. MANNING informed DRISCOLL that he closed the bar and left just before the police arrived at this location. MANNING went on to tell DRISCOLL that there was a black male and black female who came to the tavern to meet someone else at the bar. After a short time of being at the bar, the black male and black female began to argue and became disruptive. MANNING stated he asked them to leave the bar and they complied. MANNING stated at 9:30 p.m., he went outside to the parking lot on the west side of the building, when he observed the black female on the sidewalk bleeding from the head. MANNING stated he did not observe the person who did this to the black female.

Another person who was at the bar also spoke to DRISCOLL, Calvin ANDERSON (b/m 10-04-64). ANDERSON stated the black female and black male came to visit "NADLE". The two began to argue over the black female's Quest Card, when the black female went outside to smoke a cigarette. The black male then exited the bar out of the back door and was going to his vehicle, parked in the west side parking lot. He stated the black female then confronted the black male in the parking lot, by hitting him in the head with a bottle. The black male was then able to get the bottle and hit the black female in the head, causing a laceration to the female's head.

It should be noted that when DRISCOLL was speaking with MANNING, DRISCOLL asked MANNING if he had his bartender's license. MANNING stated he had a license, but did not have it with him. I checked LIRA for MANNING and found that he had a renewal of a permanent Class D license 07-06-2011. I could not locate anything further since 2011. The owner or licensee of the bar, Miley HOWARD (b/m 03-03-42) was not present for this incident and was notified on 11-12-16 at 8:36 pm, by PO Russell MACRAE, who was doing follow-up at the bar. PO MACRAE also found MANNING to be bartending on 11-12-16. MANNING informed MACRAE he had a license, but could not produce proof as to having a Class D license.

PA-33E Narrative

This report is written by PO Russell MACRAE assigned to District 5 – LATE POWER TAVERN CAR.

On 11/12/16 at approximately 08:00pm, PO Brian WUNDER and I (SQ#5469) conducted a Tavern Check at "TWISTERS INN" located at 508 W Center Street. I was notified by PO Michael DRISCOLL and PO Jeffrey KRUEGER (SQ#5462) that they responded to the location on 11/11/16 at 09:58pm for a Battery complaint. Upon their investigation it was discovered that the bartender identified as Elonzo MANNING JR. (B/M, 11/03/79) was operating as a bar tender without a Class-D License.

Upon my Tavern Check, I made contact with MANNING who was actively tending bar and serving patrons liquor. MANNING stated that he "had a bartending license" however it was kept inside the cash register that "was stolen recently." MANNING stated that he assumed that he had made another copy and thought it was in the current cash register. There was no license inside the register for MANNING, nor was there any record on LIRA of MANNING even having a license after a Class D renewal from 07/06/2011.

I informed MANNING to contact the owner of the tavern, Miley HOWARD (B/M, 03-03-42). After speaking with HOWARD on the phone regarding MANNING, He (HOWARD) stated that he would drive immediately to the bar so MANNING could tend bar under HOWARD'S Class-B license. When HOWARD arrived, I informed him that MANNING did not have a Class D license and would be receiving a citation regarding. The citation was mailed 12/11/16 to MANNING. Citation # J9816KHWRP.

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 4/25/2017 at 1:15 PM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
