REDACTED RECORD

Hello my name is _____ and I'm being overcharged for my vehicle that had the right to be park with property permit from company but was violated by Apys Brewing Towing company for violation of \$335 parking on sidewalk and grass. As I mentioned, my car was parked in that spot for three days with snow covered everything that made it hard to see. Never got a warning to moved car back of sidewalk/grass after snow melted.

They are not the City to make such high charges and both property management and Apys should be in violation for this.

Thanks

They charging me \$335 because of City violation and I want my violation letter. It don't cause that much and they are not the city who tow my car. However, there were snow that cover that area before it melted. So how could we see if it on the side walk and half grass. If I would of got a noticé, I would of moved my car backwards off the sidewalk. They said that they had nothing to do with the amount. It was the property manager. You have parking numbers and could of told of move car back because it is a parking space just parked to close up. As mentioned, it was filled with snow and couldn't see if you passed the sidewalk.

On Thu, Mar 26, 2020 at 1:24 PM

| Good afternoon,

It appears that your vehicle was parked over the sidewalk and on the grass, i'm not here to see how people park during the night. I can say, this is not the way to park. It actually is causing damage to the property, not saying you caused it. This is part of the reason why we made this into effect and actually started towing. It was brought to our attention that people were parking wherever they want.

When we spoke this morning you didn't mention anything about speaking to the towing company and you made it seem as you didnt know why it was towed. He sent you these exact photos. Unfortunately, you made the error of parking over the sidewalk and grass which gave them the right to tow it. I hope you were able to situated it with Apy's/Brew City Towing. He will keep on continuing doing his daily rounds. Having tenants do whatever they please is unacceptable and will not be tolerated here. I do my best to accommodate with everybody's needs, but if a tenant fails to comply with the companies rules, there are consequences. You are not the only one whos car has been towed. I have to keep repeating myself to everyone that is upset about their car being towed.

I apologize it had to be during this time, but we are all going through it and is affecting each and everyone of us.

Thank You

Subject: Formal Complaint

I'm . . . and I'm filing a formal complaint against Apys Cars/Brew City Towing. My car was towed under false pretenses. Brew City Towing patrols the lot for 3901 N Humboldt Blvd which is owned by Map East LLC and managed by Bieck Management. I live next door at . . . which is owned and self-managed by HJ Zolper and Sons (who use All City Towing for parking infractions). On Wednesday, April 15th I parked my car on the edge of the back parking lot of At 1:03 pm I came outside and my car was gone. No notice was given whatsoever. On the other side of the alley (3901). I saw a sign that read Apys Cars. I called their number and asked about my car. I was informed that I didn't have a permit to park there.

Upon arriving at the business' address, I asked to speak with someone in authority. The receptionist called who I believed to be the manager and put her phone on speaker, he said his name was "Pete." I told him that he had no legal right to tow my car because it wasn't on the property they claimed I needed a permit for. He was elusive and oddly combative. After researching the zoning and calling Bieck Management I found out it was the City of Milwaukee's property. I informed "Pete" who disregarded the information and continued his diatribe. I began to record how hostile he was being and after the receptionist notified him he hung up the phone.

For recourse, I believe that Brew City Towing should be stripped of their license to operate in Milwaukee. One might view this as extreme but I believe the precedent needs to be set. For a company-- and I use the word loosely-- to tow a car from a location of which they have no jurisdiction, under false pretenses and to be able to profit from it is an absurdity, especially during a pandemic when people aren't working.

With Gratitude,

Hi Jessica,

Please inform us if Brew City Towing has filed a renewal application. If they have not, what happens when their license expires (our understanding is that it expires this month)? They have towed 103 vehicles so far this month, including 2 today.

We do object to their license renewal based upon the significant amount of money they owe the City.

Our department is not requesting to trigger a hearing. However, we want to provide the "Report Card" (see attached) for Brew City Towing. Brew City Towing owes a substantial amount to the City I think the committee needs to be aware of. Let me know if you have any questions or need anything else.

It looks like they have not yet filed a renewal application, however if DPW would like to object, I'd recommend sending us documentation ASAP to trigger a hearing in case they do file a renewal application.

Generally objections must be filed at least 45 days in advance of the expiration date to guarantee a hearing, but we can still accept one in this case since they have not attempted to renew the license yet.

We are compiling the Private Property Towing Report card for Brew City Towing. Their license expires Jan. 5th. I would like to speak and provide documentation at the meeting. The agent was cooperative and agreed to refund the citizens money.
7. On 12/24/20 Milwaukee Police were dispatched to Brew City Towing, located at 4030 W. Douglas Av., for a threat complaint. Investigation revealed a citizen complained that an employee on scene made verbal and bodily threats toward a citizen, causing the citizen to fear for their safety. Police requested to view the security cameras; however, employees denied having access or the ability to retrieve video. The agent was notified via telephone and was cooperative.
8. On 01/16/20 Milwaukee Police received information from a citizen, who's vehicle was towed from Save-a-lot parking lot, located at 6201 N. Teutonia, by a Tow Truck with the name "Apys" on the side. The tow was for illegally parking in a handicap parking spot. The citizen came out as the vehicle was being loaded on the truck bed and was yelling for the driver to put her car down, however, admitted the driver may not have heard her due to the noise of the truck. Milwaukee Police had prior knowledge that "Apys" is now "Brew City Towing", therefore, the officer contacted the agent of Brew City Towing and advised the agent of the drop fee and the improper name on the tow truck. The agent denied the name was improperly affixed, however, agreed to waive tow fees for the citizen.

On 07/10/19, I conducted a license premise check at 4030 W Douglas Av (Brew City Towing).

On scene was the agent Camareno NIETZCHE (h/m-09/07/87). NIETZCHE was cooperative.

There was some Chapter 93 violations to include: a non-consent towed vehicle on the yard with no tow reference number, an over-charge of customers of \$10.00 (suppose to charge \$35.00 for inside storage versus \$25.00 charge for outside storage), a tow truck that was not registered with the City (CAMARENO told me he was still paying off the vehicle to A+ towing and had not registered the tow truck in his name, yet, and that is why he did not notify the City), non display of non-consent tow fees in the tow truck and at the business (93-49(b),

I told NIETZCHE I would followup/conduct another license premise check in the near future.

I received a request to follow up regarding CAD #192050950. I went to Brew City Towing at 4050 W Douglas Av, on 08/07/19. The agent, Nietzsche CAMARENO, did meet me.

Regarding this CAD incident:

LICENSE PREMISE REPORT

See, Jeanine 012877

12/23/2020

This report is typed by P.O. Jeanine See, assigned to CIB-General Crimes.

On 12/16/20, I received a call/complaint from Kendra C Jackson (05/09/91-#414-793-7910) that her vehicle was illegally towed (#2013500) on 12/15/20, by Brew City Towing, from 2338 W Linwall Ln, which is New Hampton Gardens.

Jackson told me the vehicle, a 2009 Dodge van, was parked in the parking lot they reside at. Jackson told me there was no "No Parking" signs posted at the entrances of the lots. Jackson sent me a copy of the invoice Brew City gave her when she paid for the tow and picked up the van on 12/15/20.

The invoice showed an illegal overcharge of \$50.00, which is a violation of Wisconsin Department of Transportation Chapter Trans 319.03(1) and City of Milwaukee Ordinance Chapter 93-4-f. I attached a copy of the invoice to this report, upper left corner under "Attach".

On 12/16,20, I contacted Brew City Towing manager Jaime Blas. I asked about the overcharge and Blas said the charge was because Jackson and/or the vehicle was not insured. Brew City charged Jackson to tow the vehicle to the street, from their storage yard, because the vehicle did not have insurance. Blas said there is a lawsuit with the City of Milwaukee, which allowed him to charge any amount he wanted for a "tow out" fee.

I then asked Blas to email me the required information regarding this non consent tow. Information would include a contract with the authorized agent or owner, to include adequate identification, or all the adequate identification of who called for this tow.

Blas told me "Amber", who is a site manager on Linwall had not signed and returned the contract. Blas told me they have had a verbal contract with Amber since 11/01/20. Blas told me Amber called Brew City, "about midnight" to request the tow of this vehicle. Blas gave me Amber's phone number. I called Amber. Amber told me she was not involved with the contract to to contact "Anita" (#312-644-1055) at their corporate office. I asked Amber what her position was at Hampton Gardens and if she was authorized for the non consent tows. Amber told me she already told me she was not getting involved and to contact corporate. Amber was not cooperative.

On 12/21/20, Blas sent me an email that stated he was still unable to contact Amber and if I had anymore questions, I was to contact their legal counsel. Blas was unable for provide Amber's last name and date of birth until 12/22/20. Blas still did not provide me with "Adequate Identification", as of

12/23/20, as required by Chapter 93-3-1,93-47-2-b, 93-47-4-c and WI Trans 319-03(1). On 12/22/20.

I then asked Blas for a copy of the pictures taken the signs posted at all entrances to the parking lot at New Hampton Gardens. Blas told me he gave the signs to Amber, but the company has not posted the signs, so he was unable to provide me with photographs. This is a violation of violation of 93-47-d-2.

On 12/21/20, I called the agent for Brew City, Nietzsche Camareno, who was cooperative. I told Camareno about the above listed violations. Camareno told me he heard about the situation. Camareno told me he would refund Jackson for the illegal tow.

On 12/22/20, Blas emailed me a copy of the contract for Hampton Gardens. The contract had a not legible signature and no "Adequate Identification". I replied to Blas email regarding this.

I gave Camareno verbal warnings based on the fact that he would refund Jackson. If the refund does not occur, I will issue Camareno citations.

It should be noted, I have met with Camareno and Blas, several times over the last couple years regarding Chapter 93.

INCIDENT WITH LICENSE PREMISE

See, Jeanine 012877

01/30/2020

This report is typed by P.O. Jeanine SEE, assigned to CIB-Stolen Vehicle Unit, Day Shift.

On 01/16/2020, at about 300pm, I received a call from Chastity D Johnson (b/f-08/04/99), 6049 N 41st St, Milwaukee, WI 53209, #414-364-7179. Johnson told me her vehicle was just towed from Save-A-Lot located at 6201 N Teutonia Av. (tow reference #1734023).

Johnson told me she parked in a handicap spot, without a handicap tag. Johnson's cousin was sitting in the car while Johnson went into the store. A short time later the cousin came into the store to buy something else, leaving the vehicle vacant. Johnson came out and saw her vehicle was being hooked up by a tow truck. Johnson ran up to the drivers door of the tow truck. Johnson described the driver as: Hispanic Male with glasses. Johnson stated the tow truck was still loading the vehicle, Johnson described the action as: the lift was going under my car and lifting my car up. Johnson told me she did not see the tow driver put any straps on the vehicle (Trans. violation).

Johnson said she was yelling at the driver of the tow truck, but he did not look at her. Johnson said it was possible the tow driver did not hear her yell because the tow truck was loud.

Johnson told me the tow truck was black with "Apys" written on the side of the tow truck.

Johnson did not take any pictures of the truck or driver. Johnson told me she was going to Brew City to get her car, but was waiting for her boyfriend to pick her and her cousin up at Save-A-Lot.

Apys is now Brew City Towing, located at 4030 W Douglas Av. Same related owners.

Johnson went to Brew City to get her car. I called for a squad to meet Johnson because Johnson was so upset; yelling. I am also aware Brew City has a significant history of calls for service at their business, for irate customers.

I then called the agent of Brew City, Nietzsche Camareno-Cirino. I explained that the tow driver did not offer the Drop Fee (93-47-3-b). I did tell Camareno, based on Johnson's information, the driver may not have known she was standing next to the vehicle. Camareno told me he would call the employee at the office and tell them to waive the tow fees. I also asked Camareno about the Apys truck. Camareno insisted the tow truck said Brew City. Violation 93-45-1-c-3.

Johnson called me. I told Johnson Brew City was going to waive the tow fees. Johnson told me, while she was on the phone, at Brew City that the employee was walking out of the office, locked the door and was holding a can of Mace, towards Johnsons face. While on the phone, the employee left the premises.

I called Nietzsche back and told him the employee just left. Nietzsche said he would call the employee back

to give Johnson the vehicle.

Johnson called me back a short time later and told me she got her vehicle, she was on her way home and no tow charges.

I cancelled the squad.

Verbal warning, but i will followup to check all tow trucks follow Chapter 93 and are on file with the License Division.
