Tim
Sorry for the delay.
Attached are some additional images for 1, 2, and 4
Regarding #3 – yes only at that door.

Please let me know tomorrow if there is anything else you need for this.
We really need this to go smoothly in order to be sure that we get those jobs downtown.

Thank you

Greetings Gentlemen,

I have some follow-up questions on your application.

1. How many Riverwalk-side signs will be installed?
2. Where precisely will the Riverwalk side sign(s) be? (Rough squares drawn on a photo taken from across the river would be sufficient). I can take such a photo myself, if necessary.
3. Water Street entry signage: is it just at the south door under the 735 canopy?
4. Monument sign: from our discussions and your early mockups, I understand it to be roughly at the corner of Water and Mason. Is this correct? Regardless of the location, I will need a rough sketch map of its proposed location.
