Honorable Marina Dimitrijevic
Alderswoman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14TH ALD. DIST. - FILE #211182
INSTALL YIELD SIGN ON SOUTH ALLIS STREET
AT EAST WARD STREET

Dear Alderswoman Dimitrijevic:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that motorists on South Allis Street should be yielding the right-of-way to motorists on East Ward Street due to the geometrics of the intersection and therefore recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Jerrel Kruschke, P.E.
City Engineer
