Re: C.I. File NO: 08-S-484

CITY OF MILWAUKEE
RECEIVED
2008 JUL 22 PM 3:52
OFFICE OF
CITY ATTORNEY

Dear Mr. Langley or other whom it may concern,

I wish to appeal the cities decision regarding the theft of the G. P. S. from my vehicle when it was towed to and stored to the city lot as I described via the PT-27 form. It is nearly impossible that it was removed from the vehicle prior to towing as it was on a busy street with the doors locked for at most two hours before it was towed. I know it was there when I left the car and know it was missing when I got my car back. It is obvious to me it was stolen because the person stealing it felt they would not be caught. By not successfully pursuing this the city is giving a signal to the criminal that they can do this again.

It troubles me greatly that employees working for the city can indiscriminately steal from citizens while presumably performing their duties for the city. I do not feel I should let this rest.

Sincerely,

Sally A. Massman

CITIZEN'S STATEMENT

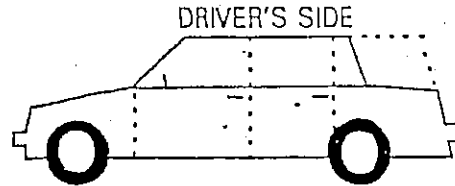

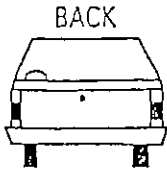

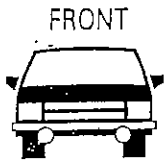

My car was towed some time after 10:00 AM on 5/16/08. I picked it up at the Lincoln Lot. I arrived there approximately 4:30 PM; 5/16/08. It is now 7:30 PM and I just got my car. When I went inside my GPS was missing. When I left my car, it was on the passenger seat with a piece of paper on top so it wouldn't overheat and no one would steal it. The car was locked. The GPS is now gone. It was not in the car when the driver brought it out of the lot. It is about \$300 (MNO C320) that I got as a Christmas present this last Christmas. (Dign Walker) S.M.
