MCO Section 68-4 (11)

I enclose a letter dated December 18, 2003 from Alderman Willie Hines, requesting that the Health Department hold the application for a license filed by Leonard Massey. Mr. Massey wishes to operate a food store at the above location. This location has previously been operated as a food establishment.

Per the MCO section 68-4 (10), if there is an objection to an application for a new or renewal license related to Section 68-4 (11), the Commissioner shall so notify the City Clerk. The Utilities and Licenses Committee holds a hearing on whether to issue the license.

Should you have questions regarding this matter, please contact Loyce C. Robinson, the Health Department's Consumer Environmental Health Division Manager at 286-3674.

Dr. Seth Foldy, Commissioner
Health Department
City of Milwaukee

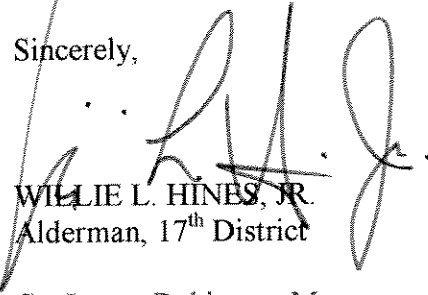

Dear Commissioner Foldy:

I am writing this letter with regard to the "Food Dealer" license application for the property located at 1801 W. Galena. I am requesting that your department "hold off" on granting the license until after a Utilities and Licenses (U&L) Committee meeting can be held for the location.

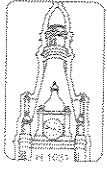

There have been increasing nuisance and alleged criminal activities in the area associated with the food vendor operations currently in the immediate vicinity of the aforementioned address. These activities and others, including but not limited to, loitering, have had an adverse impact on the quality of life for area residents. The potential for this quality of life to be further compromised by the granting of a "Food Dealer" license to 1801 W. Galena prior to a U&L hearing is substantial.

Thank you in advance for your consideration. Please contact me at extension(s) 2659 or 3965 if you have questions or would like to discuss this matter further.

Sincerely,

WILLIE L. HINES, JR.

Re: Request to Deny a Food License (332 N. Milwaukee Street) Pursuant to
MCO Section 68-4 (11)

I enclose an email dated December 15, 2003 from Lucy Krajna, Legislative Assistant in former Alderman Paul Henningsen's district, requesting the Health Department to deny the application for a license filed by Jason R. Metke. Mr. Metke wishes to operate a restaurant/tavern at the above location. This location has previously been a food establishment.

Per the MCO Section 68-4 (10), if there is an objection to an application for a new or renewal license related to Section 68-4 (11), the Commissioner shall so notify the City Clerk. The Utilities and Licenses Committee holds a hearing on whether to issue the license.

Should you have questions regarding this matter, please contact Loyce C. Robinson, the Health Department's Consumer Environmental Health Division Manager at 286-3674.
