Do you know the bar or bars in question? The health department should be monitoring and enforcing.

You are correct, a strong argument could be made that bars should be closed or at least closed early. The whole purpose of a bar is socializing and congregating-the precise behavior to be avoided.

Hello mayor Barrett and Alderman Bauman,

I am writing to bring to your attention the blatant disregard for public health and safety that is happening in the third ward. As Covid cases spike all over Wisconsin, we are now one of the worst states in the nation, with our seven day positivity rate over 20%. We also know that in the age range of 18-24 year olds, cases skyrocketed in the last month.

This is due to not only schools reopening but also partying and social activity. While these kids might not get severely ill, or even have any symptoms at all, they still contribute to community spread to their parents, teachers and strangers.

This photo has been circulating social media, with many people frustrated and angry. The bar owners, staff and patrons clearly are not taking the guidelines seriously. They need to be shut down or at the very least regulated. There is no reason for them to be operating this way. Bars and restaurants in NY districts are being shut down by their mayor and their cases are nowhere near what ours are at.

Please take action now, peoples lives are at stake here.  
Thank you for your time,

The below narrative was written by PO Jesse MATTSON.

"On Saturday March 6th 2021 at approximately 11:27 PM, I was deployed on a Code Red initiative to cover the area near Trinity located at 125 East Juneau Ave during "National Marquette Day". At approximately 11:23 PM, staff at Trinity informed me of they removed a patron for physically grabbing random female bar patrons. The person removed was identified as Zachary A. KLAUSER (M/W 12/13/1999). KLAUSER stated he left his phone inside the tavern. I attempted to locate his lost phone with staff of trinity. the phone was not located. KLAUSER then was asked to leave the area of the tavern because he was creating a distraction at the front door by conducting himself in an argumentative manner. KLAUSER's conduct was interfering with the operation of the taverns front door staff and line. I asked KLAUSER to leave because he was removed from the tavern for poor behavior. KLAUSER refused to leave the area after I had asked him to vacate 3 separate occasions over a 3 to 5 minute period. I explained to KLAUSER he was loitering and advised him he no longer had any justifiable reason at the tavern. KLAUSER refused to leave the immediate area of the front entrance to the tavern. I took KLAUSER into Poilce custody for loitering tavern related violations. KLAUSER was cited and released at District #1."
