Dear Alderman Bauman,

I vote to save the Miller High Life and Panther Arena. I have many fond memories of my first live music experiences at the Arena. This was in the Styx, Peter Frampton, ELO era (late 70's).

The Arena is a special place for Milwaukeeans. I also have recently seen Ringo Starr at the Miller High Life stage and had a wonderful time! That venue is also worth saving. So many of our historical buildings in MKE have been torn down, we need to save part of our past for future generations to enjoy.

Best,
