To Whom It Concerns;

My name is Lizzie Fendou. I'm
a widow. Since 1/16/95. There was
a fire in the alley twice in two
weeks.

The first one the fire department
came through my yard the fence gate
wasnt lock. On Jan 2, 2005, there
was another fire, but the fire department
came back through my yard. And
Cldt up the gate because it was
lock.

I have insurance which is
\$500.00 deductible. The damage on
my garage door and fence is \$5,360.00
I dont think I should have to pay
for some damage that I did not
do. Plus these are paid time I dont
have that kind of money. But I need
my gate fixed. There are all kind
of peoples runs through my yard when
the gate is not lock. I am a widow,
and I do get afraid. I'm requesting
a hearing. My claim no is 05-5-12
was denied. Please reconsider
I cannot do this along. I shouldn't have
to pay for something someone else did.

Thank you Mrs. Fendou

To The City Clerk
My name is Lizzie Fenelon I live at
the above address. Twice in a month
the fire department was called. They had to
put out a fire in the alley in back yard.
The first time it was a car on fire in the
alley in back yard on Sunday Jan 2, 2005 at
8:30 they had to come and put out a van
that was on fire in the alley.

Each time they come through my
yard. The last time they cut through
my side gate and messed it up. Then
I have a new garage door that they through
the garage door against and dent it
in a few places.

I have home owner insurance but
it is \$500.00 deductible. The damage
have been estimated at \$36.00 I am a
widow I cannot afford to pay for my
own fence and garage door. Near is
the estimate.

The Battalion 2 Engine 18 NO
on front Milwaukee 1/2/05 8:30 pm Sun.
I have the gate tied up with a old chain
so want no one walk through and mess
with my furniture in yard.

Thank You.
Mrs. Fenelon
