Security for the N4 Notes, B5 Bonds, T6 Notes and T7 Bonds

The N4 Notes, B5 Bonds, T6 Notes and T7 Bonds will be general obligations of the City, and payment thereof is secured by a pledge of the full faith and credit of the City. The City is authorized and required to levy on all taxable property in the City such ad-valorem taxes, without limitation as to rate or amount, as may be necessary to meet the debt service requirements on the N4 Notes, B5 Bonds, T6 Notes and T7 Bonds.

Under and by virtue of Sections 67.05(10) and 67.12(12)(ee), Wisconsin Statutes, the City is obligated to levy a direct annual tax sufficient in amount to pay, and for the express purpose of paying,

the interest on the N4 Notes, B5 Bonds, T6 Notes and T7 Bonds as it falls due, and also to pay and discharge the principal thereof at maturity. The City is, and shall be, without power to repeal such levy or obstruct the collection of such tax until all such payments have been made or provided for.

Under Section 67.035, Wisconsin Statutes, all taxes levied for paying principal of and interest on valid notes or bonds are declared to be without limitation. Under Section 65.06(18), Wisconsin Statutes, the omission from the budget of the payment of interest on or the principal of any bonded debt of the City when due shall not prevent the placing of the same on the tax roll for the levy and the collection of the tax and the payment of the money therefor.

Maturity and Interest Rates

The N4 Notes, B5 Bonds, T6 Notes and T7 Bonds are to be dated May 17, 2018, and will bear interest from that date at the rates, and shall mature each April 1 in the amounts and years set forth on the inside front cover pages of this Official Statement. Interest on the N4 Notes, B5 Bonds, T6 Notes and T7 Bonds will be payable commencing October 1, 2018 and thereafter semiannually on April 1 and October 1 of each year and is calculated on the basis of 30-day months and a 360-day year.

Redemption Provisions

The N4 Notes and the T6 Notes are **not** subject to redemption prior to maturity. The B5 Bonds and the T7 Bonds will be subject to redemption prior to their maturity, at the option of the City, on any date on and after April 1, 2027 at a price of par plus accrued interest to the date fixed for their redemption.

If less than all outstanding B5 Bonds or T7 Bonds are called for redemption, the B5 Bonds or T7 Bonds, as applicable, shall be called in such order of maturity as shall be determined by the City. If less than all of the B5 Bonds or T7 Bonds of the same series and maturity are called for redemption, the particular B5 Bonds or T7 Bonds of such series and maturity to be redeemed shall be selected by lot. Notice of redemption shall be mailed, postage prepaid, no earlier than 60 days and no later than 30 days prior to the redemption date, to the owners of any B5 Bonds or T7 Bonds to be redeemed in whose name such B5 Bonds or T7 Bonds are registered as of the date of the notice. Any defect in the notice shall not invalidate the notice. The record date for receiving payment of the redemption price shall be the 15th calendar day (whether or not a business day) prior to the redemption date. While in Book Entry Form, as the Registered Owner, DTC will receive the Redemption Notice. The City is not responsible for DTC's notification of redemption to Participants and Beneficial Owners.

Statutory Borrowing Limitation

Wisconsin Statutes limit direct general obligation debt the City may issue. The issuance of the N4 Notes, B5 Bonds, T6 Notes and T7 Bonds do not cause these limitations to be exceeded. (See "**DEBT STRUCTURE**" herein for further details).

INVESTMENT POLICIES

The City may invest any of its funds not immediately needed in accordance with Section 66.0603 of the Wisconsin Statutes. The City, through Common Council Resolution 930358, adopted July 6, 1993, has instructed the City Treasurer to invest City funds, including Milwaukee Public Schools funds, in: (a) Certificates of Time Deposit at approved public depositories limited to the equity capital or net worth of the financial institution with collateralization required when total deposits at any institution exceed \$500,000; (b) Repurchase Agreements with public depository institutions; (c) the State of Wisconsin Local Government Investment Pool; (d) U.S. Treasury and Agency instruments; and (e) commercial paper which has a rating in the highest or second highest rating category assigned by S&P Global Ratings, Moody's Investors Service, Inc., or some other similar nationally recognized rating agency.

To the extent possible, the City Treasurer attempts to match investments with anticipated cash flow requirements. No limits have been placed on how much of the portfolio can be invested in any of the above investment categories.

The State of Wisconsin Investment Board ("SWIB") provides the Local Government Investment Pool ("LGIP") as a subset of the State Investment Fund (the "Fund"). The LGIP includes deposits from elective participants consisting of over 1,000 municipalities and other public entities. The Fund also consists of cash balances of participants required to keep their cash balances in the Fund. These required participants include the State General Fund, State agencies and departments and Wisconsin Retirement System reserves. The LGIP portion of the Fund is additionally secured as to credit risk.

The LGIP is a local option City depository. The City utilizes the LGIP in a manner similar to a "money market" account. When other investment options provide more favorable returns, such options are utilized. As of December 31, 2017, the City had approximately 37% (\$182 million) of its and Milwaukee Public Schools' investments deposited in the LGIP.

SWIB invests the assets of the Fund, which includes assets of the LGIP. Overall policy direction for SWIB is established by an independent, eight-member Board of Trustees (the "Trustees"). The Trustees establish long-term investment policies, set guidelines for each investment portfolio and monitor investment performance.

The objectives of the Fund are to provide (in order of priority) safety of principal, liquidity, and a reasonable rate of return. The Fund includes retirement trust funds cash balances pending longer-term investment by other investment divisions. The Fund also acts as the State's cash management fund and provides the State's General Fund with liquidity for operating expenses. The Fund is strategically managed as a mutual fund with a longer average life than a money market fund. This strategic advantage is made possible by the mandatory investment of State funds for which the cash flow requirements can be determined significantly in advance. Given the role played by the Fund, the cash balances available for investment vary daily as cash is accumulated or withdrawn from various funds.

A copy of SWIB's annual report may be obtained by submitting a written request to the State of Wisconsin Investment Board, P.O. Box 7842, Madison, WI 53707-7842.

THE CITY

The City is located on the western shore of Lake Michigan in southeastern Wisconsin. The City is the hub of the metropolitan area. The City is Wisconsin's largest city with a population of approximately 594,667 and is the principal trade, service and financial center of southeastern Wisconsin. The surrounding Metropolitan Statistical Area ("MSA") includes the principal cities of Milwaukee, Waukesha and West Allis; the counties of Milwaukee, Ozaukee, Waukesha and Washington; and has a population of nearly 1.6 million.

The Port of Milwaukee provides access to the sea lanes of the world. General Mitchell International Airport is served by domestic and international airlines. Five rail lines serve the City and provide transportation links throughout the United States. The City is also connected with the interstate highway system.

The City was incorporated as a city on January 31, 1846, pursuant to the laws of the Territory of Wisconsin. Wisconsin gained statehood in 1848. The City, operating under a Home Rule Charter since 1874, has a council mayor form of government.

Elected Officials

The Mayor, City Attorney, Comptroller, Treasurer and Common Council members are elected officials of the City. Local elections are non-partisan. The Mayor, City Attorney, Comptroller and Treasurer are elected at-large for identical four-year terms.

Public Services and Facilities

The City is charged with primary responsibility for public safety (via its police, fire and health departments); public works (including refuse removal and a City-owned water utility); various cultural and recreational services including a library system; and general municipal administration. City government also participates in housing and neighborhood programs through separate housing and redevelopment authorities. These two latter authorities have the ability to borrow directly and issue revenue backed financings.

Other major local governmental units and their related government services are the Milwaukee Public Schools (education); Milwaukee County (parks, airport/mass transit/highways, social services and court system); Milwaukee Metropolitan Sewerage District (wastewater treatment); and the Milwaukee Area Technical College (higher education). Wisconsin Statutes require the City to issue debt for Milwaukee Public Schools. The other governmental units listed each have the statutory authority to issue general obligation debt.

Two special purpose governmental units exist with the ability to borrow and tax on a limited revenue basis. The first is the Southeastern Wisconsin Professional Baseball Park District (the "*SWPBP District*"), a public entity created by State legislation, encompassing southeastern Wisconsin counties, including Milwaukee County, to finance construction/operations of a baseball facility ("*Miller Park*") for the National League Milwaukee Brewers baseball club. Miller Park opened in March, 2001. The SWPBP District has issued \$199 million of revenue bonds supported by a five-county, one-tenth of one percent sales tax and other ancillary revenue streams. In addition, \$45 million of lease certificates of participation have been issued by the SWPBP District to finance acquisition and installation of facility equipment, scoreboards, etc.

The second special purpose governmental unit is the Wisconsin Center District, a public entity created by the City pursuant to Section 229.42, Wisconsin Statutes, which oversees construction and operation of the Wisconsin Center, the City's major convention complex. This complex also includes the UW-Milwaukee Panther Arena (formerly known as "*MECCA*") and the Miller High Life Theatre (formerly known as Milwaukee Theatre) facilities. The Wisconsin Center was financed by \$185 million of revenue bonds issued by the Wisconsin Center District and secured by a pledge of dedicated sales tax revenues from lodging, restaurant, and vehicle rentals collected in the five county area served by the Wisconsin Center. Phase One of the Wisconsin Center was completed during 1998. Phase Two was completed in 1999. In 2001, the Wisconsin Center District issued \$30 million of bonds to renovate the Milwaukee Theatre.

In addition to the facilities noted above, the City is home to a 17,000+ seat indoor sports and concert venue, the BMO Harris Bradley Center, located in the heart of downtown. This facility serves the National Basketball Association Milwaukee Bucks, the Marquette University Golden Eagles men's basketball team, and did serve the Milwaukee Admirals International Hockey League club. The City is home to the Milwaukee Art Museum, as well as major symphony, ballet and opera companies, and other theatre and performing arts.

2015 Wisconsin Act 60 authorized the Wisconsin Center District to borrow \$203 million to construct and operate a new sports and entertainment arena/facilities (the "*Arena*") for the Milwaukee Bucks. \$200 million of revenue bonds were issued by the Wisconsin Center District in 2016, and construction of the Arena is in process. The Arena will be owned by the Wisconsin Center District, and be leased to the Milwaukee Bucks. The BMO Harris Bradley Center will be demolished and transferred to the Wisconsin Center District. The Milwaukee Admirals have relocated to the UW-Milwaukee Panther facility. Also pursuant to 2015 Wisconsin Act 60, the Wisconsin Center District may assume from Milwaukee County ownership and operations of the Marcus Center for the Performing Arts.

On the lakefront is the Milwaukee Art Museum, which combines art, dramatic architecture and landscape design. The Quadracci Pavilion, the first Santiago Calatrava-designed building in the United States, features a 90-foot high glass-walled reception hall enclosed by the Burke Brise Soleil, a sunscreen that can be raised or lowered creating a unique moving sculpture.

Finally, the Milwaukee area is the site of a number of higher education institutions including Marquette University, the University of Wisconsin – Milwaukee, Alverno College, Mount Mary University, Milwaukee Area Technical College and the Milwaukee School of Engineering.

Employee Relations

The City has approximately 6,297 full-time employees. 2,534 employees are part of three public safety unions. The remaining employees do not have collective bargaining representation.

The police officers’ and the police supervisors’ contracts expired as of December 31, 2017. The firefighters’ union contract expired as of December 31, 2016. The City is in negotiations with the unions.

Future Financing

Prior to the issuance of the Offered Obligations, the City has \$737 million authorized unissued general obligation debt for various corporate and capital improvement purposes, which can be issued at any time. The City also has \$400 million of authorized unissued revenue anticipation borrowing for City and School cash flow purposes.

The City has \$64.9 million on Lines of Credit outstanding which can be refinanced with General Obligation Debt. \$46.5 million for new capital purposes, and \$6.9 million for refunding purposes will be refinanced with this issue, and \$11.5 million are anticipated to be permanently financed with Sewer Revenue Bonds.

The authorized unissued general obligation debt includes \$97 million for sewer purposes and \$59 million for water purposes. The sewer purpose debt is anticipated to be financed on a revenue bond basis, including second lien revenue bonds sold to the State of Wisconsin Clean Water Fund Program. The water purpose debt is anticipated to be financed on a revenue bond basis, including second lien revenue bonds sold to the State of Wisconsin Safe Drinking Water Loan Program.

See “**FINANCIAL INFORMATION – City Capital Improvement Plan**” herein for information on potential future capital needs.

City Capital Improvement Plan

The City's 2018-2022 Draft Capital Improvement Plan ("CIP") outlines planned capital improvement projects and programs. Some school purpose improvements are financed by the City for Milwaukee Public Schools, but are not included in the CIP.

Lines of Credit and Other Liquidity

The City has an \$80,000,000 line of credit with US Bank National Association, and a \$150,000,000 line of credit with JPMorgan Chase Bank, N.A (a "Line", or collectively, the "Lines"). Both Lines are secured by the general obligation pledge of the City, permit the City to draw and repay at any time, with interest rates based upon 1-month LIBOR. Each Line may be terminated upon specified events. If a Line's draw period is not extended, or if terminated, the City has 18 months, from the end of the draw period or termination date, to repay the Line (the "Term-out Period"). The Term-out Period gives the City at least six months to refund or payoff the Line before being required levy taxes for the payment of the outstanding amount of the Line.

Draw on the Lines may be made at any time for any purpose, including the purposes described in Future Financing above. The primary purpose of the Lines is to provide interim financing for expenditures pending the City's next long-term financing and short-term cash flow needs. As of May 1, 2018, the City had \$64.9 million outstanding on the Lines, of which \$53.4 million will be refinanced with the Offered Obligations.

Other Variable Rate Exposure

Other than the Lines of Credit, the City does not have any other form of variable rate debt outstanding. It is anticipated that, over time, when the use of variable rate debt is more advantageous, up to 15-25% of the tax levy supported long-term general obligation debt will be in the form of variable rate debt.

In 2003, the Redevelopment Authority of the City of Milwaukee, on behalf of the Milwaukee Public Schools, issued \$130,850,000 of Taxable Pension Funding Bonds, 2003 Series D in Auction Rate Mode and insured by MBIA. In 2005, the 2003 Series D bonds were converted to Index Bonds (“IB”) whose interest rate is reset monthly to 1-month LIBOR + 25 basis points. The IB bond owners do not have an option to put the bonds. The 2003 Series D bonds also have an interest rate swap that pays Milwaukee Public Schools 1-month LIBOR + 20 basis points in exchange for a fixed rate of 5.56% paid by Milwaukee Public Schools, effectively converting the IB to a fixed rate with no basis risk.

REVENUE BONDING

The City has issued revenue bonds for its Water and Sewerage Systems and has issued industrial revenue bonds on behalf of borrowers for eligible projects. Additionally, the Housing Authority of the City (the “*Housing Authority*”), the Redevelopment Authority of the City (the “*Redevelopment Authority*”), the Milwaukee Economic Development Corporation and related entities also have outstanding obligations. Collectively, the programs of the Housing and Redevelopment Authorities and Milwaukee Economic Development Corporation complement the City-financed economic development projects and foster the same development objectives.

Water System Revenue Bonds – In 2016, with the consent of the State, the City publically sold and issued \$10,000,000 of Water System Revenue Bonds on a senior lien basis to loans from the State of Wisconsin Safe Drinking Water Loan Program. Additional senior lien bonds may be issued without the consent of the State. As of May 1, 2018, total outstanding Water System Revenue Bonds was \$9.6 million with a final maturity in 2036.

Beginning in 1998, the City entered into loan agreements under the State of Wisconsin Safe Drinking Water Loan Program. Subsidized loans are available for certain projects, are secured by revenues of the Milwaukee Water Works, and are repayable over a period of 20 years. As of May 1, 2018, the outstanding balance was \$30.8 million.

Sewerage System Revenue Bonds – In 2001, the City created the Sewerage System Revenue Bonds with the issuance of \$29,095,000 of Sewerage System Revenue Bonds, and has periodically issued debt under the Resolution. Additional senior lien bonds may be issued without the consent of the State. As of May 1, 2018, total outstanding Sewerage System Revenue Bonds was \$157.1 million with a final maturity in 2036.

In 2006, the City created the Sewerage System Second Lien Revenue Bonds for the purpose of borrowing from the State of Wisconsin Clean Water Fund Program. Subsidized loans are available for certain projects, are secured by revenues of the Sewerage System, and are repayable over a period of 20 years. As of May 1, 2018, the outstanding balance was \$119.4 million. The City hopes to satisfy as much as possible of its Sewerage System capital needs with borrowings under the Program. (See “**Future Financing**”).

Industrial Revenue Bonding Program – The City has established guidelines relating to its Industrial Revenue Bonding Program. These guidelines establish criteria for IRB financing. The

guidelines delineate that the primary goals of this program are to create additional tax base, additional jobs, or both. Industrial land, buildings, and machinery and equipment used in the manufacturing process and pollution abatement equipment of new or expanding industries are eligible projects. Since the first IRB issue in 1973, the City has closed 125 issues amounting to approximately \$265 million. The City has no responsibility to either secure or redeem IRB debt, and thus neither guarantees nor lends its own credit to these obligations.

Housing Authority of the City of Milwaukee – Most of the Housing Authority bonds and notes are secured by a lien on all revenues of the Housing Authority Low Income Housing Program. The Housing Authority has also issued debt for “*stand alone*” projects. The Housing Authority bonds and notes are limited obligations of the Housing Authority and are neither a general obligation of the City nor are they guaranteed by the City. As such, they are not backed by the general credit or taxing powers of the City.

As of December 31, 2017, the Housing Authority had outstanding \$17.7 million of Mortgage Revenue Bonds and \$4.4 million of Mortgage Notes.

Redevelopment Authority of the City of Milwaukee – The Redevelopment Authority is a public body corporate and politic formed in 1958 by action of the Common Council of the City pursuant to the Section 66.1333 (formerly Section 66.431) of the Wisconsin Statutes, as supplemented and amended (“*Redevelopment Authority Act*”).

The Redevelopment Authority has as its purpose the carrying out of blight elimination, slum clearance and urban renewal programs and projects as set forth in the Redevelopment Authority Act, and is authorized under the Redevelopment Authority Act to issue revenue bonds for the financing of such programs and projects, and to enter into revenue agreements to provide revenues for the payment of such revenue bonds.

Since its creation, the Redevelopment Authority has provided for the acquisition and improvement of a variety of industrial, commercial, housing and other revenue producing projects, and, in some instances, has entered into revenue agreements for the financing thereof, pursuant to authorization contained in the Redevelopment Authority Act. In connection with the financing of a number of such projects, the Redevelopment Authority has issued revenue bonds under a number of authorizing resolutions and indentures, each of which contained separate terms and conditions relating to the respective issues of revenue bonds. In each instance, the bonds issued constitute limited obligations of the Redevelopment Authority, and do not constitute an indebtedness of the City or a charge against the City’s general credit or taxing power.

The majority of these issues are supported solely by the revenues of the various projects. While in each instance, the bonds issued constitute limited obligations of the Redevelopment Authority, and do not constitute an indebtedness of the City or a charge against the City’s general credit or taxing power, there are certain issues which involve contingent liabilities of the Redevelopment Authority and/or the City.

As of May 1, 2018, the Redevelopment Authority had outstanding: one bond issue with \$19 million outstanding that has a moral obligation pledge of the City; and \$326 million in 11 bond issues for Milwaukee Public Schools, seven secured by leases, and four secured by loan agreements, with the Milwaukee Board of School Directors (“*MBSD*”). These bonds do not constitute general obligations of the City, or of MBSD, and shall not constitute or give rise to a charge against the City’s, or MBSD’s, taxing powers. The loan agreements with MBSD includes a pledge of certain state aid payable to MBSD.

The Redevelopment Authority has also issued debt payable from tax increment revenues. (See “**TAX INCREMENT DISTRICT FINANCING**” herein).

Milwaukee Economic Development Corporation – As of December 31, 2017, the Milwaukee Economic Development Corporation, itself, or through related entities, funded loans for 1,219 businesses and projects utilizing \$377 million to leverage a total of \$1.7 billion in investment. 1,185 loans have been enrolled in the Capital Access Program with covered loan amounts totaling \$65 million.

TAX INCREMENT DISTRICT FINANCING

Five issues of the Redevelopment Authority and Housing Authority involving over \$60 million in bonds have financed projects located within tax increment districts (“TID”) of the City. The City has also financed public improvements and provided grants to the Redevelopment Authority for redevelopment purposes within such districts through the issuance of its general obligation bonds. As of December 31, 2017, \$201 million of general obligation debt for TID purposes were outstanding. Under current law, tax increments received by the City have been calculated based upon the assessed valuation and the applicable tax levy in the TID. The applicable tax levy includes the public school tax levy rate for Milwaukee Public Schools.

The Redevelopment Authority of the City has approximately \$67 million of debt secured by tax increment revenues. The debt is owed to developers of projects within the TID, with no recourse to the City in the event that tax increment revenues are insufficient to repay the obligations. Pursuant to 2003 Wisconsin Acts 126, 127, 194 and 231 (enacted in February through April 2004), the allowable life of TIDs created between September 30, 1995 and October 1, 2004 for blight elimination and rehabilitation purposes is 27 years. The maximum lives for TIDs created after September 30, 2004 is 27 years for blighted and rehabilitation TIDs, and 20 years for mixed use TIDs and industrial TIDs, which, for industrial TIDs represents a reduction from 23 years, though the law also makes them eligible for a three year extension under certain circumstances. In any year in which total TID debt service requirements for the ensuing year are greater than total tax increments received, the shortfall is funded by the City’s general property tax levy.

FINANCIAL INFORMATION

Budgeting

Each department and agency prepares its own detailed estimate of needs for the ensuing fiscal year which is filed with the Mayor not later than the second Tuesday in May of each year, at which time the Comptroller submits a statement of anticipated non property tax revenues in accordance with City Charter provisions. Under the City Charter, changes to these non-property tax revenue estimates can be made only by the Comptroller. The Mayor holds hearings on departmental spending requests during July and August at the times and places the Mayor or Common Council by ordinance directs. The Mayor submits a proposed budget to the Common Council on or before September 28th of each year. This budget includes the Comptroller’s anticipated non property tax revenues. Subsequent to receipt of the budget by the Common Council, its Committee on Finance and Personnel reviews the Mayor’s proposed expenditure budget. The Mayor and Common Council hold a public hearing on the entire budget no later than the 30th day of October. The Common Council subsequently adopts a property tax levy, but cannot change the Comptroller’s anticipated revenues budget. The final budget must be adopted by the 14th of November. The City is under no State or local levy limits with respect to General Obligation Debt Service. Under Section 65.06(18), Wisconsin Statutes, the omission from the budget of the payment of interest on or the principal of any bonded debt of the City when due shall not prevent the placing of the same on the tax roll for the levy and the collection of the tax and the payment of the money therefor.

Collection Procedures

If no payment of property taxes is received in January, the taxes become delinquent as of February 1st. If the taxes are not paid when due under the 10-month installment plan, they become delinquent for legal purposes on November 15th.

A letter is mailed to the taxpayer shortly after February 1st, telling of the delinquency and suggesting partial payments if full payment cannot be made. As directed by Chapter 74 of the Wisconsin Statutes interest at the rate of 1 percent per month is charged from the preceding January 1st. Periodic follow-up letters continue to be mailed.

Taxpayers are given every opportunity to pay their delinquent taxes and satisfactory agreements are arranged to bring this about. If a property owner continues to remain delinquent and the Treasurer's Office is unable to reach an arrangement by which the owner will pay the taxes, the Treasurer's Office starts foreclosure proceedings. The City enforces its own delinquent tax collections.

Taxes are foreclosed under Section 75.521 of the Wisconsin Statutes, which permits a legal action to be commenced one year from the date of delinquency. An exception to this provision is that legal action on owner-occupied dwellings may be deferred up to two years if authorized by Common Council action.

Insurance

The City has property insurance coverage in the amount of \$1 billion with AIG, subject to a \$250,000 deductible. The City also maintains insurance for theft, environmental matters, and its role as a wharfinger. The City is self-insured for liability. Under Wisconsin law, the City's tort liability is limited to \$50,000 in non-automobile cases and \$250,000 in automobile cases. The City follows a policy of requiring contract service providers to provide the City with indemnification and insurance as the City deems appropriate.

Policemen's Annuity and Benefit Fund

Membership in the Policemen's Annuity and Benefit Fund ("PABF") consists of all Police Department employees whose service commenced prior to July 29, 1947. As of December 31, 2016, there were 4 members and 23 spouses receiving benefits under the fund program.

Current funding is derived from employer contributions. Chapter 35 of the City Charter provides that annual contributions consist of: 1) an amount sufficient to amortize the unfunded actuarial liability over a ten-year period with a series of level dollar payments; and 2) budgeted administrative expenses for the year.

For copies of the PABF actuarial reports, see <http://www.cmers.com>

Other Post-Employment Benefits

The City provides other post-employment benefits (“OPEB”) to its retirees for health and life insurance. A single-employer defined benefit healthcare plan and life insurance plan are sponsored by the City and administered by ERS. The City provides medical insurance benefits for substantially all retirees. Retiree coverage begins at age 55 with at least 15 years of service for General City employees, at any age with at least 25 years of service for Police employees, and at age 49 with at least 22 years of service for Fire employees. In addition, the City allows employees to continue life insurance coverage under the Group Life Insurance Plan offered to active employees.

Until age 65, for retirees with at least 15 years of creditable service, the majority of the cost of the health benefit plan is paid by the City. After attaining the age of 65, and having completed a minimum of 15 years of creditable service, the City pays 25% of the base rate of the City’s Basic Plan and 100% of the major medical rate.

Eligible retirees are able to continue coverage under the City’s Group Life Insurance Plan, and pay the same rate as active employees. The rates established are group rates applied consistently to all employees, without regard to age or health. Upon reaching age 65, their coverage will be reduced in accordance with a reduction schedule, with the City assuming all future premiums.

The required contribution for medical and life insurance for retirees is based upon pay-as-you-go financing. Medical benefits provided through the basic health care plan are self-insured. For 2016, the City paid approximately \$30 million and \$2 million, respectively, towards medical and life insurance for retirees.

The actuarial cost of health benefits and life insurance for retirees exceeds the average amount paid by retirees, therefore, the additional cost is paid by the City and is the basis for the OPEB obligation account for under GASB 45.

Actuarial Assumptions and Methods for the most recent valuation include:

The retiree healthcare valuation was based on the projected unit credit (“PUC”) cost method. The PUC method produces an explicit normal cost and actuarial accrued liability. The normal cost and actuarial accrued liability are directly proportional to the employee’s service. That is, the normal cost equals the present value of future benefits divided by projected service at retirement, and the actuarial

accrued liability equals the present value of benefits multiplied by the ratio of service at valuation date to projected service at retirement. Depending on the demographic characteristics of the current group and new entrants in the future, this method could produce stable annual costs, in the aggregate, when expressed as a percentage of pay.

The OPEB valuation uses a discount rate assumption of 4.5% based on the City's projected short-terms investment rate of return. The healthcare cost trends rate is 8.0% initially, and reduced by decrements to the ultimate rate of 4.5% after 9 years. The actuarial assumption for wage inflation is 3%. The amortization of the unfunded actuarial accrued liability is based on a level percentage of pay over a 30-year open amortization period.

LEGAL MATTERS

Litigation Statement

The City, its boards, officers and employees, have been defendants in numerous lawsuits over the years. Experience has shown that a relatively small number of suits commenced are reduced to judgment. The City does not carry a blanket policy of insurance against tort liability. In addition, Section 893.80 of the Wisconsin Statutes limits the amount recoverable against a political corporation, its officers, officials or employees for acts done in their official capacity to \$50,000 in tort liability for non-automobile cases and \$250,000 in automobile cases.

The City Attorney's office has reviewed the status of pending or threatened litigation, claims and assessments to which the office has devoted substantive attention in the form of legal consultation or representation and which individually represent maximum potential loss exposure in excess of \$1 million, existing on May 1, 2018.

Estate of Perry v. Wenzel, et al. James Perry was lawfully arrested by Milwaukee police officers. He was brought to the Police Administration Building, where he was detained in the City jail facility. While in the City jail, Mr. Perry suffered a seizure. Medical personnel were immediately called, and he was ultimately transported to an area hospital for treatment. While at the hospital, Mr. Perry was treated for a seizure condition, and he was released to the custody of Milwaukee police officers. Milwaukee police officers brought Mr. Perry back to the City jail facility, to complete his processing, and then he was brought to the Milwaukee County Criminal Justice Facility, for long-term imprisonment. While waiting in the triage area, and before he was accepted into the custody of the County, Mr. Perry collapsed, and died shortly thereafter. The plaintiffs are Mr. Perry's estate, along with his child. The plaintiffs claim that various County of Milwaukee and City of Milwaukee defendants violated Mr. Perry's rights, and that these actions caused his death. However, the autopsy conducted by the Milwaukee County Medical Examiner indicates that Mr. Perry died from natural causes related to significant coronary artery disease. On May 6, 2016 the district court granted all defendants' summary judgment dismissing the complaint. Judgment was entered on May 10, 2016; however, the plaintiff filed a notice of appeal to the United States Court of Appeals for the Seventh Circuit. On September 18, 2017, the Seventh Circuit affirmed in part and reversed in part the district court's grant of summary judgment to the defendants, including the City. On December 15, 2017, the City filed a petition for a writ of certiorari with the United States Supreme Court seeking review of the 7th Circuit's decision. The petition is still pending.

Robert Lee Stinson v. City of Milwaukee, et al. In this 2009 civil rights action, Mr. Stinson claims that he was wrongly convicted in 1984 of the murder of a 67-year-old woman. Stinson spent more than 20 years in prison until recent DNA testing of the victim's clothing produced no DNA matching Stinson's and new techniques of examining bite marks on the victim indicating that the marks did not

match Stinson's teeth. Stinson claims that Milwaukee police officers unconstitutionally withheld exculpatory evidence and conspired with two dental experts to produce false evidence. The defendants have all filed dispositive motions seeking to have the court dismiss the case. The trial court denied all defendants' motions. All defendants have appealed the denial to the court of appeals and the court of appeals ruled in favor of all of the defendants on August 25, 2015. Stinson filed a request for rehearing and rehearing by the entire court of appeals, which was granted. The matter was argued to the entire court and on August 18, 2017 the United States Court of Appeals for the Seventh Circuit dismissed the qualified immunity appeals and affirmed the judgment of the district court with respect to its absolute immunity rulings. On November 10, 2017, the City filed a petition for a writ of certiorari with the United States Supreme Court seeking review of the 7th Circuit's decision. The petition is still pending.

Estate of Derek Williams, Jr. et al v. City of Milwaukee, et al. Derek Williams, Jr. was lawfully arrested on July 6, 2011, taken into custody after a foot pursuit and placed in the back of a police squad. While in the squad, Mr. Williams complained that he could not breathe. Officers believed that Mr. Williams' complaints were exaggerated and that he was failing to cooperate with them, by refusing to provide his name and current information. When officers at the scene became aware that Mr. Williams was in medical distress they rendered immediate CPR and called for an ambulance; however they were unable to revive him and Mr. Williams was later pronounced dead. It was subsequently determined that Mr. Williams suffered from sickle cell syndrome, and the medical examiner, after further review, could not attribute his death to the officers' conduct. In February 2013 an inquest jury recommended that three officers be charged criminally with failure by a law enforcement officer to render aid to Mr. Williams; however, the special prosecutor assigned to the investigation declined to do so. The lawsuit filed July 6, 2016 alleges that Mr. Williams was subjected to unreasonable force during the arrest, and that officers failed to provide medical help in spite of Mr. Williams' pleas for help and obvious distress. The suit also alleges that the City promulgated unconstitutional policies concerning rendering medical care, discipline, supervision and training and maintaining a code of silence. The plaintiffs are the estate and three minor children. The potential damages include claims for pain and suffering, punitive damages and loss of support and companionship for the minor children. No amounts of monetary damages were specifically claim in the lawsuit. Discovery work has recently begun. A dispositive motion date of May 1, 2017 and a trial date of August 28, 2017 has been set by the court. The trial date, however, has been postponed due to the City's filing of an appeal of the district court's ruling with the United States Court of Appeals for the Seventh Circuit. The appeal is currently pending.

Ronnie Martin v. Dominique Heaggan-Brown, et al. In this 2017 civil rights action, the plaintiff claims that two officers violated his Fourth, Eighth and Fourteenth Amendment rights during an April 15, 2016 arrest. His complaint also states several state law claims. Specifically, he claims that the officers unreasonably and unlawfully searched and seized him and used excessive force when arresting him. Plaintiff is claiming damages in excess of \$1,000,000 for medical care, pain and suffering, emotional distress, and loss of his constitutional rights. Discovery is ongoing and no trial date has been set.

Estate of Sylville Smith v. Heaggan-Brown. Mr. Smith was fatally shot by an officer on August 13, 2016 in the Sherman Park neighborhood. In October 2016, the officer's employment was terminated due to unrelated criminal charges and on December 15, 2016, the former officer was charged with first degree reckless homicide in connection with the Smith shooting. On June 21, 2017, Heaggan-Brown was found not guilty after a jury trial. A civil suit for excessive use of force has been filed. Discovery is ongoing and no trial date has been set.

Charles Collins, et. al. v. City of Milwaukee. Individual plaintiffs and the American Civil Liberties Union allege the Milwaukee Police Department engaged in racially discriminatory traffic and

pedestrian stops in violation of the 14th Amendment of the United States Constitution. No monetary damages are being sought, however the potential award of attorneys' fees may exceed \$1,000,000.

Section 74.37 Litigation. Various lawsuits are pending against the City for property tax refunds under Section 74.37 of the Wisconsin Statutes. As the tax collector, the City would pay any refund owed, and recover approximately 2/3 of the payment from overlapping jurisdictions. Litigation with the potential for a City share of more than \$1,000,000 are:

- ***U.S. Bank N.A. v. City of Milwaukee.*** U.S. Bank alleges its 2014 and 2015 assessments are excessive and has requested a refund in the amount of \$5.3 million. Discovery is complete, and the case is set for trial in May 2018. U.S. Bank has also filed a new lawsuit against the City in regard to its 2016 assessment and has requested a refund of \$2.6 million.
- ***Marathon Petroleum Company LP et al v. City of Milwaukee.*** This action involves the 2008-2014 assessments of oil terminal property. The taxpayers have requested a tax refund of approximately \$3,200,000 plus interest. The City was successful at trial, and the taxpayers appealed. The case is currently pending before the court of appeals.
- ***Metropolitan Associates v. City of Milwaukee.*** This action involves the 2008-2013 assessments of eight apartment complexes located on the south side of the City. Metropolitan requested approximately \$1.75 million plus interest. The City was successful at trial and in the court of appeals. The case is currently pending before the Wisconsin Supreme Court.
- ***Wisconsin and Milwaukee Hotel, LLC v. City of Milwaukee.*** This action involves the 2014 and 2015 assessments of the downtown Marriott Hotel. Wisconsin and Milwaukee have requested a refund in the amount of approximately \$980,000 plus interest. The case is set for trial at the end of January 2018. Wisconsin and Milwaukee has also filed a new lawsuit in regard to its 2016 assessment and requested a refund of \$775,325 plus interest and costs.
- ***U.S. Venture v. City of Milwaukee.*** This action involves the 2015 assessment of oil terminal property. U.S. Venture has requested a refund in the amount of approximately \$860,000 plus interest. LEGAL OPINIONS

The legal opinions of Katten Muchin Rosenman LLP, Chicago, Illinois, and Hurtado Zimmerman SC, Wauwatosa, Wisconsin, Bond Counsel to the City, will be delivered to the purchasers of the Offered Obligations. Drafts of the legal opinions for the Offered Obligations are included herein as **Appendix B**.

RATINGS

The City has requested ratings on the Offered Obligations from Fitch Ratings and S&P Global Ratings.

Fitch Ratings has assigned a rating of “_____” on the RANs and “_____” on the N4 Notes, B5 Bonds, T6 Notes and T7 Bonds. S&P Global Ratings has assigned a rating of “_____” on the RANs and “_____” on the N4 Notes, B5 Bonds, T6 Notes and T7 Bonds.

The ratings, when issued, reflect only the views of the respective ratings agencies, and an explanation of the significance of such rating may be obtained therefrom. There is no assurance that the ratings will remain in effect for any given period of time or that they will not be revised, either upward or downward, or withdrawn entirely, by the respective agencies, if, in their judgment, circumstances so warrant. A revision or withdrawal of the credit rating could have an effect on the market price of the Offered Obligations.

TAX MATTERS

TAX-EXEMPT OBLIGATIONS

Summary of Bond Counsel Opinion in connection with the Tax-Exempt Obligations

Bond Counsel are of the opinion that, under existing law, interest on the Tax-Exempt Obligations is not includable in the gross income of the owners thereof for federal income tax purposes. If there is continuing compliance with the applicable requirements of the Internal Revenue Code of 1986, as amended (the “Code”), Bond Counsel are of the opinion that interest on the Tax-Exempt Obligations will continue to be excluded from the gross income of the owners thereof for federal income tax purposes. Bond Counsel are further of the opinion that interest on the Tax-Exempt Obligations is not an item of tax preference for purposes of computing alternative minimum taxable income. Interest on the Tax-Exempt Obligations is not exempt from Wisconsin income taxes.

The Code contains certain requirements that must be satisfied from and after the date of issuance of the Tax-Exempt Obligations in order to preserve the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations. These requirements relate to the use and investment of the proceeds of the Tax-Exempt Obligations, the payment of certain amounts to the United States, the security and source of payment of the Tax-Exempt Obligations and the use of the property financed with the proceeds of the Tax-Exempt Obligations.

Tax-Exempt Obligations Purchased at a Premium or at a Discount

The difference (if any) between the initial price at which a substantial amount of each maturity of the Tax-Exempt Obligations is sold to the public (the “Offering Price”) and the principal amount payable at maturity of such Tax-Exempt Obligations is given special treatment for federal income tax purposes. If the Offering Price is higher than the maturity value of a Tax-Exempt Obligation, the difference between the two is known as “bond premium;” if the Offering Price is lower than the maturity value of a Tax-Exempt Obligation, the difference between the two is known as “original issue discount.”

Bond premium and original issue discount are amortized over the term of a Tax-Exempt Obligation on the basis of the owner's yield from the date of purchase to the date of maturity, compounded at the end of each accrual period of one year or less with straight line interpolation between compounding dates, as provided more specifically in the Income Tax Regulations. The amount of bond premium accruing during each period is treated as a reduction in the amount of tax-exempt interest earned during such period. The amount of original issue discount accruing during each period is treated as interest that is excludable from the gross income of the owner of such Tax-Exempt Obligations for federal income tax purposes, to the same extent and with the same limitations as current interest.

Owners who purchase Tax-Exempt Obligations at a price other than the Offering Price after the termination of the initial public offering or at a market discount should consult their tax advisors with respect to the tax consequences of their ownership of the Tax-Exempt Obligations. In addition, owners of

Tax-Exempt Obligations should consult their tax advisors with respect to the state and local tax consequences of owning the Tax-Exempt Obligations; under the applicable provisions of state or local income tax law, bond premium and original issue discount may give rise to taxable income at different times and in different amounts than they do for federal income tax purposes.

Exclusion from Gross Income: Requirements

The Code sets forth certain requirements that must be satisfied on a continuing basis in order to preserve the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations. Among these requirements are the following:

Limitations on Private Use. The Code includes limitations on the amount of proceeds of the Tax-Exempt Obligations that may be used in the trade or business of, or used to make or finance loans to, persons other than governmental units.

Investment Restrictions. Except during certain “*temporary periods*,” proceeds of the Tax-Exempt Obligations and investment earnings thereon (other than amounts held in a reasonably required reserve or replacement fund, if any, or as part of a “*minor portion*”) may generally not be invested in investments having a yield that is “*materially higher*” (1/8 of one percent) than the yield on the Tax-Exempt Obligations.

Rebate of Arbitrage Profit. Unless the City qualifies for an exemption, earnings from the investment of the “*gross proceeds*” of the Tax-Exempt Obligations in excess of the earnings that would have been realized if such investments had been made at a yield equal to the yield on the Tax-Exempt Obligations are required to be paid to the United States at periodic intervals. For this purpose, the term “*gross proceeds*” includes the original proceeds of the Tax-Exempt Obligations, amounts received as a result of investing such proceeds and amounts to be used to pay debt service on the Tax-Exempt Obligations.

Covenants to Comply

The City has covenanted to comply with the requirements of the Code relating to the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations.

Risks of Non-Compliance

In the event that the City fails to comply with the requirements of the Code, interest on the Tax-Exempt Obligations may become includable in the gross income of the owners thereof for federal income tax purposes retroactively to the date of issue. In such event, the City’s agreements with the owners of the Tax-Exempt Obligations require neither acceleration of payment of principal of, or interest on, the Tax-Exempt Obligations, nor payment of any additional interest or penalties to the owners of the Tax-Exempt Obligations.

Federal Income Tax Consequences in connection with the Tax-Exempt Obligations

Pursuant to Section 103 of the Code, interest on the Tax-Exempt Obligations is not includable in the gross income of the owners thereof for federal income tax purposes. However, the Code contains a number of other provisions relating to the treatment of interest on the Tax-Exempt Obligations that may affect the taxation of certain types of owners, depending on their particular tax situations. Some of the potentially applicable federal income tax provisions are described in general terms below. PROSPECTIVE PURCHASERS SHOULD CONSULT THEIR TAX ADVISORS CONCERNING THE

PARTICULAR FEDERAL INCOME TAX CONSEQUENCES OF THEIR OWNERSHIP OF THE TAX-EXEMPT OBLIGATIONS.

Cost of Carry. Owners of the Tax-Exempt Obligations will generally be denied a deduction for otherwise deductible interest on any debt which is treated for federal income tax purposes as incurred or continued to purchase or carry the Tax-Exempt Obligations. As discussed below, special allocation rules apply to financial institutions.

Corporate Owners. Interest on the Tax Exempt Obligations is taken into account in computing earnings and profits of a corporation and consequently may be subject to federal income taxes based thereon. Thus, for example, interest on the Tax Exempt Obligations is taken into account in computing the alternative minimum tax for corporations (but only for tax years beginning in 2017), but also the branch profits tax imposed on certain foreign corporations, the passive investment income tax imposed on certain S corporations, and the accumulated earnings tax.

Individual Owners. Receipt of interest on the Tax-Exempt Obligations may increase the amount of social security and railroad retirement benefits included in the gross income of the recipients thereof for federal income tax purposes.

Certain Blue Cross or Blue Shield Organizations. Receipt of interest on the Tax-Exempt Obligations may reduce a special deduction otherwise available to certain Blue Cross or Blue Shield organizations.

Property or Casualty Insurance Companies. Receipt of interest on the Tax-Exempt Obligations may reduce otherwise deductible underwriting losses of a property or casualty insurance company.

Financial Institutions. Financial institutions may be denied a deduction for their otherwise allowable interest expense in an amount determined by reference, in part, to their adjusted basis in the Tax-Exempt Obligations.

Foreign Personal Holding Company Income. A United States shareholder of a foreign personal holding company may realize taxable income to the extent that interest on the Tax-Exempt Obligations held by such a company is properly allocable to the shareholder.

The opinions of Bond Counsel and the descriptions of the tax law contained in this Official Statement are based on statutes, judicial decisions, regulations, rulings and other official interpretations of law in existence on the date the Tax-Exempt Obligations are issued. There can be no assurance that such law or the interpretation thereof will not be changed or that new provisions of law will not be enacted or promulgated at any time while the Tax-Exempt Obligations are outstanding in a manner that would adversely affect the value or the tax treatment of ownership of the Tax-Exempt Obligations.

TAXABLE OBLIGATIONS

The following is a summary of the principal United States federal income tax consequences of ownership of the Taxable Obligations. This summary deals only with the Taxable Obligations held as capital assets by initial purchasers, and not with special classes of holders, such as dealers in securities or currencies, banks, tax-exempt organizations, life insurance companies, persons that hold the Taxable Obligations as a hedge or as hedged against currency risks or that are part of a straddle or conversion transaction, or persons whose functional currency is not the United States dollar.

The Code contains a number of provisions relating to the taxation of the Taxable Obligations (including but not limited to the treatment of and accounting for interest, premium, and market discount thereon, gain from the disposition thereof and withholding tax on income therefrom) that may affect the taxation of certain owners, depending on their particular tax situations. Prospective purchasers of the Taxable Obligations should consult their own tax advisors concerning the consequences, in their particular circumstances, under the Code and the laws of any other taxing jurisdiction, of ownership of the Taxable Obligations.

United States Federal Income Tax Considerations for United States Holders

Payments of Interest to United States Holders. Interest on the Taxable Obligations will be taxable to a United States Holder (as defined below) as ordinary income at the time it is received or accrued, depending on the holder's method of accounting for tax purposes in accordance with generally applicable principles.

The term "*United States Holder*" refers to a beneficial owner of a Taxable Obligation for United States federal income tax law purposes and that is:

- a citizen or resident of the United States;
- a corporation or partnership which is created or organized in or under the laws of the United States or of any political subdivision thereof;
- an estate the income of which is subject to United States federal income taxation regardless of its source; or
- a trust if (1) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust or (2) the trust was in existence on August 10, 1996 and properly elected to continue to be treated as a United States person.

The term "*Non-U.S. Holder*" refers to any beneficial owner of a Taxable Obligation who or which is not a United States Holder.

Sale and Retirement of the Taxable Obligations. United States Holders of any Taxable Obligations must recognize any gain or loss on the sale, redemption, retirement or other disposition of their Taxable Obligations. The gain or loss is measured by the difference between the amount realized on the disposition of a Taxable Obligation and the United States Holder's adjusted tax basis in the Taxable Obligation. Such gain or loss is capital gain or loss, except to the extent of accrued market discount not previously included in income, and is long term capital gain or loss if at the time of disposition such Taxable Obligation has been held for more than one year.

Unearned Income Medicare Contribution Tax. A 3.8% Medicare contribution tax is imposed on the "net investment income" of certain United States individuals and on the undistributed "net investment income" of certain estates and trusts. Among other items, "net investment income" generally includes interest and certain net gain from the disposition of property (such as the Taxable Obligations), less certain deductions.

United States Federal Income Tax Considerations for Non-U.S. Holders

Withholding Tax on Payments of Principal and Interest on Bonds. Generally, subject to the discussion of FATCA below, payments of principal and interest on a Taxable Obligation will not be subject to United States federal withholding tax, provided that in the case of an interest payment:

- the beneficial owner of the Taxable Obligation is not a bank to which the Taxable Obligations constitute an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business; and
- either (A) the beneficial owner of the Taxable Obligation certifies to the applicable payor or its agent, under penalties of perjury on an IRS Form W-8BEN (or a suitable substitute form), that such owner is not a United States person and provides such owner's name and address or (B) a securities clearing organization, bank or other financial institution, that holds customers' securities in the ordinary course of its trade or business (a "financial institution") and holds the Taxable Obligation, certifies under penalties of perjury that such an IRS Form W-8BEN (or suitable substitute form) has been received from the beneficial owner by it or by a financial institution between it and the beneficial owner and furnishes the payor with a copy thereof.

Except to the extent otherwise provided under an applicable tax treaty, a beneficial owner of a Taxable Obligation generally will be taxed in the same manner as a United States Holder with respect to interest and original issue discount payments on a Taxable Obligation if such interest and original issue discount is effectively connected with such owner's conduct of a trade or business in the United States. Effectively connected interest received by a corporate Non-U.S. Holder may also, under certain circumstances, be subject to an additional "branch profits tax" at a 30% rate (or, if applicable, a lower treaty rate), subject to certain adjustments. Such effectively connected interest will not be subject to withholding tax if the holder delivers an IRS Form W-8ECI to the payor.

Gain on Disposition of the Taxable Obligations. A beneficial owner of a Taxable Obligation generally will not be subject to United States federal income tax on gain realized on the sale, exchange or redemption of a Taxable Obligation unless:

- such owner is an individual present in the United States for 183 days or more in the year of such sale, exchange or redemption and either (A) such owner has a "tax home" in the United States and certain other requirements are met, or (B) the gain from the disposition is attributable to such owner's office or other fixed place of business in the United States; or
- the gain is effectively connected with such owner's conduct of a trade or business in the United States.

Taxation of Payments under FATCA to Foreign Financial Institutions and Certain Other Non-U.S. Holders that are Foreign Entities. A 30% withholding tax generally will apply to payments of interest on, and after December 31, 2016, on gross proceeds from the disposition of, the Taxable Obligations that are made to Non-U.S. Holders that are financial institutions and certain non-financial entities. Such withholding tax, imposed under sections 1471 through 1474 of the Code, or FATCA, generally will not apply where such payments are made to (i) a Non-U.S. Holder that is a financial institution that enters into an agreement with the IRS to, among other requirements, undertake to identify accounts held by certain United States persons or U.S.-owned foreign entities, report annually certain information about such accounts and withhold tax as may be required by such agreement (or otherwise complies with an applicable intergovernmental agreement with respect to FATCA), or (ii) a Non-U.S. Holder that is a non-financial entity that certifies it does not have any substantial United States owners or furnishes identifying information regarding each substantial United States owner. A Non-U.S. Holder

generally will be required to provide information with respect to its status for FATCA purposes, generally on the appropriate IRS Form W-8 or any successor form, to avoid withholding taxes under FATCA. Prospective investors should consult their own tax advisors regarding the application and requirements of these information reporting and withholding provisions under FATCA.

U.S. Federal Estate Tax. A Taxable Obligation held by an individual who at the time of death is not a citizen or resident of the United States (as specially defined for United States federal estate tax purposes) is not subject to United States federal estate tax if at the time of the individual's death, payments with respect to such Taxable Obligation are not effectively connected with the conduct by such individual of a trade or business in the United States.

Backup Withholding and Information Reporting

United States Holders. Information reporting applies to payments of interest on the Taxable Obligations, or the proceeds of the sale or other disposition of the Taxable Obligations with respect to certain non-corporate United States holders, and backup withholding may apply unless the recipient of such payment supplies a taxpayer identification number, certified under penalties of perjury, as well as certain other information or otherwise establishes an exemption from backup withholding. Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against that holder's United States federal income tax liability provided the required information is furnished to the IRS.

Non-U.S. Holders. Backup withholding and information reporting on Form 1099 does not apply to payments of principal and interest on the Taxable Obligations to a Non-U.S. Holder provided the Non-U.S. Holder provides the certification described above under "United States Federal Income Tax Considerations for Non-U.S. Holders-Withholding Tax on Payments of Principal and Interest on Bonds" or otherwise establishes an exemption (provided that neither the Authority nor its agent has actual knowledge that the holder is a United States person or that the conditions of any other exemptions are not in fact satisfied). Interest payments made to a Non-U.S. Holder may, however, be reported to the IRS and to such Non-U.S. Holder on Form 1042-S.

Information reporting and backup withholding generally do not apply to a payment of the proceeds of a sale of Taxable Obligations effected outside the United States by a foreign office of a foreign broker. However, information reporting requirements (but not backup withholding) will apply to a payment of the proceeds of a sale of Taxable Obligations effected outside the United States by a foreign office of a broker if the broker (i) is a United States person, (ii) derives 50 percent or more of its gross income for certain periods from the conduct of a trade or business in the United States, (iii) is a "controlled foreign corporation" as to the United States, or (iv) is a foreign partnership that, at any time during its taxable year is 50 percent or more (by income or capital interest) owned by United States persons or is engaged in the conduct of a United States trade or business, unless in any such case the broker has documentary evidence in its records that the holder is a Non-U.S. Holder (and such broker has no actual knowledge to the contrary) and certain conditions are met, or the holder otherwise establishes an exemption. Payment by a United States office of a broker of the proceeds of a sale of Taxable Obligations will be subject to both backup withholding and information reporting unless the holder certifies its non-United States status under penalties of perjury or otherwise establishes an exemption.

Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against that holder's United States federal income tax liability provided the required information is furnished to the IRS.

STATE TAX MATTERS

Interest on the Offered Obligations is not exempt from State of Wisconsin income tax or franchise tax.

NO DESIGNATION AS QUALIFIED TAX-EXEMPT OBLIGATIONS

The City will not designate the Offered Obligations as “*qualified tax-exempt obligations*” for purposes of Section 265 (b)(3) of the Code.

CONTINUING DISCLOSURE

In order to assist the Underwriters in complying with SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission (the “*Commission*”), pursuant to the Securities Exchange Act of 1934 (the “*Rule*”), the City shall covenant pursuant to a Resolution adopted by the Governing Body to enter into an undertaking (the “*Undertaking*”) for the benefit of holders including beneficial holders of the Offered Obligations to provide certain financial information and operating data relating to the City annually to a central repository designated by the Commission, currently the Municipal Securities Rulemaking Board (the “*MSRB*”), and to provide notices of the occurrence of certain events enumerated in the Rule electronically or in the manner otherwise prescribed by the MSRB to the MSRB. The MSRB has designated its Electronic Municipal Market Access (“*EMMA*”) system as the system to be used for continuing disclosures to investors. The details and terms of the Undertaking, as well as the information to be contained in the annual report or the notices of reportable events, are set forth in the Continuing Disclosure Certificate to be executed and delivered by the City at the time the Offered Obligations are delivered. Such Certificate will be in substantially the form attached hereto as *Appendix C*. The City intends to fully comply with the Undertaking relating to the Offered Obligations.

A failure by the City to comply with the Undertaking will not constitute an event of default on the Offered Obligations (although holders will have the right to obtain specific performance of the obligations under the Undertaking). Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Offered Obligations in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Offered Obligations and their market price.

Prior to August of 2003 the City entered into continuing disclosure undertakings (the “*Pre-2003 Undertakings*”) which contained a six-month filing requirement for Annual Financial Information. Due to the complexity and size of the City’s operations, the City had difficulty meeting that timing requirement and subsequently modified its continuing disclosure undertakings (the “*Post-2003 Undertakings*”) to use a nine-month filing requirement for Annual Filing Information. Except as discussed below, within the previous five years, the City has not failed to comply in any material respect with regards to the Post-2003 Undertakings. With regards to the Pre-2003 Undertakings the City has failed to strictly comply with the 6-month time period for filing its Annual Financial Information and updating certain information on the sewerage system that does not significantly change from year to year.

The City has endeavored to report rating changes which would impact any of its outstanding debt due to bond insurer downgrades. However, since the Nationally Recognized Statistical Rating Organizations (“*NRSRO*”) and bond insurers do not notify the City of any such rating changes, no assurance can be provided that notices of all rating changes were reported.

APPENDIX B

Draft Forms of Legal Opinions

May 17, 2018

The City Comptroller and the Commissioners
of the Public Debt of the City of Milwaukee,
Wisconsin

We have examined a record of proceedings relating to the issuance of \$110,000,000 aggregate principal amount of Revenue Anticipation Notes, Series 2018 R3 (the “Notes”) of the City of Milwaukee (the “City”), a municipal corporation of the State of Wisconsin. The Notes are authorized and issued pursuant to the provisions of Chapter 65 and Chapter 67 of the Wisconsin Statutes and the City Charter and by virtue of a resolution passed by the Common Council of the City on January 17, 2018.

The Notes constitute an issue of “revenue anticipation notes” under Section 67.12(1) of the Wisconsin Statutes and are issuable in fully registered form in the denominations of \$5,000 or any integral multiple thereof. The Notes are dated May 17, 2018, mature (without option of prior redemption) on May 16, 2019 and bear interest from their date at the rate of _____ per centum (_____%) per annum payable at maturity.

In our opinion, the Notes are valid and legally binding limited obligations of the City; payment of the principal of and interest on the Notes is secured by an irrevocable pledge of State of Wisconsin aid payments to be received by the City and by a pledge of all other general fund revenues included in the City budget for the current calendar year, which are due to the City and have not yet been received as of the date of issuance of the Notes and which are not otherwise pledged or assigned. The Notes are not general obligations of the City and neither the full faith and credit nor the general taxing power of the City is pledged as security for the payment of the principal of or interest on the Notes. The enforceability of rights or remedies with respect to the Notes may be limited by bankruptcy, insolvency or other laws affecting creditors’ rights and remedies heretofore or hereafter enacted.

We are further of the opinion that, under existing law, interest on the Notes is not includable in the gross income of the owners thereof for Federal income tax purposes. If there is continuing compliance with the applicable requirements of the Internal Revenue Code of 1986 (the “Code”), we are of the opinion that interest on the Notes will continue to be excluded from the gross income of the owners thereof for Federal income tax purposes. We are further of the opinion that the Notes are not “private activity bonds” within the meaning of Section 141(a) of the Code; accordingly, interest on the Notes is not an item of tax preference for purposes of computing alternative minimum taxable income.

The Code contains certain requirements that must be satisfied from and after the date hereof in order to preserve the exclusion from gross income for Federal income tax purposes of interest on the Notes. These requirements relate to the use and investment of the proceeds of the Notes, the payment of certain amounts to the United States, the security and source of payment of the Notes and the use of the property financed with the proceeds of the Notes. The City has covenanted to comply with these requirements.

Interest on the Notes is not exempt from Wisconsin income taxes.

Respectfully submitted,

May 17, 2018

The City Comptroller and the Commissioners
of the Public Debt of the City of Milwaukee,
Wisconsin

We have examined a record of proceedings relating to the issuance of \$_____,000 aggregate principal amount of General Obligation Promissory Notes, Series 2018 N4 (the “Notes”) of the City of Milwaukee (the “City”), a municipal corporation of the State of Wisconsin. The Notes are authorized and issued pursuant to the provisions of Chapter 65 and Chapter 67 of the Wisconsin Statutes and the City Charter and by virtue of a resolution passed by the Common Council of the City on February 6, 2018.

The Notes constitute an issue of “promissory notes” under Section 67.12(12) of the Wisconsin Statutes, are issuable in fully registered form in the denominations of \$5,000 or any integral multiple thereof. The Notes are dated May 17, 2018, mature (without option of prior redemption) on April 1 in each of the following years in the respective principal amount set forth opposite each such year in the following table, and bear interest from their date, payable on October 1, 2018 and semiannually thereafter on April 1 and October 1 of each year, at the respective rate of interest per annum set forth opposite such year:

<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
2019	\$,000	. %
2020	,000	
2021	,000	
2022	,000	
2023	,000	
2024	,000	
2025	,000	
2026	,000	
2027	,000	
2028	,000	

In our opinion, the Notes are valid and legally binding general obligations of the City, and the City has power and is obligated to levy ad valorem taxes upon all the taxable property within the City for the payment of the Notes and the interest thereon, without limitation as to rate or amount. The enforceability of rights or remedies with respect to the Notes, however, may be limited by bankruptcy, insolvency or other laws affecting creditors’ rights and remedies heretofore or hereafter enacted.

We are further of the opinion that, under existing law, interest on the Notes is not includable in the gross income of the owners thereof for Federal income tax purposes. If there is continuing compliance with the applicable requirements of the Internal Revenue Code of 1986 (the “Code”), we are of the opinion that interest on the Notes will continue to be excluded from the gross income of the owners thereof for Federal income tax purposes. We are further of the opinion that the Notes are not “private activity bonds” within the meaning of Section 141(a) of the Code; accordingly, interest on the Notes is not an item of tax preference for purposes of computing alternative minimum taxable income.

The Code contains certain requirements that must be satisfied from and after the date hereof in order to preserve the exclusion from gross income for Federal income tax purposes of interest on the Notes. These requirements relate to the use and investment of the proceeds of the Notes, the payment of

certain amounts to the United States, the security and source of payment of the Notes and the use of the property financed with the proceeds of the Notes. The City has covenanted to comply with these requirements.

Interest on the Notes is not exempt from Wisconsin income taxes.

Respectfully submitted,

of the Public Debt of the City of Milwaukee,
Wisconsin

We have examined a record of proceedings relating to the issuance of \$_____,000 aggregate principal amount of General Obligation Corporate Purpose Bonds, Series 2018 B5 (the “Bonds”) of the City of Milwaukee (the “City”), a municipal corporation of the State of Wisconsin. The Bonds are authorized and issued pursuant to the provisions of Chapter 65 and Chapter 67 of the Wisconsin Statutes and the City Charter and by virtue of resolutions passed by the Common Council of the City on January 22, 2014, January 21, 2015, January 19, 2016, January 18, 2017, January 17, 2018, and February 6, 2018.

The Bonds constitute an issue of “corporate purpose bonds” under Section 67.05 of the Wisconsin Statutes, are issuable in fully registered form in the denominations of \$5,000 or any integral multiple thereof. The Bonds are dated May 17, 2018, mature on April 1 in each of the following years in the respective principal amount set forth opposite each such year in the following table, and bear interest from their date, payable on October 1, 2018 and semiannually thereafter on April 1 and October 1 of each year, at the respective rate of interest per annum set forth opposite such year:

The Bonds are subject to redemption prior to maturity at the option of the City, in such principal amounts and from such maturities as the City shall determine and by lot within a single maturity, on April 1, 2027 and on any date thereafter, at a redemption price equal to the principal amount thereof to be redeemed, plus accrued interest thereon to the date fixed for redemption.

In our opinion, the Bonds are valid and legally binding general obligations of the City, and the City has power and is obligated to levy ad valorem taxes upon all the taxable property within the City for the payment of the Bonds and the interest thereon, without limitation as to rate or amount. The enforceability of rights or remedies with respect to the Bonds, however, may be limited by bankruptcy, insolvency or other laws affecting creditors’ rights and remedies heretofore or hereafter enacted.

We are further of the opinion that, under existing law, interest on the Bonds is not includable in the gross income of the owners thereof for Federal income tax purposes. If there is continuing compliance with the applicable requirements of the Internal Revenue Code of 1986 (the “Code”), we are of the opinion that interest on the Bonds will continue to be excluded from the gross income of the owners thereof for Federal income tax purposes. We are further of the opinion that the Bonds are not “private activity bonds” within the meaning of Section 141(a) of the Code; accordingly, interest on the Bonds is not an item of tax preference for purposes of computing alternative minimum taxable income.

The Code contains certain requirements that must be satisfied from and after the date hereof in order to preserve the exclusion from gross income for Federal income tax purposes of interest on the

Bonds. These requirements relate to the use and investment of the proceeds of the Bonds, the payment of certain amounts to the United States, the security and source of payment of the Bonds and the use of the property financed with the proceeds of the Bonds. The City has covenanted to comply with these requirements.

Interest on the Bonds is not exempt from Wisconsin income taxes.

Section 3.4. Transmission of Information and Notices. Transmission of information and notices shall be as prescribed by the SEC and the Repository. The transmission requirements are described in the Addendum Describing Repository.

ARTICLE IV - Termination, Amendment and Enforcement

Section 4.1. Termination. (a) The City's obligations under this Certificate with respect to an Offered Obligation shall terminate upon legal defeasance, prior redemption or payment in full of the Offered Obligation.

(b) This Certificate or any provision hereof, shall be null and void in the event that the City (1) delivers to the City an opinion of Counsel, addressed to the City, to the effect that those portions of the Rule which require the provisions of this Certificate or any of such provisions, do not or no longer apply to the Offered Obligations, whether because such portions of the Rule are invalid, have been repealed, or otherwise, as shall be specified in such opinion, and (2) delivers copies of such opinion to the Repository.

Section 4.2. Amendment. (a) This Certificate may be amended, by written certificate of the Comptroller, without the consent of the Security Holders if all of the following conditions are satisfied: (1) such amendment is made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of the City or the type of business conducted thereby; (2) this Certificate as so amended would have complied with the requirements of the Rule as of the date of this Certificate, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; (3) the City shall have received an opinion of Counsel addressed to the City, to the same effect as set forth in clause (2) above and further to the effect that the amendment does not materially impair the interests of the Security Holders; and (4) the City delivers copies of such opinion and amendment to the Repository.

(b) In addition to subsection (a) above, this Certificate may be amended and any provision of this Certificate may be waived, without the consent of the Security Holders, if all of the following conditions are satisfied: (1) an amendment to the Rule is adopted, or a new or modified official interpretation of the Rule is issued, after the effective date hereof which is applicable to this Certificate;

(2) the City shall have received an opinion of Counsel to the effect that performance by the City under this Certificate as so amended or giving effect to such waiver, as the case may be, will not result in a violation of the Rule; and (3) the City shall have delivered copies of such opinion and amendment to the Repository.

(c) To the extent any amendment to this Certificate results in a change in the types of financial information or operating data provided pursuant to this Certificate, the first Annual Financial Information provided thereafter shall include a narrative explanation of the reasons for the amendment and the impact of the change.

(d) If an amendment is made to the accounting principles to be followed in preparing financial statements, other than changes prescribed by GASB, the Annual Financial Information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. Such comparison shall include a qualitative and, to the extent reasonably feasible, quantitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information. Notice of any such amendment shall be provided by the City to the Repository.

Section 4.3. Benefit; Third-Party Beneficiaries; Enforcement. (a) The provisions of this Certificate shall constitute a contract with and inure solely to the benefit of the Security Holders. Beneficial owners of Offered Obligations shall be third-party beneficiaries of this Certificate.

(b) Except as provided in this subparagraph (b), the provisions of this Certificate shall create no rights in any person or entity. The obligations of the City to comply with the provisions of this Certificate shall be enforceable by the Security Holders, including beneficial owners of Offered Obligations. The Security Holders' rights to enforce the provisions of this Certificate shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the City's obligations under this Certificate and the Resolution. In consideration of the third-party beneficiary status of beneficial owners of Offered Obligations pursuant to subsection (a) of this Section, beneficial owners shall be deemed to be Security Holders for purposes of this subsection (b).

(c) Any failure by the City to perform in accordance with this Certificate shall not constitute a default under the Resolution and any rights and remedies provided by the Resolution upon the occurrence of a default shall not apply to any such failure.

(d) This Certificate shall be construed and interpreted in accordance with the laws of the State, and any suits and actions arising out of this Certificate shall be instituted in a court of competent jurisdiction in the State; provided, however, that to the extent this Certificate addresses matters of federal securities laws, including the Rule, this Certificate shall be construed in accordance with such federal securities laws and official interpretations thereof.

APPENDIX D

BOOK-ENTRY-ONLY SYSTEM

BOOK-ENTRY-ONLY SYSTEM

The information in this section concerning The Depository Trust Company (“DTC”) and DTC’s book-entry-only system has been obtained from DTC, and the City and the Underwriter take no responsibility for the accuracy thereof.

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Offered Obligations. The Offered Obligations will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Note certificate will be issued for each maturity of the Offered Obligations, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U. S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Offered Obligations under the DTC system must be made by or through Direct Participants, which will receive a credit for the Offered Obligations on DTC’s records. The ownership interest of each actual purchaser of each Note (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Offered Obligations are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Offered Obligations, except in the event that use of the book-entry system for the Offered Obligations is discontinued.

To facilitate subsequent transfers, all Offered Obligations deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Offered Obligations with DTC and their registration in the name of Cede & Co., or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Offered

Obligations; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Offered Obligations within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Offered Obligations unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Offered Obligations are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Offered Obligations will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "*street name*," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Offered Obligations purchased or tendered, through its Participant, to Agent, and shall effect delivery of such Offered Obligations by causing the Direct Participant to transfer the Participant's interest in the Offered Obligations, on DTC's records, to Agent. The requirement for physical delivery of Offered Obligations in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Offered Obligations are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Offered Obligations to Agent's DTC account.

DTC may discontinue providing its services as depository with respect to the Offered Obligations at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Note or Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

NEITHER THE CITY, THE PAYING AGENT NOR THE UNDERWRITERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS, TO INDIRECT PARTICIPANTS OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT OR ANY INDIRECT PARTICIPANT; (2) THE PAYMENT BY DTC, ANY DTC PARTICIPANT OR ANY INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE OFFERED OBLIGATIONS; (3) ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO HOLDERS OF THE OFFERED OBLIGATIONS; (4) ANY CONSENT GIVEN BY DTC OR OTHER ACTION TAKEN BY DTC AS THE HOLDER OF THE OFFERED OBLIGATIONS; OR (5) THE SELECTION BY DTC, ANY DTC PARTICIPANT OR ANY INDIRECT PARTICIPANT OF ANY BENEFICIAL OWNER TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF OFFERED OBLIGATIONS.

Sealed bids will be opened, and electronic bids will be retrieved, and publicly announced in Room 404, 200 E. Wells St., Milwaukee, Wisconsin shortly after the deadline for the receipt of bids. In the event that access to, or function of, PARITY is materially interrupted at any time during the 30 minutes prior to the time bids are due, the City reserves the right to extend the deadline for submitting bids. The official award will be considered at a meeting of the City's Public Debt Commission scheduled for 4:00 P.M., Central Time on May 3, 2018. *Information regarding the Notes is furnished solely to provide limited summary information, and does not purport to be comprehensive. All such information is qualified in its entirety by reference to the more detailed descriptions appearing in the Official Statement, including Appendices.*

Details of the Notes

Notes will be dated as of May 17, 2018, will bear interest from the Dated Date payable at maturity, and will mature on May 16, 2019. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Notes are not subject to redemption prior to maturity.

Bid Parameters

Partial Bids: Bidders may bid for all of the Notes or part of the Notes. No bid for less than \$10,000,000 principal amount of the Notes at a particular interest rate will be entertained, and all bids must be in multiples of \$10,000,000. **Coupons:** Bidders are required to name the interest rate or rates the Notes are to bear. Such rates shall be no greater than 4%, and be in multiples of one-eighth of one percent or one-twentieth of one percent. **Minimum Price:** No bid at less than par value plus accrued interest, if any, will be considered.

Good Faith Deposit

The winning bidder(s) must submit a Good Faith Deposit ("Deposit") in the form of a certified check or a cashier's check drawn on a state or national bank or trust company in the amount of one-half of one percent (0.50%) of the par value of the maximum amount of Notes bid for, payable to the City Treasurer of Milwaukee, Wisconsin, as a guarantee of good faith, to be forfeited to said City by the successful bidder(s) as liquidated damages should such bidder(s) fail to provide an Issue Price certificate and/or take up and pay for the Notes when ready. The Deposit of the successful bidder(s) will be retained by the City and deducted from the purchase price at the time of closing.

The good faith checks of the unsuccessful bidders will be returned promptly upon the official determination of the bid(s) to be accepted. In the event of an award of less than all of the Notes included in a bid, the City shall, promptly, issue to such successful bidder(s) a check representing the amount of the Deposit in excess of one-half of one percent of the amount of the Notes awarded. All bids shall remain firm until 6:00 P.M. Central Time. A meeting of the Public Debt Commission of the City is scheduled for 4:00 P.M., Central Time on the sale date at which time the official award of the Notes will be made or all bids rejected.

Good Faith Deposit Submitted After Bids Are Due – Terms and Conditions: Bidders may elect to provide a Deposit (one-half of one percent (0.50%) of the par value of the amount of Notes won) after the time Bids are due, subject to the following conditions:

1. Submission of a bid without providing a Deposit prior to the time bids are due, in consideration for the City considering the bid, the bidder shall be deemed to have consented to these additional terms for Good Faith Deposit Submitted After Bids Are Due.
2. The winning bidder shall provide the City a Deposit by cashier's check or a certified check drawn on a state or national bank or trust company (or wire transfer such amount as instructed by the City) payable to the City by 12:00 Noon, Central time ("Due Time") on the date bids are open.
3. Failure to provide a Deposit by the Due Time will result in the winning bid being rejected, and the City will negotiate with the next highest bidder(s) for the completion of the transaction.
4. The winning bidder agrees that, in addition to the general terms for the Good Faith Deposit, the Deposit amount represents liquidated damages for the City in the event that the winning bidder fails to provide the Deposit by the Due Time. The City shall be entitled to the liquidated damages even if the City rejects the winning bid due to failure to provide the Deposit by the Due Time, and regardless of whether the City is able to complete the transaction with another bidder. The winning bidder agrees to reimburse the City for costs to collect the liquidated damages, and to the jurisdiction of Wisconsin courts.

Award

The Notes will be awarded to the qualified bidder or combination of bidders offering the lowest true interest cost to the City. The City's computation of true interest cost of each bid will be controlling. True interest cost can be estimated as follows: the present value rate necessary to discount, to the Purchase Price (hereinafter defined), the future debt service payments from the payment dates to the Dated Date, calculated on the basis of a 360-day year of twelve 30-day months, and with semi-annual compounding. The "Purchase Price" is principal, plus premium. The City reserves the right to reject any or all bids or to waive any irregularity in any bid.

In awarding the Notes, the City may award a principal amount less than the principal amount of a bid. If only part of the Notes bid for are awarded to a bidder, the premium offered, if any, shall be prorated. If any two or more bids shall be equal, and not all of the equal bids can be accepted, then the City shall determine by lot, which bid(s) to accept.

The winning bid or bids will be reported to PARITY, but the City assumes no responsibility or liability for results posted on such website.

Submission of Bids

Sealed proposals for the purchase of said Notes must be made using the Official Bid Form, or if submitted electronically via the PARITY, in accordance with the requirements prescribed by this Notice of Sale. For bidders submitting their electronic bid via PARITY, please refer to your agreement with PARITY regarding any requirements for participation. If more than one bid, either through the same method or through more than one method, including using more than one electronic method, shall be submitted by the same bidder for any part of the Notes, each such bid shall be considered a separate proposal for purchase of such part.

Any prospective bidder intending to submit an electronic bid must submit its electronic bid via PARITY through their competitive bidding application BidComp. By submitting an electronic bid, a Bidder agrees:

1. The City may regard the electronic transmission of the bid via the electronic service (including information about the purchase price for the Issue and interest rate or rates to be borne by the Issue and any other information included in such transmission) as though the same information were submitted on the Bid Form and executed on behalf of the Bidder by a duly authorized signatory. If the bid is accepted by the City, the terms of the Bid Form, this Notice of Sale, and the information transmitted through the electronic service shall form a contract, and the Bidder shall be bound by the terms of such contract.

2. To comply with the rules of the electronic bidding service. In the event of any conflict between such rules (regardless of what the rules are called or how they are established) and the terms set forth in the Bid Form and this Notice of Sale, the terms set forth in the Bid Form and this Notice of Sale shall control.
3. That the Bidder is solely responsible for making necessary arrangements to access electronic bidding services. The City shall not have any duty or obligation to provide or assume such access. None of the electronic bidding services are an agent of the City. The City shall have no liability whatsoever based on the Bidders use of the electronic service including, but not limited to, any failure by the electronic service to correctly or timely transmit information provided by the Bidder.

The City assumes no responsibility or liability for bids submitted through PARITY. The City also assumes no responsibility for the accuracy of information on the City's Notes presented by, nor of calculations performed by, nor of restrictions on the entry of bids enforced by, PARITY. If any provisions in this Official Notice of Sale conflict with information provided by PARITY, this Official Notice of Sale shall control. The City's computation of true interest cost of each bid will be controlling.

An electronic bid shall be deemed an irrevocable offer to purchase the Notes on the terms provided in the Official Notice of Sale, and shall be binding upon the bidder as if made by a signed, sealed bid delivered to the City. The City shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of PARITY, the use of such facility being the sole risk of the prospective bidder.

For purposes of both the sealed bid process and the electronic bid process, the time as maintained by the City shall constitute the official time. All bids shall be deemed to incorporate the provisions of this Official Notice of Sale and the Official Bid Form.

Bids may be submitted electronically via PARITY pursuant to this notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this notice, the terms of this notice shall control. For further information about PARITY, potential bidders may contact PARITY at (212) 404-8102. The fee for use of PARITY may be obtained from PARITY, and such fee shall be the responsibility of the bidder.

Payment and Delivery of the Notes

Payment for the Notes shall be made in Federal Reserve Funds or other available funds immediately subject to use by the City. The Notes will be delivered on or about May 17, 2018, or as soon thereafter as the Notes may be ready for delivery, at the expense of the City, through the facilities of The Depository Trust Company, New York, New York.

The Notes, when issued, will be registered only in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository of the Notes. A certificate for each interest rate will be issued to DTC and immobilized in its custody. Individual purchases will be made in book-entry-only form pursuant to the rules and procedures established between DTC and its participants, in the principal amount of \$5,000 and integral multiples thereof. Individual purchasers will not receive certificates evidencing their ownership of the Notes purchased. The successful bidder(s) shall be required to deposit the Notes with DTC as a condition to delivery of the Notes. The City will make payment of the principal and interest on the Notes to DTC or its nominee as registered owner of the Notes. Transfer of said payments to participants of DTC will be the responsibility of DTC; transfer of said payments to beneficial owners by DTC participants will be the responsibility of such participants and other nominees of beneficial owners all as required by rules and procedures of DTC and the participants. No assurance can be given by the City that DTC, its participants and other nominees of beneficial owners will make prompt transfer of said payments. The City assumes no liability for failures of DTC, its participants or other nominees to promptly transfer said payments to beneficial owners of the Notes. Notices, if any, given by the City to DTC are redistributed in the same manner as are payments. The City assumes no liability for the failure of DTC, its participants or other nominees to promptly transfer said notices to the beneficial owners of the Notes. The City is not responsible for supervising the activities or reviewing the records of DTC, its participants or other persons acting through such participants. In the event that the securities depository relationship with DTC for the Notes is terminated and the City does not appoint a successor depository, the City will prepare, authenticate and

deliver, at its expense, Notes in fully registered certificated notes in the denomination of \$5,000 or any integral multiple thereof in the aggregate principal amount of Notes of the same interest rate then outstanding as directed by the registered owners of the Notes.

**Establishment of Issue Price
(10% Test to Apply if Competitive Sale Requirements are Not Satisfied)**

Each successful bidder shall assist the City in establishing the issue price of the Notes and shall execute and deliver to the City at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications, substantially in the form included as part of this Notice of Sale, with such modifications as may be appropriate or necessary, in the reasonable judgment of each successful bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the City by the City’s municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City’s municipal advisor. Any questions concerning such certification should be directed to Bond Counsel.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the “competitive sale requirements”) because:

- (1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Notes to the bidder or bidders who submits a firm offer to purchase the Notes at the highest price (or lowest true interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in the bid.

All of the City’s competitive sales in the past 5 years would have met the competitive sale requirements, however, no assurance can be given that the competitive sale requirements will be met for this sale. In the event that the competitive sale requirements are not satisfied, the City shall so advise each successful bidder. The City shall treat the first price at which 10% of each lot the Notes (the “10% test”) is sold to the public as the issue price of that lot. Each successful bidder shall advise the City if any lot of the Notes satisfies the 10% test as of the date and time of the award of the Notes. **The City will not require bidders to comply with the “hold-the-offering-price rule” and therefore does not intend to use the initial offering price to the public as of the sale date of any lot of the Notes as the issue price of that lot. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the lots of the Notes will be subject to the 10% test in order to establish the issue price of the Notes of that lot.**

If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each lot of the Notes, the applicable successful bidders agree to promptly report to the City the prices at which the unsold Notes of that lot have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Notes of that lot.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Notes of each lot

allotted to it until it is notified by the successful bidder that either the 10% test has been satisfied as to the Notes of that lot or all Notes of that lot have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Notes of each lot allotted to it until it is notified by the successful bidder or such underwriter that either the 10% test has been satisfied as to the Notes of that lot or all Notes of that lot have been sold to the public, if and for so long as directed by the party to winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Notes to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (1) “public” means any person other than an underwriter or a related party,
- (2) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public).
- (3) a purchaser of any of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (4) “sale date” means the date that the Notes are awarded by the City to the successful bidder or bidders.

Authorization, Security, and Conditions of Delivery

The Notes have been approved by a resolution adopted by the Common Council of the City. The Notes are not general obligations of the City and do not constitute an indebtedness of the City for the purpose of determining the City's constitutional debt limitation, and no separate debt service tax shall be levied to pay the Notes or the interest thereon. The Notes are being issued pursuant to the provisions of Section 67.12(1), Wisconsin Statutes, for the purpose of financing the operating budget of the City on an interim basis pending receipt of State aid payments. As security for repayment of the Notes and interest thereon, the City has pledged, and will irrevocably segregate upon receipt, State shared revenue payments due in November, 2018 in an amount sufficient with interest thereon to pay the principal and interest due on the Notes at maturity and the City has irrevocably pledged all other General Fund Revenues included in the budget for calendar year 2018 which are due the City and not yet paid as of the date of delivery of, and payment for, the Notes and which are not otherwise applied.

The Notes are being issued subject to the legal opinions of Katten Muchin Rosenman LLP, Chicago, Illinois and of Hurtado Zimmerman SC, Wauwatosa, Wisconsin, Bond Counsel, which opinions, together with the completed Notes, will be furnished to the successful bidder(s) at the expense of the City. The form of such opinion appears as Appendix B in the Official Statement.

The successful bidder(s) will be furnished with the usual closing documents, including a certificate that no litigation is pending affecting the issuance of said Notes. The Preliminary Official Statement is in a form which the City "deems final" as of April __, 2018 for purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a Final Official Statement as defined in SEC Rule 15c2-12(e)(3). The successful bidder(s) will also be furnished with up to ten copies of the Final Official Statement (pro rata) issued in conjunction with this offering within seven business days after the award of the Notes in accordance with SEC Rule 15c2-12(b)(3). It is anticipated that CUSIP identification numbers will be included on the Notes, but neither the failure to include such numbers on any Notes nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Notes in accordance with terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Note or a part of the contract evidenced thereby, and no liability shall hereafter attach to the City or any of its officers or agents because of or on account of such numbers.

In order to assist bidders in complying with the continuing disclosure requirements of SEC Rule 15c2-12 and as part of the City's contractual obligation arising from its acceptance of the successful bidder's proposal, at the time of the delivery of the Notes the City will provide an executed copy of its Continuing Disclosure Certificate. Said Certificate will constitute a written agreement or contract of the City for the benefit of holders of and owners of beneficial interests in the Notes, to provide in a timely manner and notice of certain events with respect to the Notes. Notice of the occurrence of certain events with respect to the Notes will be provided to a central repository designated by the SEC.

The successful bidder(s) may, at its option, refuse to accept the Notes if prior to their delivery, any income tax law of the United States of America shall provide that the interest on such Notes is includable or shall be includable at a future date in gross income for federal income tax purposes, and in such case the deposit made by them will be returned and they will be relieved of their contractual obligations arising from the acceptance of their proposal.

The City understands that, from time to time, it is advantageous to take bond insurance into account when submitting a bid. Bond insurance is at the sole discretion and risk of the bidder(s). The use of bond insurance will require insurance related certifications by the bidder in the Issue Price certificate. The City will assist in the reoffering of the Notes with insurance by including bidder provided bond insurance information in the Final Official Statement. However, the City does not have the authority to enter into agreements with the bond insurer. The successful bidder(s) do not have the option to refuse delivery of the Notes due to bond insurance related issues, including downgrade of the bond insurer prior to delivery. Reprinting of the Final Official Statement due to bond insurance related issues that arise after the date of sale shall be at the sole expense of the bidder.

Additional information may be obtained from the undersigned City Comptroller upon request.

Good Faith Deposit

The winning bidder must submit a Good Faith Deposit (“Deposit”) in the form of a certified check or a cashier’s check drawn on a state or national bank or trust company in the amount of One Million Five Hundred Thousand Dollars (\$1,500,000), payable to the City Treasurer of Milwaukee, Wisconsin, as a guarantee of good faith, to be forfeited to said City by the successful bidder as liquidated damages should such bidder fail to take up and pay for the Obligations when ready. The Deposit of the successful bidder will be retained by the City and deducted from the purchase price at the time of closing. No adjustment of the Deposit will be made as a result in the change in the final par amount of the Obligations.

The good faith checks of the unsuccessful bidders will be returned promptly upon the official determination of the bid to be accepted. All bids shall remain firm until 6:00 P.M. Central Time, by which time the official award of the Obligations will be made or all bids rejected.

Good Faith Deposit Submitted After Bids Are Due – Terms and Conditions: Bidders may elect to provide a Deposit after the time Bids are due, subject to the following conditions:

1. Submission of a bid without providing a Deposit prior to the time bids are due, in consideration for the City considering the bid, the bidder shall be deemed to have consented to these additional terms for Good Faith Deposit Submitted After Bids Are Due.
2. The winning bidder shall provide the City a Deposit by cashier’s check or a certified check drawn on a state or national bank or trust company (or wire transfer such amount as instructed by the City) payable to the City by 12:00 Noon, Central Time (“Due Time”) on the date bids are open.
3. Failure to provide a Deposit by the Due Time will result in the winning bid being rejected, and the City will negotiate with the next highest bidder(s) for the completion of the transaction.
4. The winning bidder agrees that, in addition to the general terms for the Good Faith Deposit, the Deposit amount represents liquidated damages for the City in the event that the winning bidder fails to provide the Deposit by the Due Time. The City shall be entitled to the liquidated damages even if the City rejects the winning bid due to failure to provide the Deposit by the Due Time, and regardless of whether the City is able to complete the transaction with another bidder at a higher or lower cost, or at all. The winning bidder agrees to reimburse the City for costs to collect the liquidated damages, and to the jurisdiction of Wisconsin courts.

Award

The Obligations will be awarded to the qualified bidder offering the lowest true interest cost to the City. The City's computation of true interest cost of each bid will be controlling. True interest cost can be estimated as follows: the present value rate necessary to discount, to the Purchase Price (hereinafter defined), the future debt service payments from the payment dates to the Dated Date, calculated on the basis of a 360-day year of twelve 30-day months, and with semi-annual compounding. The "Purchase Price" is principal plus premium. The City reserves the right to reject any or all bids or to waive any irregularity in any bid.

Prior to the award of the Obligations, the aggregate principal amount of the Obligations offered for sale may be revised downward in an amount not to exceed the aggregate premium bid. A SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BID OR CHANGE THE PRICE OR INTEREST RATE BID AT THE INITIAL OFFERING PRICE AS A RESULT OF ANY REVISION MADE TO THE PRINCIPAL AMOUNT OF THE NOTES OR BONDS. In the event of any such revision, no re-bidding or re-calculation of bids submitted will be required or permitted. Obligations will be awarded up to the revised aggregate principal amount.

The City will contact the successful bidder shortly after opening of the bids. The successful bidder will then have 15 minutes to provide the City with the reoffering yield and prices of each maturity of the Obligations. The City will calculate the underwriting discount, which shall be a fixed percentage of the par amount of each Offered Obligation. Based upon the information, the City will recalculate the par amount of each maturity of the Obligations being offered, and the adjusted bid price. The City will inform the successful bidder as soon as possible of the anticipated adjusted amounts.

The winning bid will be reported to PARITY, but the City assumes no responsibility or liability for results posted on such website.

Submission of Bids

Sealed proposals for the purchase of the Obligations must be made using the Official Bid Form or, if submitted electronically via the PARITY, in accordance with the requirements prescribed by this Notice of Sale. For bidders submitting their electronic bid via PARITY, please refer to your contract/agreement with PARITY regarding any requirements for participation. If more than one bid, either through the same method or through more than one method, including using more than one electronic method, shall be submitted by the same bidder for the Obligations, each such bid shall be considered a separate proposal for the purchase of the Obligations.

Any prospective bidder intending to submit an electronic bid must submit its electronic bid via PARITY through their competitive bidding application BidComp. By submitting an electronic bid, a bidder agrees:

2. To comply with the rules of the electronic bidding service. In the event of any conflict between such rules (regardless of what the rules are called or how they are established) and the terms set forth in the Bid Form and this Notice of Sale, the terms set forth in the Bid Form and this Notice of Sale shall control.

If any provisions in this Official Notice of Sale conflict with information provided by PARITY, this Official Notice of Sale shall control. The City shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of PARITY, the use of such facility being the sole risk of the prospective bidder.

For purposes of both the sealed bid process and the electronic bid process, the time as maintained by the City shall constitute the official time. All bids shall be deemed to incorporate the provisions of this Official Notice of Sale and the Official Bid Form.

The fee for use of PARITY may be obtained from PARITY, and such fee shall be the responsibility of the bidder.

Payment and Delivery of the Obligations

Payment for the Obligations shall be made in Federal Reserve Funds or other available funds immediately subject to use by the City. The Obligations will be delivered on or about May 17, 2018, or as soon thereafter as the Obligations may be ready for delivery, at the expense of the City, through the facilities of The Depository Trust Company, New York, New York.

The Obligations, when issued, will be registered only in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository of the Obligations. A certificate for each interest rate will be issued to DTC and immobilized in its custody. Individual purchases will be made in book-entry-only form pursuant to the rules and procedures established between DTC and its participants, in the principal amount of \$5,000 and integral multiples thereof. Individual purchasers will not receive certificates evidencing their ownership of the Obligation purchased. The successful bidder shall be required to deposit the Obligations with DTC as a condition to delivery of the Obligations. The City will make payment of the principal and interest on the Obligations to DTC or its nominee as registered owner of the Obligations. Transfer of said payments to participants of DTC will be the responsibility of DTC; transfer of said payments to beneficial owners by DTC participants will be the responsibility of such participants and other nominees of beneficial owners all as required by rules and procedures of DTC and the participants. No assurance can be given by the City that DTC, its participants and other nominees of beneficial owners will make prompt transfer of said payments. The City assumes no liability for failures of DTC, its participants or other nominees to promptly transfer said payments to beneficial owners of the Obligations. Notices, if any, given by the City to DTC are redistributed in the same manner as are payments. The City assumes no liability for the failure of DTC, its participants or other nominees to promptly transfer said notices to the beneficial owners of the Obligations. The City is not responsible for supervising the activities or reviewing the records of DTC, its participants or other persons acting through such participants. In the event that the securities depository relationship with DTC for the Obligations is terminated and the City does not appoint a successor depository, the City will prepare, authenticate and deliver, at its expense, Notes and Bonds in fully registered certificated notes in the denomination of \$5,000 or any integral multiple thereof in the aggregate principal amount of Obligations of the same interest rate then outstanding as directed by the registered owners of the Obligations.

Establishment of Issue Price (10% Test to Apply if Competitive Sale Requirements are Not Satisfied)

Each successful bidder shall assist the City in establishing the issue price of the Obligations and shall execute and deliver to the City at Closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of each maturity of the Obligations, together with the

supporting pricing wires or equivalent communications, substantially in the form included as part of this Notice of Sale, with such modifications as may be appropriate or necessary, in the reasonable judgment of each successful bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Obligations may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor. Any questions concerning such certification should be directed to Bond Counsel.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Obligations) will apply to the initial sale of the Obligations (the "competitive sale requirements") because:

- (1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Obligations to the bidder or bidders who submits a firm offer to purchase the Obligations at the highest price (or lowest true interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Obligations, as specified in the bid.

All of the City's competitive sales in the past 5 years would have met the competitive sale requirements, however, no assurance can be given that the competitive sale requirements will be met for this sale. In the event that the competitive sale requirements are not satisfied, the City shall so advise each successful bidder. The City shall treat the first price at which 10% of each maturity of the Obligations (the "10% test") is sold to the public as the issue price of that maturity. Each successful bidder shall advise the City if any maturity of the Obligations satisfies the 10% test as of the date and time of the award of the Obligations. **The City will not require bidders to comply with the "hold-the-offering-price rule" and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the Obligations as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Obligations will be subject to the 10% test in order to establish the issue price of the Obligations of that maturity.**

If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Obligations, the successful bidder agrees to promptly report to the City the prices at which the unsold Obligations of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Obligations of that maturity.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Obligations to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Obligations of each maturity allotted to it until it is notified by the successful bidder that either the 10% test has been satisfied as to the Obligations of that maturity or all Obligations of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Obligations to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Obligations to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Obligations of each maturity allotted to it until it is notified by the successful bidder or such underwriter that either the 10% test has been satisfied as to the Obligations of that maturity or all Obligations of that maturity have been sold to the public, if

and for so long as directed by the party to winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Obligations to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (1) “public” means any person other than an underwriter or a related party,
- (2) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Obligations to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Obligations to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Obligations to the public).
- (3) a purchaser of any of the Obligations is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (4) “sale date” means the date that the Obligations are awarded by the City to the successful bidder or bidders.

Issue Price Certificate – 10% Test

The undersigned, on behalf of _____ ("Underwriter"), hereby certifies as set forth below with respect to the sale of the \$_____ principal amount of General Obligation Promissory Notes, Series 2018 N4 and the \$_____ principal amount of General Obligation Corporate Purpose Bonds, Series 2018 B5, of the City of Milwaukee, Wisconsin (the "Obligations").

1. ***Sale of the Obligations.*** As of the date of this certificate, for each Maturity of the Obligations, the first price at which at least 10% of such Maturity of the Obligations was sold to the Public is the respective price listed in Schedule A. [NOTE: This statement must be modified if 10% of any maturity is not sold by the issue date of the Obligations]

2. ***Defined Terms.***

(a) *Issuer* means City of Milwaukee, Wisconsin.

(b) *Maturity* means Obligations with the same credit and payment terms. Obligations with different maturity dates, or Obligations with the same maturity date but different stated interest rates, are treated as separate Maturities.

(c) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(d) An *underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Obligations to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Obligations to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Obligations to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Underwriter's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986 and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the City of Milwaukee (the "Issuer") with respect to certain of the representations set forth in the Tax Compliance Certificate and with respect to compliance with the federal income tax rules

affecting the Obligations, and by Bond Counsel in connection with rendering its opinion that the interest on the Obligations is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Obligations.

Authorization, Security, and Conditions of Delivery

The Obligations have been approved by resolutions adopted by the Common Council of the City and are issued for the financing of various public improvement projects, fiscal requirements of the City, and refunding outstanding obligations of the City. The Obligations will be direct general obligations of the City, payable from taxes levied on all property within said City, subject to taxation by said City, without limitation as to rate or amount.

The Obligations are being issued subject to the legal opinions of Katten Muchin Rosenman LLP, Chicago, Illinois and Hurtado Zimmerman SC, Wauwatosa, Wisconsin, Bond Counsel, which opinions, together with the completed Obligations, will be furnished to the successful bidder at the expense of the City. The form of such opinion appears as Appendix B in the Official Statement.

The successful bidder will be furnished with the usual closing documents, including a certificate that no litigation is pending affecting the issuance of the Obligations. The Preliminary Official Statement is in a form which the City “deems final” as of April __, 2018 for purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a Final Official Statement as defined in SEC Rule 15c2-12(e)(3). The successful bidder will also be furnished with up to ten copies of the Final Official Statement issued in conjunction with this offering within seven business days after the award of the Obligations in accordance with SEC Rule 15c2-12(b)(3). It is anticipated that CUSIP identification numbers will be included on the Obligations, but neither the failure to include such numbers on any Obligation nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Obligations in accordance with terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Obligation or a part of the contract evidenced thereby, and no liability shall hereafter attach to the City or any of its officers or agents because of or on account of such numbers.

In order to assist bidders in complying with the continuing disclosure requirements of SEC Rule 15c2-12 and as part of the City’s contractual obligation arising from its acceptance of the successful bidder’s proposal, at the time of the delivery of the Obligations the City will provide an executed copy of its Continuing Disclosure Certificate. Said Certificate will constitute a written agreement or contract of the City for the benefit of holders of and owners of beneficial interests in the Obligations, to provide in a timely manner and notice of certain events with respect to the Obligations. Notice of the occurrence of certain events with respect to the Obligations will be provided to each nationally recognized municipal securities information repository, to the Municipal Securities Rulemaking Board and to the Wisconsin State Information Repository, if created.

The successful bidder may, at its option, refuse to accept the Obligations if prior to their delivery, any income tax law of the United States of America shall provide that the interest on such Obligations is includable or shall be includable at a future date in gross income for federal income tax purposes, and in such case the deposit made by the successful bidder will be returned and the successful bidder will be relieved of its contractual obligations arising from the acceptance of its proposal.

The City understands that, from time to time, it is advantageous to take bond insurance into account when submitting a bid. The use of bond insurance will require insurance related certifications by the bidder in the Issue Price certificate. Bond insurance is at the sole discretion and risk of the bidder. The City will assist in the reoffering of the Obligations with insurance by including bidder provided bond insurance information in the Final Official Statement. However, the City does not have the authority to enter into agreements with the bond insurer. The successful bidder does not have the option to refuse delivery of the Obligations due to bond insurance related issues, including downgrade of the bond insurer prior to delivery. Reprinting of the Final Official Statement due to bond insurance related issues that arise after the date of sale shall be at the sole expense of the bidder.

Additional information may be obtained from the undersigned City Comptroller upon request.

Good Faith Deposit

No adjustment of the Deposit will be made as a result in the change in the final par amount of the Obligations.

The good faith checks of the unsuccessful bidders will be returned promptly upon the official determination of the bid to be accepted. All bids shall remain firm until 6:00 P.M. Central Time, by which time the official award of the Obligations will be made or all bids rejected.

Good Faith Deposit Submitted After Bids Are Due – Terms and Conditions: Bidders may elect to provide a Deposit after the time Bids are due, subject to the following conditions:

1. Submission of a bid without providing a Deposit prior to the time bids are due, in consideration for the City considering the bid, the bidder shall be deemed to have consented to these additional terms for Good Faith Deposit Submitted After Bids Are Due.
2. The winning bidder shall provide the City a Deposit by cashier’s check or a certified check drawn on a state or national bank or trust company (or wire transfer such amount as instructed by the City) payable to the City by 12:00 Noon, Central Time (“Due Time”) on the date bids are open.

3. Failure to provide a Deposit by the Due Time will result in the winning bid being rejected, and the City will negotiate with the next highest bidder(s) for the completion of the transaction.
4. The winning bidder agrees that, in addition to the general terms for the Good Faith Deposit, the Deposit amount represents liquidated damages for the City in the event that the winning bidder fails to provide the Deposit by the Due Time. The City shall be entitled to the liquidated damages even if the City rejects the winning bid due to failure to provide the Deposit by the Due Time, and regardless of whether the City is able to complete the transaction with another bidder at a higher or lower cost, or at all. The winning bidder agrees to reimburse the City for costs to collect the liquidated damages, and to the jurisdiction of Wisconsin courts.

Award

The Obligations will be awarded to the qualified bidder offering the lowest true interest cost to the City. The City's computation of true interest cost of each bid will be controlling. True interest cost can be estimated as follows: the present value rate necessary to discount, to the Purchase Price (hereinafter defined), the future debt service payments from the payment dates to the Dated Date, calculated on the basis of a 360-day year of twelve 30-day months, and with semi-annual compounding. The "Purchase Price" is principal plus premium. The City reserves the right to reject any or all bids or to waive any irregularity in any bid.

Prior to the award of the Obligations, the aggregate principal amount of the Obligations offered for sale may be revised downward in an amount not to exceed the aggregate premium bid above the minimum purchase price. A SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BID OR CHANGE THE PRICE OR INTEREST RATE BID AT THE INITIAL OFFERING PRICE AS A RESULT OF ANY REVISION MADE TO THE PRINCIPAL AMOUNT OF THE NOTES OR BONDS. In the event of any such revision, no re-bidding or recalculation of bids submitted will be required or permitted. Obligations will be awarded up to the revised aggregate principal amount.

The City will contact the successful bidder shortly after opening of the bids. The successful bidder will then have 15 minutes to provide the City with the reoffering yield and prices of each maturity of the Obligations. The City will calculate the underwriting discount, which shall be a fixed percentage of the par amount of each Offered Obligation. Based upon the information, the City will recalculate the par amount of each maturity of the Obligations being offered, and the adjusted bid price. The City will inform the successful bidder as soon as possible of the anticipated adjusted amounts.

The winning bid will be reported to PARITY, but the City assumes no responsibility or liability for results posted on such website.

Submission of Bids

Sealed proposals for the purchase of the Obligations must be made using the Official Bid Form or, if submitted electronically via the PARITY, in accordance with the requirements prescribed by this Notice of Sale. For bidders submitting their electronic bid via PARITY, please refer to your contract/agreement with PARITY regarding any requirements for participation. If more than one bid, either through the same method or through more than one method, including using more than one electronic method, shall be submitted by the same bidder for the Obligations, each such bid shall be considered a separate proposal for the purchase of the Obligations.

Any prospective bidder intending to submit an electronic bid must submit its electronic bid via PARITY through their competitive bidding application BidComp. By submitting an electronic bid, a bidder agrees:

1. The City may regard the electronic transmission of the bid via the electronic service (including information about the Purchase Price for the Obligations and interest rate or rates to be borne by the Obligations and any other information included in such transmission) as though the same information were submitted on the Bid Form and executed on behalf of the bidder by a duly authorized signatory. If the bid is accepted by the City, the terms of the Bid Form, this Notice of

Sale, and the information transmitted through the electronic service shall form a contract, and the bidder shall be bound by the terms of such contract.

2. To comply with the rules of the electronic bidding service. In the event of any conflict between such rules (regardless of what the rules are called or how they are established) and the terms set forth in the Bid Form and this Notice of Sale, the terms set forth in the Bid Form and this Notice of Sale shall control.
3. That the bidder is solely responsible for making necessary arrangements to access electronic bidding services. The City shall not have any duty or obligation to provide or assume such access. None of the electronic bidding services is an agent of the City. The City shall have no liability whatsoever based on the bidders use of the electronic service including, but not limited to, any failure by the electronic service to correctly or timely transmit information provided by the bidder.

The City assumes no responsibility or liability for bids submitted through PARITY. The City also assumes no responsibility for the accuracy of information on the Obligations presented by, nor of calculations performed by, nor of restrictions on the entry of bids enforced by, PARITY. If any provisions in this Official Notice of Sale conflict with information provided by PARITY, this Official Notice of Sale shall control. The City's computation of true interest cost of each bid will be controlling.

An electronic bid shall be deemed an irrevocable offer to purchase the Obligations on the terms provided in the Official Notice of Sale, and shall be binding upon the bidder as if made by a signed, sealed bid delivered to the City. The City shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of PARITY, the use of such facility being the sole risk of the prospective bidder.

For purposes of both the sealed bid process and the electronic bid process, the time as maintained by the City shall constitute the official time. All bids shall be deemed to incorporate the provisions of this Official Notice of Sale and the Official Bid Form.

Bids may be submitted electronically via PARITY® pursuant to this notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this notice, the terms of this notice shall control. Payment and Delivery of the Obligations

Payment for the Obligations shall be made in Federal Reserve Funds or other available funds immediately subject to use by the City. The Obligations will be delivered on or about May 17, 2018, or as soon thereafter as the Obligations may be ready for delivery, at the expense of the City, through the facilities of The Depository Trust Company, New York, New York.

The Obligations, when issued, will be registered only in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository of the Obligations. A certificate for each interest rate will be issued to DTC and immobilized in its custody. Individual purchases will be made in book-entry-only form pursuant to the rules and procedures established between DTC and its participants, in the principal amount of \$5,000 and integral multiples thereof. Individual purchasers will not receive certificates evidencing their ownership of the Obligation purchased. The successful bidder shall be required to deposit the Obligations with DTC as a condition to delivery of the Obligations. The City will make payment of the principal and interest on the Obligations to DTC or its nominee as registered owner of the Obligations. Transfer of said payments to participants of DTC will be the responsibility of DTC; transfer of said payments to beneficial owners by DTC participants will be the responsibility of such participants and other nominees of beneficial owners all as required by rules and procedures of DTC and the participants. No assurance can be given by the City that DTC, its participants and other nominees of beneficial owners will make prompt transfer of said payments. The City assumes no liability for failures of DTC, its participants or other nominees to promptly transfer said payments to beneficial owners of the Obligations. Notices, if any, given by the City to DTC are redistributed in the same manner as are payments. The City assumes no liability for the failure of DTC, its participants or other nominees to promptly

transfer said notices to the beneficial owners of the Obligations. The City is not responsible for supervising the activities or reviewing the records of DTC, its participants or other persons acting through such participants. In the event that the securities depository relationship with DTC for the Obligations is terminated and the City does not appoint a successor depository, the City will prepare, authenticate and deliver, at its expense, Notes and Bonds in fully registered certificated notes in the denomination of \$5,000 or any integral multiple thereof in the aggregate principal amount of Obligations of the same interest rate then outstanding as directed by the registered owners of the Obligations.

Authorization, Security, and Conditions of Delivery

The Obligations have been approved by resolutions adopted by the Common Council of the City and are issued for the financing of various public improvement projects. The Obligations will be direct general obligations of the City, payable from taxes levied on all property within said City, subject to taxation by said City, without limitation as to rate or amount.

The Obligations are being issued subject to the legal opinions of Katten Muchin Rosenman LLP, Chicago, Illinois and Hurtado Zimmerman SC, Wauwatosa, Wisconsin, Bond Counsel, which opinions, together with the completed Obligations, will be furnished to the successful bidder at the expense of the City. The form of such opinion appears as Appendix B in the Official Statement.

The successful bidder will be furnished with the usual closing documents, including a certificate that no litigation is pending affecting the issuance of the Obligations. The Preliminary Official Statement is in a form which the City “deems final” as of April __, 2018 for purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a Final Official Statement as defined in SEC Rule 15c2-12(e)(3). The successful bidder will also be furnished with up to ten copies of the Final Official Statement issued in conjunction with this offering within seven business days after the award of the Obligations in accordance with SEC Rule 15c2-12(b)(3). It is anticipated that CUSIP identification numbers will be included on the Obligations, but neither the failure to include such numbers on any Obligation nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Obligations in accordance with terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Obligation or a part of the contract evidenced thereby, and no liability shall hereafter attach to the City or any of its officers or agents because of or on account of such numbers.

In order to assist bidders in complying with the continuing disclosure requirements of SEC Rule 15c2-12 and as part of the City’s contractual obligation arising from its acceptance of the successful bidder’s proposal, at the time of the delivery of the Obligations the City will provide an executed copy of its Continuing Disclosure Certificate. Said Certificate will constitute a written agreement or contract of the City for the benefit of holders of and owners of beneficial interests in the Obligations, to provide in a timely manner and notice of certain events with respect to the Obligations. Notice of the occurrence of certain events with respect to the Obligations will be provided to each nationally recognized municipal securities information repository, to the Municipal Securities Rulemaking Board and to the Wisconsin State Information Repository, if created.

The City understands that, from time to time, it is advantageous to take bond insurance into account when submitting a bid. Bond insurance is at the sole discretion and risk of the bidder. The City will assist in the reoffering of the Obligations with insurance by including bidder provided bond insurance information in the Final Official Statement. However, the City does not have the authority to enter into agreements with the bond insurer. The successful bidder does not have the option to refuse delivery of the Obligations due to bond insurance related issues, including downgrade of the bond insurer prior to delivery. Reprinting of the Final Official Statement due to bond insurance related issues that arise after the date of sale shall be at the sole expense of the bidder.

Additional information may be obtained from the undersigned City Comptroller upon request.
