File FPC19339: Resolution to review the Psychological Evaluation Process for Testing and Recruiting.

A motion was made by Commissioner McKenzie and seconded by Commissioner Robakowski at the September 10, 2020, meeting to approve and develop an appellate body to review the appeal of candidates from the Fire and Police Departments who failed their psychological test.

Commissioner Cocroft made a friendly amendment to specifically state in the motion that there will be a commissioner, a clinical psychologist, and the executive director or a FPC staff member in the body. Commissioner McKenzie denied Commissioner Cocroft's friendly amendment. The motion carried. Therefore, the full board will discuss who will comprise the appellate body.

The next Testing and Recruiting Committee meeting will take place on March 11, 2021.
