ROLL CALL VERSION

Contains only changes to current policy.
For complete version of SOP, see SharePoint.

I. DRUG TESTING PROGRAM FOR MEMBERS REPRESENTED BY THE MILWAUKEE POLICE ASSOCIATION

I. DRUG TESTING PROGRAM DESCRIPTION

D. TESTING PROCEDURE

2. Substances to be tested for include:

- Amphetamines
- Opiates
- Cannabinoids
- Phencyclidine (PCP)
- Cocaine

Nothing herein shall prohibit the Chief of Police from amending this list of substances, so long as the added substance is one for which DHHS has adopted a quantitative standard for a positive test finding for the substance; the Department will notify the MPA of amendments to this list of substances.

Note: Members should be aware there are many products containing Cannabidiol (CBD), Delta 8 Tetrahydrocannabinol (THC) and Hemp derived Delta 9 THC. These products are legal under Wisconsin State Law as long as the total amount of Delta 9 THC is less than 0.3%. However, members who choose to consume these items must be aware that these products may contain levels of Delta 9 THC that are illegal under Wisconsin law. Members must also be aware that consuming any of these products may result in a positive drug test for cannabinoids.

II. DRUG TESTING PROGRAM FOR SWORN SUPERVISOR MEMBERS AND CIVILIAN MEMBERS

770.30 DRUGS TESTED

A. URINE

Members undergoing urine testing shall be tested for all of the following substances:

Amphetamines (Includes substances known as: Speed, Uppers, etc.)

Cannabinoids (Includes substances known as: Marijuana, Hashish, etc.)

Note: Members should be aware there are many products containing Cannabidiol (CBD), Delta 8 Tetrahydrocannabinol (THC) and Hemp derived Delta 9 THC. These products are legal under Wisconsin State Law as long as the total amount of Delta 9 THC is less than 0.3%. However, members who choose to consume these items must be aware that these products may contain levels of Delta 9 THC that are illegal under Wisconsin law. Members must also be aware that consuming any of these products may result in a positive drug test for cannabinoids.

JEFFREY B. NORMAN
