

The Life And Time Of:

Antoine Taylor

From a baby to 23 years of age Antoine was the type of kid that liked laughter. He liked to stay up under his mom. No matter how old or under any circumstance he liked to be under his mom. He loved to make everyone and anybody smile. He was a gifted child and always happy. As he grew and in school there were still a lot of laughter. As time went on he grew and people loved him even more. The things that Antoine liked to do were play games such as Play Station, basketball, football, listen to music, get up laughing and joking. The thing was he can give a joke and leave both of you smiling afterwards. He had no conflicts, no problems, his priorities were to his family and his community where he lived. Or in his surroundings. He loved

his twin nieces, and newborn
~~dear~~ nephew, sister, and brother
dearly. Can't forget his one and
only man Virginia. But the thing
is he meant so much to every-
one. If you had to go anywhere
if he had a little spit of gas in
his car he would say "Come on!"
He would take a chance on running
out of gas come home by himself
just to get you to your destination.

his mother
called

Antoine was a miracle child
because at birth he weighed
2 pounds 14 ounce. When he died
he weighed 389. He really was
a special child. To whom it
may concern ~~the community~~
In the honor of Antoine Taylor
the community as well as his
mom wish to have the 3900
block of 4th St. name after
Antoine Taylor. Thank you from the
Community.

Ms. Virginia Taylor
Thank you!

Dear Antoine,

It seems like only yesterday
that we were laughing and
having so much fun. Though
I'll never be able to touch
you.

From Thaddeus Moore
I want it 2.

It would be wonderful
to get my best friend as a
street name in memorial
of him.

Thaddeus Moore

I think that this street should be named
After Antwan because of all the things
he did for the community.

To whom it may concern:

My name is ~~Victoria Smith~~ ^{Celia Flour} and
Antoine Taylor was like a blood
brother to me. He was the most
kind and the most sincere person
that I have ever known. He was
not at all the violent type. He was
there for everyone. Some will be
missed dearly. He will always
have a very special place in

my heart and I will love
him forever. "The Next Time
We Meet Still Be Forever."
