To whom this may concern,

I hope this letter finds you well! My name is Sonia Escamilla and I live on the 200 block of East Howard Ave (right between Howell and Whitnall). I inquired with one of the very kind crew members on the job site this week on the possibility of being reimbursed for tires that I had to replace on my car due to damage caused from the construction. I was subsequently re-directed by Ms. Sarah McClanahan to the attached directions.

Unfortunately I am writing this letter because a pretty large rock from the gravel pads got stuck in my back passenger tire. Even more unfortunate, the rock was too large that a patch wasn't an option. Due to my car being a 4WD vehicle, I needed to replace all of my tires - which came to a total of \$893.73.

I am not sure if it is possible to be reimbursed, but I would be forever grateful if this would be considered.

I have included a photo of the tire and invoice for reference. I also shared the situation with the dealership and pleaded with them to confirm a patch wasn't an option as this was a large expense I was not planning for, so they may also be called for reference.

To ensure this would be a one-time request, should this happen again, my purchase comes with a 100% road hazard warranty for the first year (starting on 7/1/2024).

Thank you for your time and consideration. Please let me know if there is any additional information needed or if my inquiry should be re-directed to someone else. I can be reached directly via soniaescamilla94@gmail.com or 414-801-6517.

Sincerely,

Sonia Escamilla

ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

893.80 Claims against governmental bodies or officers, agents or employees; notice of injury; limitation of damages and suits. (1) Except as provided in subs. (1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employee of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

Failure to give the requisite notice shall not bar action on the claim if the fire company, corporation, subdivision or agency had actual notice of the claim and the claimant shows to the satisfaction of the court that the delay or failure to give the requisite notice has not been prejudicial to the defendant fire company, corporation, subdivision or agency or to the defendant officer, official, agent or employee; and

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
