

City and County Reckless Driving & Carjacking Report

2023 Update - DPW

Public Safety and Health Committee

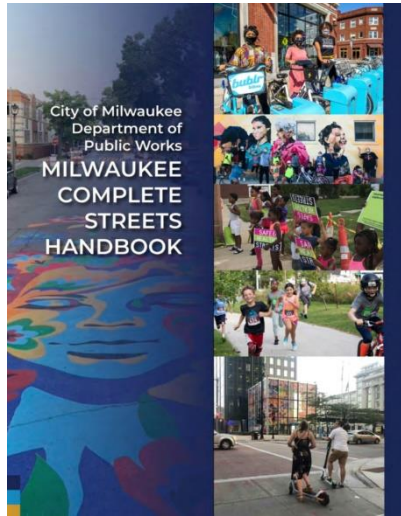

September 28, 2023

Mike Amsden, AICP – Multimodal Transportation Manager

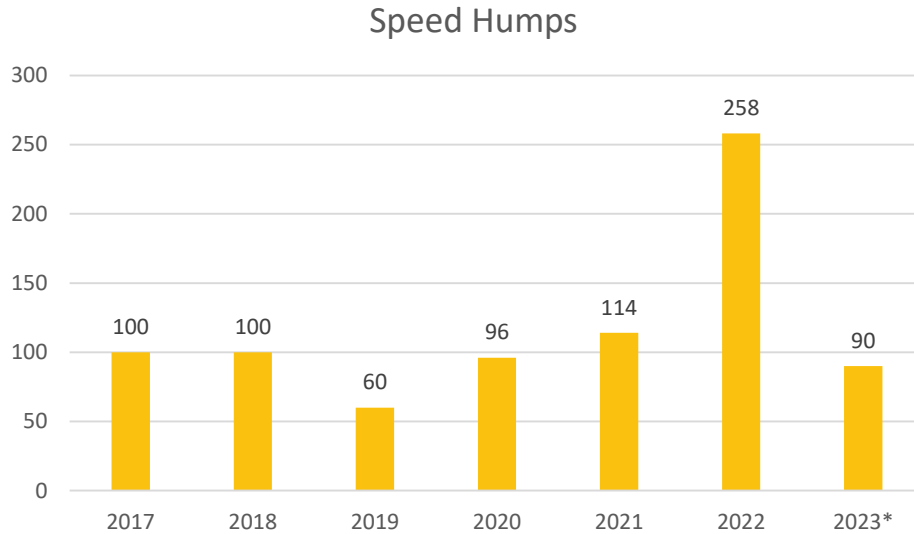

DPW's Guiding Principles

1. Design streets for slow speeds
2. Prioritize safety over speeds
3. Incorporate Complete Streets principles to make streets less car-centric and to better accommodate all modes

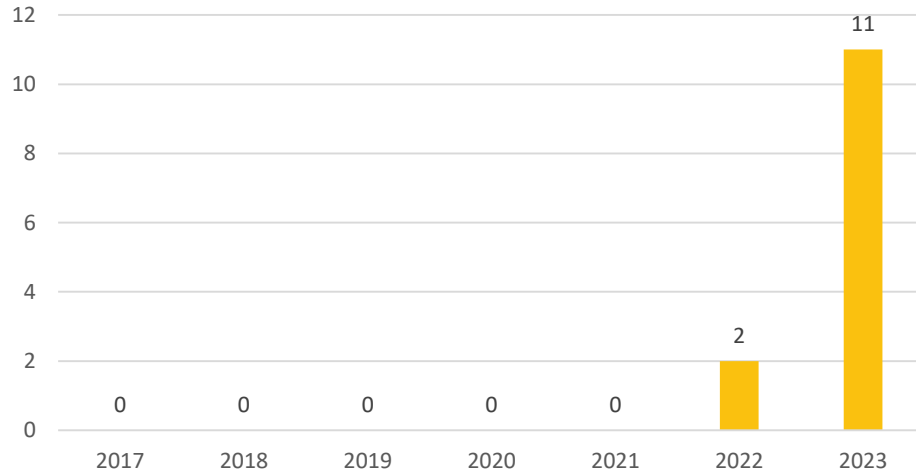

Infrastructure Investment – Speed Humps

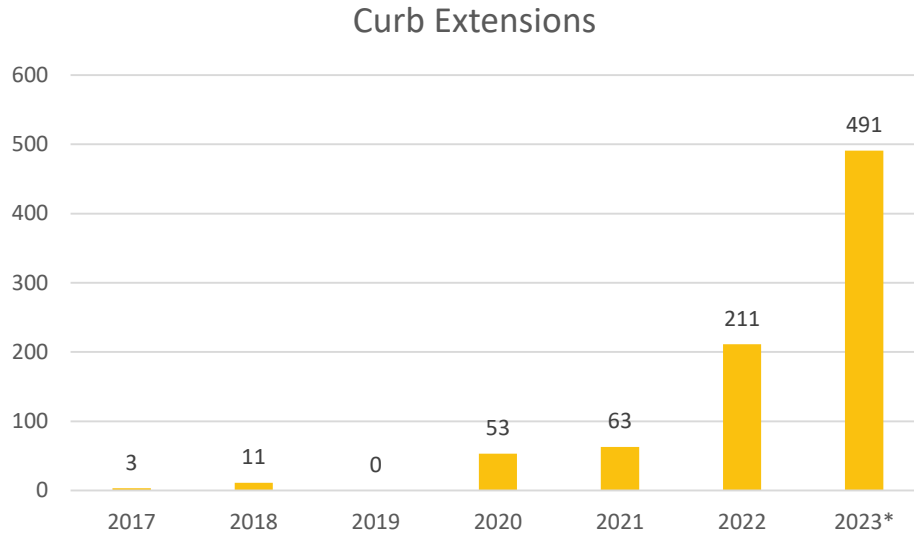

Infrastructure Investment – Traffic Circles

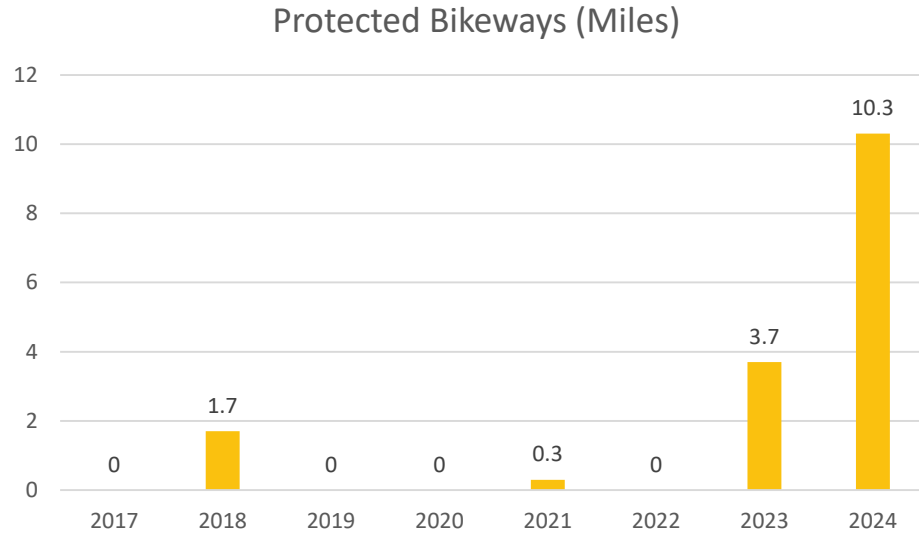

Traffic Circles

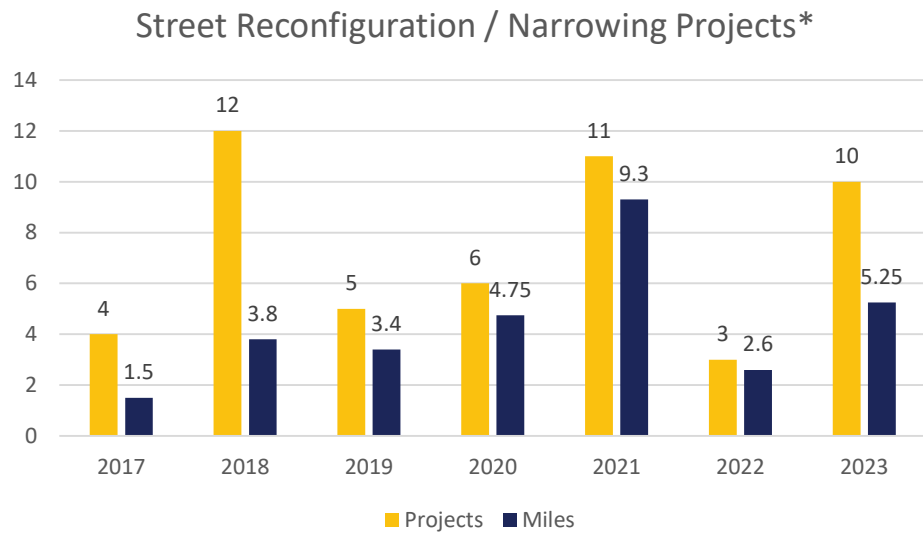

Infrastructure Investment – Curb Extensions

Infrastructure Investment – Protected Bikeways

Infrastructure Investment – Street Reconfiguration / Narrowing
