Milwaukee Common Council

Attn: Jim Owczarski

Dear Members of the Common Council:

The Charter School Review Committee is respectfully requesting to introduce four files to the Council. The first three would be files to approve new Charter School contracts for the following:

Inland Seas School of Expeditionary Learning
Life Skills Center
Maasai Institute

The fourth file would be to request the opportunity to present to the Common Council the findings of the annual report as required under Section 320.41 (8) of the Milwaukee Code of Ordinances. In the past, this report has been reviewed by the Steering and Rules Committee prior to submission to the full Common Council.

If you have any further questions on this matter please contact Sharon Robinson, Director of the Department of Administration, at #3828.

Sincerely,

Sharon Robinson
Director
