shift. I was wearing a full duty uniform with my nametag and badge affixed to the outermost garment with an Axon Body worn camera which was activated during this investigation. I was operating a fully marked MPD squad car while on duty.

NATURE OF CALL/ JUSTIFICATION

On Sunday, December 20, 2020 at approximately 8:00 pm, PO Khalid MAJEED and I (Squad 4467- Tavern Car) responded to a Trouble with Subject complaint located at 7225 N 76th St which is the Prime Social Restaurant and Bar. This address is located in the City and County of Milwaukee, WI.

INVESTIGATION

Upon arrival, PO MAJEED and I were met by the owner Odean H TAYLOR (B/M 03/26/1979) in the front parking lot of the business. TAYLOR stated that earlier this same day his security staff was forced to remove a few customers from inside of the business after they started minor altercations. TAYLOR stated that three group of females attempted to engage in physical fights but were escorted out of the business by security. TAYLOR stated that his business rarely have any issues dealing with the public but on this day the females who were attempting to fight were threatening his security staff. TAYLOR stated that two females had to be separated by his security staff after a brief fight in the parking lot when they were escorted out of the building. TAYLOR stated that the females departed the scene prior to police arrival.

PO MAJEED and I conducted a walk thru of the business where we observed patrons inside of the location. I observed that the individuals inside of the building were wearing face coverings and were acting accordingly. I observed the security staff inside of the location as well as walking in the parking lot around the exterior of the building. I was informed by TAYLOR that the close of business is at 9:00 pm but he was shutting down early because of the commotion between the groups of females who started that altercation.

PO MAJEED and I remained on scene inside of our squad car in front of the establishment until everyone departed from the scene. We observed the security staff monitor the vehicles leaving from the parking lot and directed the traffic flow. I did not observe anything which required police action.

I informed TAYLOR that a License Premise report will be filed regarding our response to the business.

FOLLOW UP

On Monday, December 21, 2020 at approximately 1:39 am, PO MAJEED and I were dispatched to St Joseph's Hospital for a Battery complaint in which the victim stated that she was punched in the face while at Prime Social Restaurant and Bar. Upon arrival we were escorted to ER room 24 by the hospital staff where we observed that the victim was no longer on scene. The hospital staff searched the hospital for the victim but could not locate her inside of the hospital. The RN who treated the victim stated that she was a B/F who had a laceration inside of her lip and minor bruises which prompted the staff to contact the police to report an assault. We were informed that the victim was intoxicated and did not provide a telephone number to be contacted. PO

W Good hope Rd which is located in the city and county of Milwaukee. While on patrol, a dispatched call came over for the prime social club at 7225 N 76th st for a subject with gun. The CAD stated that there were several subjects with rifles and security shirts. Officers were driving by the location when this call came over and observed several subjects wearing black security shirts open carrying various rifles. Officers stopped and advised the security guards that a call had come in and that we were just there to check on the status of a large party that was going on.

Officers observed that the Southbound traffic on N 76th st was becoming slightly congested but due to the amount of cars that were at the event, we considered it to be reasonable job done by the security guards on scene who were very cooperative with officers. They reiterated that the parking lot on the East side of the street (Destiny School) was not related to their party. Officers observed the Destiny school parking lot to be half full and the entire Prime Social Club parking lot to be completely full. Officers advised the security guards that the main issue will be with people attempting to park on Good Hope southbound. Security acknowledged this point and stated they would keep up with the traffic. I observed that the buildings front entrance was almost entirely blocked by a crowd of people so that I could not see into the building. Officers stated to security to call us with any problems and to try and keep up with the cars coming and leaving creating the traffic calls for service.

To whom it may concern-

I have attached several videos and flyers for 9th district Alderman Lewis regarding bars and night clubs not following covid. I've sent in videos months ago expressing my concerns with these establishments and for the last few months it seems as though it's only gotten worst. I've personally sent videos outside of you guys to Alderman Lewis and I have yet to see anything done to these establishments in her district. I ride past these bars everyday on my route to and from work and everyday living because I reside in the area and every Friday and Sunday they have 76th street jammed packed with hundreds of cars and problematic patrons j walking across the street and interrupting traffic.

In the videos you will see that not only are they not practicing social distancing and wearing masks but they are breaking every rule in the book. Prime social has patrons dancing on top of tables and bars where people are supposed to eat and drink that can't be safe and it screams mass spreading of Covid. These places are fitting more than allowed into an establishment forcing patrons to stand in line in order to enter and the lines are not spaced out. These bars/ nightclubs are endangering their employees by having them service hundreds of customers and hundreds of customers without masks at that which is ripple effect of Covid into our community. They have their dance floor open and live performances going on every single week.

What does it take for you guys to take action? How many complaints do I have to send? Who do I need to talk to make sure that something this ends IMMEDIATELY? Do I need to contact Governor Evers or take to the news what's going on in the city of Milwaukee while Covid wide-spreads. If you guys are not who I need to consult please let me know who I need to express my concerns to, so I don't catch Covid AGAIN because of this city negligence.

Thank you

TAYLOR, Odean H, Agent
Prime Social Restaurant & Bar at 7225 N 76TH St
Class B Tavern, Food Dealer, and Public Entertainment Premises License Renewal Applications

Tuesday, July 13, 2021 at 9:45 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place virtually on 7/13/2021 at 9:45 AM. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony will be asked to do so by phone or internet and are asked to contact the staff assistant, Molly Kuether-Steele at (414) 286-2775 or molly.kuether-steele@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
