On 07-18-22 at 9:37 a.m., we were dispatched to the location of 2237 N. Holton St., for a report of a license violation. The caller called to inform the police that the this location, Citgo on Holton, is a licensed premise in the city of Milwaukee. The caller stated the licenses to the business were not longer valid.

The caller stated he found out the licenses to the businesses expired on 07-15-22, via contacting the license committee and that his goal is to get the business ticketed and shut down.

I went to the business and attempted to speak to the worker, but due to a language difficulty, I was not able to really speak to the employee. I was able to have the employee call the owner/agent of the business, Prewal PRITPAL. While he was calling PRITPAL, I was able to view the licenses for the business and found they were expired.

I was able to speak to the owner/agent and informed him that is business licenses were expired and that he could not operate until his licenses were renewed. He stated he had a community meeting tonight and a meeting with the license committee tomorrow on 07-19-22. GREWAL stated he was informed that his license would be pushed through and believed he would be ok to operate his business. Again I informed him he could not operate until the new licenses were issued. GREWAL voluntarily shut down his business until he was issued new licenses.

End of report.

On Monday August 8th, 2022 at 10:15am I conducted follow up regarding the Citgo Gas Station located at 2237 N. Holton St. I had phone conversation with business agent Grewal, Pritpal S. (m/w 04/26/81) regarding the amended extend hours of the business. Currently the business is closing before 12:00am, and not allowed to have extended hours of operation. When the business is back to extended hours operations the business is to be closed at 2am and have security from 9pm-2am. After clarification with the City of Milwaukee License Division, the business is to have security at his business after 9pm, no matter the time of the business closing. Mr. Grewal stated that he is having an unarmed security guard work his business from 9pm to 12am. When the business is allowed to go back to its augmented extended hours the security guard will work from 9pm to 2am.

Mr. Grewal did relay to me that on Sunday 08/07/22 the security guard did not work because he had to care for his sick son, and he did not have security coverage that day.
