Subject: 619 Dover Street Building

On Monday there will be a proposal to sell the Building at 619 Dover Street so that the property can be developed. Having been a Long Time infamous resident of Bay View and knowing the Community which I Love, I talked and asked many fellow residents of Bay View and what they thought. The One thing that Bay View Has for itself is the strong community development in it. When My Family Moved Here in 1970 we were a diverse community that knew everyone in the block. Today, we don't even know our Neighbors across the street. Let's not build a large apartment complex there. Ask the neighbors what they want. The School is still a beautiful building and needs to be preserved. Jeffrey J. Berezinski
