Subject: No Slaughter House in MKE
Date: Tuesday, October 15, 2019 9:32:13 AM

Hello,

Please reconsider allowing Strauss Slaughterhouse to open its doors in the middle of the great city of Milwaukee.

Milwaukee needs to follow Wisconsin's motto "Forward." Bringing a slaughterhouse to the city of Milwaukee is "Backward."

Allowing a slaughterhouse, a barbaric place of suffering and death to operate in a neighborhood that is already suffering will only create more suffering in that community.

This is a social justice issue. A slaughterhouse is a dangerous place for those who work in it and for those who live near it. It is hell for the animals and for our environment.

Milwaukee should be working on moving the city forward by encouraging and welcoming new ideas and solutions that benefit all. How about bringing "Green Jobs" to the city of Milwaukee? Struggling communities, especially, deserve and need good jobs that pay fair wages and that help communities thrive, not harm others.

Please put people over profit and do not allow Strauss Slaughterhouse to exploit the central city of Milwaukee.

Thank you,

Gina Glembin
